Remember Me Always:

Remember Me Always Renee Collins, 2017-10-03 Shelby is nervous to start her senior year after spending the whole summer away from home. After all, it's hard to be carefree when you're trying to protect a secret. Shelby was in a devastating car accident, and everyone in town thinks that she was undergoing more physical therapy in Denver. Instead, Shelby's mother enrolled her in a clinical program to stop the panic attacks that started after the crash. The treatment erased Shelby's memory of the accident, but she can't help feeling as if a piece of herself is missing. That the treatment took more than the doctors claimed. So when Shelby starts hallucinating a boy with dark and mysterious eyes, she knows it must be a side effect of the clinical program. Except you can't kiss hallucinations. And this boy insists that they know each other and are in love.

Remember Me Always Angela Snyder, 2018-10-03 Even though I don't remember her, my heart just can't seem to forget that she's mine. Everything changed five years ago. I didn't mind losing my memory after my brother died in an accident that nearly claimed my life too. A clean slate was just what I needed to keep the pain away. Remembering the past wasn't really a problem until a feisty blonde by the name of Penny Preston showed up in my bar, demanding answers. Answers that I can't possibly give her. But as hard as I try to ignore my longing for her, it's almost impossible. Something keeps drawing me back to her. When I push her away one too many times, right into the arms of another man, I realize I can't bear to lose her. Even though I don't remember her, my heart just can't seem to forget that she's mine. And I'm going to get her back. Note: *Remember Me Always* is a full-length standalone novel that contains adult themes for mature readers. This is a re-release of a previously published limited release of the same title by the same author. This version has been rewritten and contains extra scenes and a bonus epilogue. [Paris](#) Jennifer Coburn, 2014-04-08 How her daughter and her passport taught Jennifer to live like there's no tomorrow. Jennifer Coburn has always been terrified of dying young. So she decides to save up and drop everything to travel with her daughter Katie on a whirlwind European adventure before it's too late. Even though her husband can't join them, even though she's nervous about the journey and even though she's perfectly healthy, Jennifer is determined to jam her daughter's mental photo album with memories just in case. From the cafés of Paris to the top of the Leaning Tower of Pisa, Jennifer and Katie take on Europe, one city at a time, united by their desire to see the world and spend precious time together. In this heartwarming generational love story, Jennifer reveals how their adventures helped vanquish her fear of dying for the sake of living. *We'll Always Have Paris* is a tale of laughter, tears, and the joys of self-discovery. Jennifer's raw and honest reflections will resonate with readers of all backgrounds as she delves into the complexities of motherhood, the pursuit of dreams, and the art of letting go. Packed with emotion, wit, and unforgettable moments, this memoir is a celebration of life's imperfections and the enduring strength of family bonds. Brimming with joie de vivre, Jamie Cat Callan, author of *Ooh La La French Women's Secrets to Feeling Beautiful Every Day*, Coburn proves as adept at describing the terrain of the human heart as she is the
