

Good Morning

*Friends,
remember
life is
short,*

*Grudges are a waste of time, laugh when you can,
apologize when you should, let go of what you
can't change. Love deeply and forgive quickly.
God bless you!*

Remember The Morning:

Father and Son Marcos Giralt Torrente, 2014-09-09 This is a story about two people but I m the only one telling it Many authors have wrestled with the death of a father in their writing but few have grappled with the subject as fiercely or as powerfully as the brilliant Spanish writer Marcos Giralt Torrente does in *Father and Son* the mesmerizing and discomfiting memoir that won him Spain s highest literary award the Spanish National Book Award Giralt Torrente is best known for his fiction but it is in this often savage memoir that he demonstrates the full measure of his gifts In the months following his father s death from cancer Giralt Torrente could not write until he began to write about his father In many ways they were strangers to each other after his parents relationship ended when he was quite young Giralt Torrente s father remained in contact with him but held himself at a distance Silences began to linger prompted by Giralt Torrente s anger at his father s lies and absences and perpetuated by their inability to speak about the sources of the conflicts between them But despite their differences they had a strong bond and in the months leading up to his father s death from cancer they groped toward reconciliation Here the author commits to exploring it all sparing neither his father nor himself conscious of their flaws but also understanding of them Weaving together history and personal narrative Giralt Torrente crafts a startlingly honest account of a complex relationship and an indelible portrait of both father and son Beautifully translated by Natasha Wimmer the award winning translator of Roberto Bola o and as lyrical and clear eyed on mourning as Joan Didion s *The Year of Magical Thinking* *Father and Son* is an uncommonly gripping memoir by an uncommonly talented writer

The Long Awakening Lindsey O'Connor,2013-10-01 On a crisp October day in 2002 Lindsey O Connor woke from a 47 day medically induced coma She heard her ecstatic husband s voice and saw his face as she emerged from the depths of unconsciousness She was bewildered by the people around her who looked so overjoyed and were so thoroughly attentive and attuned to her every move Then came the question Do you remember that you had a baby Lindsey drifted in and out of consciousness again for weeks When she finally and gradually surfaced permanently from her long submersion she struggled to understand that the day her baby came into the world was the day she left it Her awakening was the happy ending for her family and friends the miracle they had been praying for but it was just the beginning of Lindsey s long and frightening journey toward a new reality With visceral images and richly layered storytelling Lindsey O Connor

vividly tells the poignant true story of the struggle to reenter her world and rebuild her identity Underlying this life and death battle is a story of lost and found love the effort to make sense of life altering events and the continuing search for self This moving memoir paints a powerful picture of pain beauty and the unsurpassable gift of finally knowing who you are
