Sir John Collings Squire

Remember The Tarantella:

Remember the Tarantella Finola Moorhead, 2011 A Feminist classic paperback re release This is a remarkable work It is learned and frivolous female not feminine silly and serious The quality of the prose achieves a kind of concerto like poetry where the many instruments of differing tones assist the reader to know who is who Remember the Tarantella is a novel with twenty six characters each represented by a letter of the alphabet with the vowels as central characters The tarantella of the title is not the mating dance but the ruse of the women who did not want to be burnt as witches At the reputed bite of the spider they went into some kind of mania and danced themselves into the sea to drown instead Released to acclaim in 1987 Remember The Tarantella was heralded as a great work of feminist fiction Released as an eBook in 2010 this classic will now be re released in paperback

Marking Feminist Times Margaret Henderson, 2006 With its challenge to nearly every facet of Australian society and culture the Australian women's movement has achieved much in a short period of time And it has attracted controversy fiery denunciation and equally passionate loyalty This book explores how such a revolutionary social movement remembers its past The women's movement has always recognised the political importance of history narrative and language to changing the way we think and hence to changing the world How then does feminism mark its own past times and what stories does it tell of the campaigns struggles defeats victories and activists What is remembered and what is forgotten How do its narratives of its recent history counter those told by the mainstream culture By reading novels film television autobiographies newspaper and magazine articles and academic histories Marking Feminist Times traces the making of a feminist collective memory the reasons for its emergence the shapes taken and the narratives that recur And in so doing this book reveals a feminist collective memory haunted by the early loss of an authentically revolutionary movement

Claiming Space for Australian Women's Writing Devaleena Das, Sanjukta Dasgupta, 2017-06-29 This volume explores the subterfuges strategies and choices that Australian women writers have navigated in order to challenge patriarchal stereotypes and assert themselves as writers of substance Contextualized within the pioneering efforts of white Aboriginal and immigrant Australian women in initiating an alternative literary tradition the text captures a wide range of multiracial Australian women authors insightful reflections on crucial issues such as war and silent mourning emergence of a Australian national heroine racial purity and Aboriginal motherhood communism and activism feminist rivalry sexual transgressions autobiography and art of letter writing city space and female subjectivity lesbianism gender implications of spatial categories placement and displacement dwelling and travel location and dislocation and female body politics Claiming Space for Australian Women's Writing tracks Australian women authors varied journeys across cultural political and racial borders in the center of contemporary political discourse
