Remember An Encounter With Jesus Christ:

Called into Communion Susan B. Carole, 2013-03-20 This book illuminates the experiential and theocentric dimensions of holiness theology. It acknowledges two strands of thought in current holiness theology: Wesley's Christian perfection and entire sanctification as propagated in the early days of the American Holiness Movement. It honors the contribution of both these strands by identifying the deep harmony in the holiness message of John Wesley and Phineas Bresee. Using insights from Wesley and Bresee, the author develops a paradigm for holiness theology from the standpoint of its transcendent goal. *Called into Communion* explicates entire sanctification as revelatory and salvific, a necessary threshold experience for complete openness to God. This approach illuminates the rootedness of holiness theology in the triune fellowship of holy love. The communion perspective affirms holiness theology as the underlying theological principle for a missional ecclesiology, since participation in God characterizes the church as a doxological fellowship of holy love and determines the church's redemptive action. Seminarians and pastors will find in this book a new perspective on the holiness message. It extends the horizon of reflection to the grace that seeks out and enables human partners for a transformative fellowship of genuine reciprocity with God.

Remembering Why We Preach Karla J. Bellinger, Michael E. Connors CSC, 2022-11-25 If your heart is on fire with God's love, your preaching will help listeners encounter Christ and deepen their spiritual lives. And that should be the ultimate goal of a homily. *Remembering Why We Preach* is a retreat that will help you revive your creative energy and spiritual focus. Karla Bellinger, executive director of the Institute for Homiletics at the University of Dallas, and Fr. Michael Connors CSC, director of the John S. Marten Program in Homiletics and Liturgics at the University of Notre Dame, lead you through an eight-part process of spiritual renewal and skill development that will nourish and enrich you and your preaching for years to come. Whether you are recently ordained or have been preaching for decades, you will explore the spiritual, pastoral, and communal aspects of preaching, which lies at the heart of the Church's work of making disciples. This book can be used as a personal or group retreat or in preaching courses. It includes reading materials for personal reflection, questions for journaling or peer group discussions, practical exercises to enhance skills such as listening to your people, storytelling, homily writing, and diversifying your speaking styles, and support materials such as an outline for a peer group meeting, a sample retreat format, and forms for homily feedback and goal setting. Links to additional resources are available in each chapter.
