Remembering Awake Julie Foster, MD, 2024-11-01 *Remembering Awake* will guide you to a safe frequency where you can experience the bliss of a vulnerable heart with no protective prison walls keeping it from sharing its love and wisdom This book will help you remember that all the energies of what you see as your reality are fragments of the same cosmic soul discovering a way to tune their unique note into the celestial harmony of creation s symphony It is time for our soul to awaken to its true potential and collectively create a more loving reality This book is a guidebook on how to do that It will help you understand how important and perfect your soul s journey through time has been It will help your mind relax and melt into harmony with all the dimensions of our consciousness *Remembering Awake* will help you open the prisons your limbic system has placed you in and dissolve some of the amnesia that keeps you from remembering that only one unconditionally loving soul is here playing Earth Through this profound awakening you will set your mind and soul free to love all it encounters and feel a peace within that you never dreamed existed Dr Julie Foster s mind was trapped in slumber for the first fifty years of her life In 2020 her hands turned on and she began to feel the energetic entanglements in her patients and humanity that are the root cause of our diseases She learned that the prescriptions she wrote as a medical doctor were just bandages which quieted symptoms This epiphany opened her mind and gave her the desire to find a way to help her patients cure rather than conceal their diseases Through an open heart she remembered we all have a God particle that creates our human suit and can be one with all energy in existence She learned to surrender and let God heal God by

connecting to the God particle in those who came to her for healing We are the world teacher Every fragment of our soul has wisdom to share This book will help you awaken so you can feel blessed by the loving wisdom you have exchanged with others souls through choosing to play Earth Julie ends many blogs with I love you We got this By the end of the book you will embody the cosmic vibration of those words and share it in your interactions with other amazing versions of your soul It is time to discover the joy of remembering who you truly are by loving open Julie s loving stories on how we heal will guide you to this reality Swami Vincent Keny, PhD,2021-09-17

Awakening is not for the faint of heart It takes you to the very edge of your perceived capabilities beyond the limits that you had taken for granted It is a cruel dark liberating and uplifting adventure at the same time You were born to experience Swami through this provisional human experience Step by step and moment to moment you develop what was tightly enveloped and well hidden in your deepest core This little book is here to prompt you that you are neither alone nor crazy In fact you are leaving the craziness of life and discovering what it truly means to be natural and free Swami might speak to you and resonate with where you are at right now maybe it reminds you of a version of you from the past or maybe they awaken your curiosity of what is about to approach I am grateful I get to share this with you Safe Sexual Healing Sunyata Satchitananda,2019-09-06
