Remembrance of Mother Jonathon Lazear, 1994-05-06 When a mother dies those she leaves behind are filled with sorrow but what is sometimes overlooked is remembering and celebrating her legacy Remembrance of Mother is a moving and thoughtful collection of perspective on mothers and the vital influence they have on the past present and future of their children In remembering there can be joy and peace A son or daughter of any age can miss a mother's presence not just immediately following her death but at any time of sadness or celebration A book of comfort and support Remembrance of Mother is gentle reminder that although she is no longer here physically she lives on in the heart **In the Letting Go**
