Reminiscences of Tolstoy Ilya Tolstoy, 2006-11-01 An account of Tolstoy's domestic life by his son **Reminiscences of**

Tolstoy Ilya Tolstoy, 2020-12-08 This is an encouraging book in which Tolstoy explains the events that led to the development of the author over the years. Every indispensable part of life plays a role in shaping one's character and this is true for Tolstoy as well, but what is incomprehensible is the way this book is written. These words resounded as if they were telling a deep story with deep meaning. It has an exciting effect on you. Must read **Reminiscences of Tolstoy, by His Son** graf

Tolstoy, 2016-08-10 Leo Tolstoy was a Russian writer who is considered to be one of the greatest authors in history. Tolstoy wrote many classics in different genres such as *War and Peace*, *Anna Karenina*, and *The Kingdom of God is Within You*, and much of his work was based off of his life experiences in the Crimean War and his spiritual awakening. This book written by Tolstoy's son provides an excellent in-depth look at the legendary writer as a family man and as a person who struggled with his spiritual convictions. *Reminiscences of Leo Nicolayevitch Tolstoj* Maksim Gorky, 1920 *Reminiscences of Tolstoy*

Maksim Gorky, 1966 **Reminiscences of Tolstoy** graf Il'ia L'vovich Tolstoj, 1914 *Reminiscences of Leo Tolstoy* His Contemporaries, 2002-12 Never before had such a voice sounded in Europe. It is little to say that we were thrown into raptures by the creative genius of Tolstoy. It became part of our life, became our very own, wrote Romain Rolland, one of Tolstoy's greatest contemporaries. This book is neither a biography nor a literary portrait. It is the voice of the times in which Tolstoy lived. These reminiscences contributed by people from widely different circles by Tolstoy's wife and children whose contributions give us a true picture of the great writer's private life by writers, artists, and actors who were his friends by comrades who accompanied him on the military campaigns in which he took part by the doctors who tended him by people who served as prototypes of characters from his novels by teachers in his school at Yasnaya Polyana by peasants of Yasnaya Polyana representing that human ocean whose flux and flow Tolstoy followed with such rapt attention, all of them taken together present the total impression that Tolstoj made upon his generation. In a word, the pages of this book reveal to the reader the wisdom and inner conflict of the man whom Gorky has called a one-man orchestra, the most complicated of all great men of the 19th century. **REMINISCENCES OF TOLSTOY BY HIS SON** graf Ilia Lvovich Tolstoj, 2023-11-01

Reminiscences of Tolstoy (Classic Reprint) Ilya Tolstoy, 2018-01-20. Excerpt from *Reminiscences of Tolstoy*. Ilya the third has never been ill in his life. Broad boned, white and pink, jovial, bad at lessons. Is always thinking about what he is told not to think about. Invents his own games. Hot tempered and violent. 1 wants to fight at once but is also tender hearted and very sensitive. Sensuous, fond of eating and lying still doing nothing. When he eats currant jelly and buckwheat kasha. 2 his lips itch. Independent minded in everything. When he cries is vicious and horrid at the same time when he laughs every one laughs too. Everything forbidden delights him, he recognises it at once. When he was quite a mite he overheard some one saying that a pregnant woman feels the child moving inside her for a long time afterwards. His favourite game was to put any round thing he could find under his jacket and stroke it with tense fingers, whispering with a smile, 'This is baby.' He used to stroke all the bumps where the springs had gone wrong in the arm chairs and furniture murmuring, 'Baby.'
