Renaissance Monks Monastic Humanism In Six Biographical Sketches:

Renaissance Monks Franz Posset, 2005 This volume deals with the intellectual world of progressive monks on the eve of the Reformation in the sixteenth century Biographical sketches of three Benedictines and three Cistercians vicariously represent the lives and works of humanists in cloisters Klosterhumanismus **Renaissance Monks** Franz

Posset, 2022-09-30 This volume deals with the intellectual world of progressive Benedictine and Cistercian monks who vicariously represent humanists in cloisters Klosterhumanismus Bibelhumanismus in German speaking lands Conradus Leontorius 1460 1511 Maulbronn Benedictus Chelidonium c 1460 1521 Nuremberg and Vienna Bolfgangus Marius 1469 1544 Aldersbach in Bavaria Henricus Urbanus c 1470 c 1539 Georgenthal in the region of Gotha and Erfurt Vitus Bild Acropolitanus 1481 1529 Augsburg Nikolaus Ellenbog 1481 1543 of Ottobeuren For the first time in historical theological research new insights are provided into the world of the social group called Monastic Humanists who emerged next to the better known Civic Humanists within the diverse international phenomenon of Renaissance humanism **The Cambridge**

History of Medieval Monasticism in the Latin West Alison I. Beach, Isabelle Cochelin, 2020-01-09 Monasticism in all of its variations was a feature of almost every landscape in the medieval West So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds While there is enormous interest in medieval monasticism among Anglophone scholars language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe The Cambridge History of Medieval Monasticism in the Latin West offers a comprehensive treatment of medieval monasticism from Late Antiquity to the end of the Middle Ages The essays specially commissioned for this volume and written by an international team of scholars with contributors from Australia Belgium Canada England France Germany Italy the Netherlands Spain Switzerland and the United States cover a range of topics and themes and represent the most up to date discoveries on this topic Encyclopedia of Martin Luther

and the Reformation Mark A. Lamport, 2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther's life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther's contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther's controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation this is an essential reference work for understanding the Reformation and its legacy today Zealots for Souls Anne Huijbers, 2018-01-22 Zealots for souls draws attention to the impact of the Observant reforms within the Order of Preachers and ambitiously stirs up a broad scope of questions pertaining to the institutional narratives produced within the order

between c 1388 and 1517 Through the narratives and the forms of remembrance they fostered the author traces the development of contemporary characteristics of the Dominican self understanding The book shows the fluid boundaries between the genres order chronicles convent chronicles collective biographies highlights the interplay between the narrative and the intended audience addresses the complex question of authorship and assesses the indebtedness of modern printed narratives to older chronicles or biographical collections The book demonstrates that the majority of the extant institutional narratives were written by Observant Dominicans who strived for the internal reform of their order They wrote history to justify their own reform agenda and therefore produced invariably partisan chronicles The work s method is widely applicable and contributes to further reassessment of institutional narratives as sources for the analysis of religious and intellectual transformations

The Serpent and the Rose: The Immaculate Conception and Hispanic Poetry in the Late Medieval Period Lesley K. Twomey, 2008-06-03 The Serpent and the Rose examines the theological and liturgical context for the doctrine of the Immaculate Conception in the Middle Ages from primary sources in Iberian archives Its main focus is a study of Marian poetry from Alfonso the Wise and Gonzalo de Berceo through to the poetry collections of the late fifteenth century showing how poets took themes from the Bible and apocryphal literature combining them to defend and praise Mary s conception without sin Individual chapters assess how they depicted Mary s prefiguration in the Old Testament by the Woman who defeated the serpent the young bride of the Song of Songs or the semi deity Wisdom how they portray her as the mystic rose and as the new Eve

The Empire of the Cities Aurelio Espinosa, 2009 This study of the Spanish monarchy bureaucracy and representative government under Charles V before and after the comunero revolt 1520 1521 demonstrates how the emperor and Castilian republics institutionalized management procedures that promoted accountability advanced a meritocracy and facilitated expansionism and domestic stability

Between Sardis and Philadelphia: The Life and World of Pietist Court Preacher Conrad Bröske Douglas Shantz, 2008-09-30 This study examines the life and world of Conrad Bröske 1660 1713 Court Preacher in Offenbach Mayn His claim to fame lies in a ten year period between 1694 and 1704 in which this Marburg trained pastor became a prolific author polemicist and promoter of chiliastic writings thanks to a meeting with Thomas Beverley in 1693 and the baptism of a Muslim convert in 1694 Bröske lived a complex existence between Sardis and Philadelphia as a Reformed court preacher and Philadelphian chiliast His two sided experience was actually the norm among the Pietists including so called radicals Life between paradigms was the German way of being radical in early modern times due to a lack of religious toleration compared to England and the Netherlands Bröske s story belongs to the rise of Early Evangelicalism that W R Ward has recently discussed

Politics and Reformations Christopher Ocker, 2007 These twenty three essays explore the historiographies of the Reformation from the fifteenth century to the present and study the history of religion from the sixteenth to eighteenth centuries especially in Germany but also in Switzerland the Netherlands and colonial Mexico

Wandering Women and Holy Matrons Leigh Ann Craig, 2009 This book explores womena TM s

experiences of pilgrimage in Latin Christendom between 1300 and 1500 C E Later medieval authors harbored grave doubts about women's mobility literary images of mobile women commonly accused them of lust pride greed and deceit Yet real women commonly engaged in pilgrimage in a variety of forms both physical and spiritual voluntary and compulsory and to locations nearby and distant Acting within both practical and social constraints such women helped to construct more positive interpretations of their desire to travel and of their experiences as pilgrims Regardless of how their travel was interpreted those women who succeeded in becoming pilgrims offer us a rare glimpse of ordinary women taking on extraordinary religious and social authority

Women, Gender, and Radical Religion in Early Modern Europe Sylvia Monica Brown, 2007 This collection of essays explores the role of women and gender in a broad range of radical religious movements of the post Reformation

Two Sixteenth-Century Premonstratensian Treatises on Religious Life Jacob Panhausen, 2021-03-15 Jacob Panhausen stands as a major but little studied figure in the renewal of the Premonstratensian Order during the crucial decades of the sixteenth century when the very survival of religious life hung in the balance His career 1540 1582 as abbot of Steinfeld in Germany spanned the whole era of the Council of Trent and its aftermath and he died the same year that Saint Norbert was officially canonized This volume presents the first English translation of two Latin texts by Jacob Panhausen A Loving Exhortation to Prelates and Those in Their Charge and Treatise on Monastic Life and Religious Vows The introduction offers a biographical and analytical overview of this outstanding Norbertine reformer illuminating a crucial time in the renewal of the Premonstratensian Order during and after the Council of Trent Intended as they were for his confreres at Steinfeld and other abbeys they show his zeal for reform his dedication to the monastic tradition and his humanistic and exegetical concerns

The Conversos and Moriscos in Late Medieval Spain and Beyond Kevin Ingram, 2009 Converso and Morisco are the terms applied to those Jews and Muslims who converted to Christianity mostly under duress in late medieval Spain Converso and Moriscos Studies examines the manifold cultural implications of these mass conversions

Pico's Heptaplus and Biblical Hermeneutics Crofton Black, 2006-10-01 This is the first full length study of the Heptaplus the commentary on the creation narrative of Genesis 1 by the celebrated Italian philosopher Giovanni Pico della Mirandola It focuses on Pico's theory of allegory This theory was fundamentally dissimilar to mainstream medieval and Renaissance approaches to biblical interpretation Rather than use the standard four senses of Scripture Pico adopted an esoteric hermeneutic stance characteristic of Neoplatonic and kabbalistic exegesis and developed an allegorical theory based on epistemology and the idea of intellectual ascent The exploration of this theme makes it possible not only to interpret the Heptaplus in relation to Pico's other works but also to assess its role as a response to the contemporary philosophical controversy surrounding the intellect

Queen's Apprentice Joseph F. Patrouch, 2010 This study seeks to examine a number of themes relating to the roles of the women's court of the central European Habsburgs These include its role in helping consolidate their holdings in central Europe and the Holy Roman Empire and structure their relations with the

rest of Europe *The Crown and the Cosmos* Darin Hayton, 2015-11-11 Despite its popular association today with magic astrology was once a complex and sophisticated practice grounded in technical training provided by a university education The Crown and the Cosmos examines the complex ways that political practice and astrological discourse interacted at the Habsburg court a key center of political and cultural power in early modern Europe Like other monarchs Maximilian I used astrology to help guide political actions turning to astrologers and their predictions to find the most propitious times to sign treaties or arrange marriage contracts Perhaps more significantly the emperor employed astrology as a political tool to gain support for his reforms and to reinforce his own legitimacy as well as that of the Habsburg dynasty Darin Hayton analyzes the various rhetorical tools astrologers used to argue for the nobility antiquity and utility of their discipline and how they strove to justify their science on the grounds that through its rigorous interpretation of the natural world astrology could offer more reliable predictions This book draws on extensive printed and manuscript sources from archives across northern and central Europe including Poland Germany France and England *The 'Book' of Travels: Genre, Ethnology, and Pilgrimage, 1250-1700* Palmira Brummett, 2009-04-24 The early modern era is often envisioned as one in which European genres both narrative and visual diverged indelibly from those of medieval times This collection examines a disparate set of travel texts dating from the thirteenth to the seventeenth centuries to question that divergence and to assess the modes themes and ethnologies of travel writing It demonstrates the enduring nature of the itinerary the variant forms of witnessing including imaginary maps the crafting of sacred space as a cautionary tale and the use of the travel narrative to represent the transformation of the authorial self Focusing on European travelers to the expansive East from the soft architecture of Timur's tent palaces in Samarkand to the ambiguities of sexual identity at the Mughul court these essays reveal the possibilities for cultural translation as travelers of varying experience and attitude confront remote and foreign or not so foreign space *Preachers by Night: The Waldensian Barbes (15th-16th Centuries)* Gabriel Audisio, 2007 This work traces the history of the barbes the Waldensian preachers whose itinerant mission maintained the fervent but clandestine faith of a dissent which from Lyons extended across much of Europe enduring despite the Inquisition from the 12th 16th century *The Primacy of the Postils* John M. Frymire, 2009-12-23 Scholarship on the German Reformation has long equated preaching with Protestantism just as many scholars have employed sermons but usually in supplemental and unsystematic ways Based on an analysis of over 400 standard sermon collections postils produced by Catholics Lutherans and Calvinists 1520 1620 this study offers the first comprehensive systematic presentation of these works from a cross confessional perspective It lays to rest the notion that preaching was somehow distinctively Protestant while tracing the creation production use and censorship of postils These sermon collections were nothing less than the applied distillation of Christianity delivered on a regular basis by the clergy to the laity and as such the most important vehicle for the dissemination of ideas in early modern Germany Public Opinion and Changing Identities in the Early Modern Netherlands

,2006-11-01 Was there such a thing as public opinion before the age of newspapers and party politics The essays in this collection show that in the Low Countries at least there certainly was In this highly urbanised society with high literacy rates and good connections news and public debate could spread fast in the sixteenth and seventeenth centuries enabling the growth of powerful opposition movements against the Crown the creation of the Dutch Republic and of the distinctive Netherlandish culture of the Golden Age Contributors include Hugh Dunthorne Raingard Esser Jonathan Israel Gustaaf Janssens Henk van Nierop Guido Marnef M E H Nicolette Mout Andrew Pettegree Judith Pollmann Paul Regan Andrew Sawyer Jo Spaans Andrew Spicer and Juliaan Woltjer Supervised by Alastair Duke

Renaibance Monks Monastic Humanism In Six Biographical Sketches Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Renaibance Monks Monastic Humanism In Six Biographical Sketches PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Renaibance Monks Monastic Humanism In Six Biographical Sketches PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Renaibance Monks Monastic Humanism In Six Biographical Sketches free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Renaibance Monks Monastic Humanism In Six Biographical Sketches Books

1. Where can I buy Renaibance Monks Monastic Humanism In Six Biographical Sketches books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
