Renaissance Reader First Hand Encounters With The Renaissance:

Moderation and the Mean in the Literature of Spain's Golden Age Richard Rabone, 2023 A sustained analysis of the reception of the Aristotelian golden mean in early modern Spanish literature Studying works of three canonical authors Garcilaso Calder n Graci n it argues that the ethical credo of moderation was an important part of the classical inheritance on which Golden Age authors frequently drew **In Readers' Hands** Sabrina Corbellini, Wim François, Renske A.

Hoff, 2024-10-28 This volume explores the production transmission and reading practices of vernacular Bibles in early modern Europe This varied collection of essays provides historical book historical literary theological and art historical perspectives to the movements of manuscript and printed Bibles The contributions concern Bibles in many different languages and from across the European continent from Ireland to Portugal Rather than perceiving Scripture and the material carriers of Scripture as static things this volume demonstrates how Bibles constantly acquired new meanings and functions as they moved through time and space and were touched by the hands of makers readers and users **A**

Companion to Ovid Peter E. Knox, 2012-11-20 A Companion to Ovid is a comprehensive overview of one of the most influential poets of classical antiquity Features more than 30 newly commissioned chapters by noted scholars writing in their areas of specialization Illuminates various aspects of Ovid s work such as production genre and style Presents interpretive essays on key poems and collections of poems Includes detailed discussions of Ovid s primary literary influences and his reception in English literature Provides a chronology of key literary and historical events during Ovid s lifetime *Literature and the Encounter with God in Post-Reformation England* Michael Martin, 2016-05-23 Each of the figures examined in this study John Dee John Donne Sir Kenelm Digby Henry and Thomas Vaughan and Jane Lead is concerned with the ways in which God can be approached or experienced Michael Martin analyzes the ways in which the encounter with God is figured among these early modern writers who inhabit the shared cultural space of poets and preachers mystics and scientists The three main themes that inform this study are Cura animarum the care of souls and the diminished role of spiritual direction in post Reformation religious life the rise of scientific rationality and the struggle against the disappearance of the Holy Arising from the methods and commitments of phenomenology the primary mode of inquiry of this study resides in contemplation not in a religious sense but in the realm of perception attendance and acceptance Martin portrays figures such as Dee Digby and Thomas Vaughan not as the eccentrics they are often depicted to have been but rather as participating in a religious mainstream that had been radically altered by the disappearance of any kind of mandatory or regular spiritual direction a problem which was further complicated and exacerbated by the rise of science Thus this study contributes to a reconfiguration of our notion of what religious orthodoxy really meant during the period and calls into question our own assumptions about what is or was orthodox and heterodox **Literature-Based Teaching in the Content Areas** Carole Cox, 2011-01-12 Forty classroom tested classroom ready literature based strategies for teaching in the K 8 content areas

Disgust in Early Modern English Literature Natalie K. Eschenbaum, Barbara Correll, 2016-04-20 What is the role of disgust or revulsion in early modern English literature How did early modern English subjects experience revulsion and how did writers represent it in poetry plays and prose What does it mean when literature instructs delights and disgusts This collection of essays looks at the treatment of disgust in texts by Spenser Shakespeare Donne Jonson Herrick and others to demonstrate how disgust perhaps more than other affects gives us a more complex understanding of early modern culture Dealing with descriptions of coagulated eye drainage stinky leeks and blood filled fleas among other sensational things the essays focus on three kinds of disgusting encounters sexual cultural and textual Early modern English writers used disgust to explore sexual mores describe encounters with foreign cultures and manipulate their readers responses The essays in this collection show how writers deployed disgust to draw and sometimes to upset the boundaries that had previously defined acceptable and unacceptable behaviors people and literatures Together they present the compelling argument that a critical understanding of early modern cultural perspectives requires careful attention to disgust

Books and Readers in Early Modern England Jennifer Andersen, Elizabeth Sauer, 2012-07-28 Books and Readers in Early Modern England examines readers reading and publication practices from the Renaissance to the Restoration The essays draw on an array of documentary evidence from library catalogs prefaces title pages and dedications marginalia commonplace books and letters to ink paper and bindings to explore individual reading habits and experiences in a period of religious dissent political instability and cultural transformation Chapters in the volume cover oral scribal and print cultures examining the emergence of the public spheres of reading practices Contributors who include Christopher Grose Ann Hughes David Scott Kastan Kathleen Lynch William Sherman and Peter Stallybrass investigate interactions among publishers texts authors and audience They discuss the continuity of the written word and habits of mind in the world of print the formation and differentiation of readerships and the increasing influence of public opinion The work demonstrates that early modern publications appeared in a wide variety of forms from periodical literature to polemical pamphlets and reflected the radical transformations occurring at the time in the dissemination of knowledge through the written word These forms were far more ephemeral and far more widely available than modern stereotypes of writing from this period suggest

Early Modern Encounters with the Islamic East Sabine Schülting, Sabine Lucia Müller, Ralf Hertel, 2016-04-29 An

exploration of early modern encounters between Christian Europe and the Islamic East from the perspective of performance studies and performativity theories this collection focuses on the ways in which these cultural contacts were acted out on the real and metaphorical stages of theatre literature music diplomacy and travel The volume responds to the theatricalization of early modern politics to contemporary anxieties about the tension between religious performance and belief to the circulation of material objects in intercultural relations and the eminent role of theatre and drama for the re imagination and negotiation of cultural difference Contributors examine early modern encounters with and in the East using an innovative combination of literary and cultural theories They stress the contingent nature of these contacts and demonstrate that they can be read as moments of potentiality in which the future of political and economic relations as well as the players cultural religious and gender identities are at stake

Literature and Travel Michael Hanne, 2023-12-18 **Writing Captivity in the Early Modern Atlantic** Lisa Voigt, 2012-12-01 Drawing on texts written by and about European and Euro American captives in a variety of languages and genres Lisa Voigt explores the role of captivity in the production of knowledge identity and authority in the early modern imperial world The practice of captivity attests to the violence that infused relations between peoples of different faiths and cultures in an age of extraordinary religious divisiveness and imperial ambitions But as Voigt demonstrates tales of Christian captives among Muslims Amerindians and hostile European nations were not only exploited in order to emphasize cultural oppositions and geopolitical hostilities Voigt's examination of Spanish Portuguese and English texts reveals another early modern discourse about captivity one that valorized the knowledge and mediating abilities acquired by captives through cross cultural experience Voigt demonstrates how the flexible identities of captives complicate clear cut national colonial and religious distinctions Using fictional and nonfictional canonical and little known works about captivity in Europe North Africa and the Americas Voigt exposes the circulation of texts discourses and peoples across cultural borders and in both directions across the Atlantic

Anglican Enlightenment William J. Bulman, 2015-05-12 This is an original interpretation of the early European Enlightenment and the religious conflicts that rocked England and its empire under the later Stuarts In a series of vignettes that move between Europe and North Africa William J Bulman shows that this period witnessed not a struggle for and against new ideas and greater freedoms but a battle

between several novel schemes for civil peace Bulman considers anew the most apparently conservative force in post Civil War English history the conformist leadership of the Church of England He demonstrates that the church's historical scholarship social science pastoral care and political practice amounted not to a culturally backward spectacle of intolerance but to a campaign for stability drawn from the frontiers of erudition and globalization In seeking to sever the link between zeal and chaos the church and its enemies were thus united in an Enlightenment project but bitterly divided over what it meant in practice

Performing Economic Thought Bradley Ryner,2013-12-17 This study examines the structural similarities between English mercantile treatises and drama c1600-1642 Bradley D Ryner analyses the representational conventions of plays and mercantile treatises written between the chartering of the English East India Company in 1600 and the closing of the public playhouses at the outset of the English Civil War in 1642 He shows that playwrights' manipulation of specific elements of theatrical representation such as metaphor props dramatic character stage space audience interaction and genre exacerbated the tension between the aspects of the world taken into account by a particular representation and those aspects that it neglects
