Long Time To Hate:

Rhodesville Ronnie L Richards, 2024-01-15 Lee Burrows thought he had the trauma of his childhood behind him After high school Lee moved to Boston from his tiny hometown of Rhodesville located in the far northwest corner of Alabama Over the years he buried those terrible childhood memories When the invite came his wife urged him to attend his thirtieth high school reunion Fearing he may have to face his past Lee reluctantly agreed to attend the reunion As soon as Lee stepped out of his car in Rhodesville the memories roared back The secret he held inside exposed itself A secret he had told no one about not even his wife The secret that explained how one of his closest childhood friends had died They were only eleven years old and camping alone when the unthinkable happened What young Lee told everyone about his friend s death was not the truth Lee came face to face with the truth soon after his arrival for the class reunion

Hate and Reconciliation Guido Cuyvers, 2022-11-29 Every day the media confront us with the many forms and excesses of hatred cyber hatred hate speech bullying hate groups religiously inspired violence against dissidents and genocides Hatred is human and current It is an intrinsic part of what can happen between people Personal experiences can lead people to hate someone In society and even on a global level hatred is again and again the motor of misunderstanding and often also of violence between people Sometimes hate smoulders almost unconsciously at other times he is furious and serves as a flag for serious violence Hatred has many faces and seems omnipresent that much is clear The term Erida complex after the Greek goddess of hate symbolizes the common and deeply rooted nature of hatred Hatred is mighty as a destructive force He knows how to motivate individuals and large groups of people to bring out the worst in themselves He turns life among people into a desert However he cannot compete with Irene the goddess and the symbol of peace After all he is unable to correct what went wrong Nor is it a ground for building a peaceful society At the same time hatred is impotent against the positive freedom of people to transcend the negative Those who are open to this will see many connecting and therefore Irenian initiatives Hatred does not and should not have the last word Opposite the well of Erida is the Irenian the way to peace After examining the nature of hate this book focuses a wide angle lens on its many faces in individuals and groups as well as peoples Facing the negativity of hatred this book presents constructive approaches to fostering relationships between people and peace

How I Learned to Hate in Ohio David Stuart MacLean, 2021-01-19 A brilliant hilarious and ultimately devastating debut novel about how racial discord grows in America In late 1980s rural Ohio bright but mostly friendless Barry Nadler begins his freshman year of high school with the goal of going unnoticed as much as possible But his world is upended by the arrival of Gurbaksh Gary for short a Sikh teenager who moves to his small town and instantly befriends Barry and in Gatsbyesque fashion pulls him into a series of increasingly unlikely adventures As their friendship deepens Barry's world begins to unravel and his classmates and neighbors react to the presence of a family so different from theirs Through darkly comic and biting intelligent asides and wry observations Barry reveals how the seeds of xenophobia and racism find fertile soil in this insular community and in an easy graceless unintentional slide tragedy unfolds How I Learned to Hate in Ohio shines an uncomfortable light on the roots of white middle American discontent and the beginnings of the current cultural war It is at once bracingly funny dark and surprisingly moving an undeniably resonant debut novel for our divided world
