Cooper, 1996-02 Cooper paints a meticulous and absorbing portrait of McKay's restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of *If We Must Die* *Home to Harlem* *Banana Bottom* and *A Long Way from Home* among other works Claude McKay 1890-1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay's complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C. L. R. James and Aimé Césaire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper's most original contribution is his careful and perceptive analysis of McKay's nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review **Jane Austen and the Creation of Modern Fiction** Collins Hemingway, 2024-05-23 Jane Austen's creative process has been largely unexamined This book explores her development as a writer what she adapted from tradition for her needs what she learned novel to novel how she used that learning in future works and how her ultimate mastery of fiction changed the course of English literature Jane Austen overcame the limitations of early fiction by pivoting from superficial adventures to the psychological studies that have defined the novel since Her creativity and technique grew

as she wrestled with pragmatic writing issues This evaluation of Austen s creative process brings into focus the strengths and weaknesses of her six novels Each is examined in its use of major fictional techniques description scene building point of view and psychological development to reveal unique literary attributes The result is a revealing analysis of how world class fiction is built from the ground up
