Longman A Level Study Guide Modern History Longman A Level Study Guides:

Social Studies Revision Gd S4 , Books Magazine ,1994 History Today ,1999 Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **A Guide to Biblical Commentaries and Reference Works** John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **Handbook for History Teachers** W. Burston dec'd,Cyril Green,E Nicholas,A Dickinson,D Thompson,2021-12-24 First published in 1972 Handbook for History Teachers is intended to be a general and comprehensive work of reference for teachers of history in primary and secondary schools of all kinds The book covers all aspects of teaching history among them are the use of sources world history art and history principles of constructing a syllabus and the psychological aspects of history teaching The bibliographical sections are arranged on three parts school textbooks a section on audio visual aids and finally books for the teacher and possibly for the sixth form It thoroughly investigates and critiques the various methods employed in teaching history within classrooms and suggests alternatives wherever applicable Diligently curated by the Standing Sub Committee in History University of London Institute of Education the book still holds immense value in the understanding of pedagogy *Feature Films in English Language Teaching* Britta Viebrock,2016-07-11 Feature Films in English Language Teaching deals with the use of motion pictures in the advanced EFL English as a foreign language classroom It provides a general introduction to film literacy and explains the rationale methods and objectives of working with feature films In addition the book contains in depth considerations on sixteen selected films which are grouped regionally Australia New Zealand South Africa USA Great Britain Each chapter describes the topical focus of the film and its central theme and provides background information on social historical political and geographical issues A profound analysis of selected scenes lays the foundation for

considerations on the teaching potential of the film In a download section the chapters are complemented with ready to use teaching materials on film specific aspects narrative dramatic and cinematographic dimensions which are organised as pre while post viewing activities A glossary on technical terms for film analysis completes the volume *For the Love of Language* Kate Burridge, Tonya N. Stebbins, 2015-10-16 Language is essential to human life both as a basic social necessity and also as a powerful and complex social resource *For the Love of Language* An Introduction to Linguistics offers a comprehensive introduction to the workings of language and the role of linguistics in investigating its fundamental design This thorough and engaging investigation into language and linguistics covers topics including strategies for learning about how language works using linguistics to address real world problems the structure and meaning of words the systems that organise language changes to language over time how language is used in written and spoken communication the links between language the mind and the world Written by authors with extensive academic experience in the field of linguistics and including examples from Australia New Zealand and around the world to engage the reader *For the Love of Language* is a lively yet comprehensive resource for undergraduate students in foundation linguistics **A Reference Guide for English Studies** Michael J.
