Finn, 2023-04-28 This tale of two cities Butte Montana and Chuquicamata Chile traces the relationship of capitalism and community across cultural national and geographic boundaries Combining social history with ethnography Janet Finn shows how the development of copper mining set in motion parallel processes involving distinctive constructions of community class and gender in the two widely separated but intimately related sites While the rich veins of copper in the Rockies and the Andes flowed for the giant Anaconda Company the miners and their families in both places struggled to make a life as well as a living for themselves Miner s consumption a popular name for silicosis provides a powerful metaphor for the danger wasting and loss that penetrated mining life Finn explores themes of privation and privilege trust and betrayal and offers a new model for community studies that links local culture and global capitalism This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 This tale of two cities Butte Montana and Chuquicamata Chile traces the relationship of capitalism and community across cultural national and geographic boundaries Combining social history with ethnography Janet Finn shows how the development of co Empty Mansions Bill Dedman, Paul Clark Newell, Jr., 2014-04-22 1 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Janet Maslin The New York Times St Louis Post Dispatch When Pulitzer Prize winning journalist Bill Dedman noticed in 2009 a grand home for sale unoccupied for nearly sixty years he stumbled through a surprising portal into American history Empty Mansions is a rich mystery of wealth and loss connecting the Gilded Age opulence of the nineteenth century with a twenty first century battle over a 300 million inheritance At its heart is a reclusive heiress named Huguette Clark a woman so secretive that at the time of her death at age 104 no new photograph of her had been seen in decades Though she owned palatial homes in California New York and Connecticut why had she lived for twenty years in a simple hospital room despite being in excellent health Why were her valuables being sold off Was she in control of her fortune or controlled by those managing her money Dedman has collaborated with Huguette Clark s cousin Paul Clark

Newell Jr one of the few relatives to have frequent conversations with her Dedman and Newell tell a fairy tale in reverse the bright talented daughter born into a family of extreme wealth and privilege who secrets herself away from the outside world Huguette was the daughter of self made copper industrialist W A Clark nearly as rich as Rockefeller in his day a controversial senator railroad builder and founder of Las Vegas She grew up in the largest house in New York City a remarkable dwelling with 121 rooms for a family of four She owned paintings by Degas and Renoir a world renowned Stradivarius violin a vast collection of antique dolls But wanting more than treasures she devoted her wealth to buying gifts for friends and strangers alike to quietly pursuing her own work as an artist and to guarding the privacy she valued above all else The Clark family story spans nearly all of American history in three generations from a log cabin in Pennsylvania to mining camps in the Montana gold rush from backdoor politics in Washington to a distress call from an elegant Fifth Avenue apartment The same Huguette who was touched by the terror attacks of 9 11 held a ticket nine decades earlier for a first class stateroom on the second voyage of the Titanic Empty Mansions reveals a complex portrait of the mysterious Huguette and her intimate circle We meet her extravagant father her publicity shy mother her star crossed sister her French boyfriend her nurse who received more than 30 million in gifts and the relatives fighting to inherit Huguette s copper fortune Richly illustrated with more than seventy photographs Empty Mansions is an enthralling story of an eccentric of the highest order a last jewel of the Gilded Age who lived life on her own terms
