Looking for Jake China Miéville, 2005-08-30 Mi ville moves effortlessly into the first division of those who use the tools and weapons of the fantastic to define and create the fiction of the coming century Neil Gaiman What William Gibson did for science fiction China Mi ville has done for fantasy shattering old paradigms with fiercely imaginative works of startling often shocking intensity Now from this brilliant young writer comes a groundbreaking collection of stories many of them previously unavailable in the United States including four never before published tales one set in Mi ville s signature fantasy world of New Crobuzon Among the fourteen superb fictions are Jack Following the events of his acclaimed novel Perdido Street Station this tale of twisted attachment and horrific revenge traces the rise and fall of the Remade Robin Hood known as Jack Half a Prayer Familiar Spurned by its creator a sorceress s familiar embarks on a strange and unsettling odyssey of self discovery in a coming of age story like no other Reports of Certain Events in London In which a writer named China Mi ville receives a package containing clues to a vast and ongoing yet utterly secret war a war about to turn a most unexpected corner The Tain In this major story winner of the Locus Award for Best Novella a postapocalyptic London is overrun by vampires and monsters alien yet weirdly familiar and one man holds the future of humanity in his hands Plus ten other tales including On the Way to the Front a graphic short story illustrated by Eisner Award nominated Liam Sharp BONUS This edition contains an excerpt from China Mi ville s Embassytown *Looking for Jake and Other Stories* China Miéville, 2005 Step into a London ravaged by unearthly creatures at once utterly alien and chillingly familiar This collection contains thirteen short stories of visionary cityscapes and urban paranoia ghosts monsters and impossible diseases **China Miéville** Tony Venezia, Sherryl Vint, Raphael Zähringer, Dougal McNeill, Joe Sutcliffe Sanders, Paul March-Russell, Ben De Bruyn, Matthew Sangster, Anthony F. Lang, Jr., Mark P. Williams, Roger Luckhurst, 2015-12-01 The chapters in this collection respond to the range of interests that have shaped Mi ville s fiction from his influential role in contemporary genre debates to his ability to pose serious philosophical questions about state control revolutionary struggle regimes of apartheid and the function of international law in a globalized world This collection demonstrates how Mi ville s fictions offer a striking example of contemporary literature s ability to imagine alternatives to neoliberal capitalism at a time of crisis for leftist ideas within the political realm **Borders and Border Crossings in the Contemporary British Short Story** Barbara Korte, Laura Ma Lojo-Rodríguez, 2020-01-02 This book represents a contribution to both border studies and short story studies In today s world there is ample evidence of the return of borders worldwide as material reality as a concept and as a way of thinking This collection of critical essays focuses on the ways in which the contemporary British short story mirrors

questions and engages with border issues in national and individual life At the same time the concept of the border as well as neighbouring notions of liminality and intersectionality is used to illuminate the short story's unique aesthetic potential The first section Geopolitics and Grievable Lives includes chapters that address the various ways in which contemporary stories engage with our newly bordered world and borders within contemporary Britain The second section examines how British short stories engage with Ethnicity and Liminal Identities while the third Animal Encounters and Metamorphic Bodies focuses on stories concerned with epistemological borders and borderlands of existence and identity Taken together the chapters in this volume demonstrate the varied and complex ways in which British short stories in the twenty first century engage with the concept of the border

Urban Monstrosities Joseph Lamperez, Ali McGhee, 2018-07-27 Sign of sublime excess and transgression guardian of the threshold and uncanny creature par excellence the monster of late has also become a mainstay of urban narratives even while its presence in these texts remains untheorized The authors in this collection show how artists and writers across the past two hundred years from William Wordsworth to China Miéville figure the monster as a barometer of changing urban patterns Here monstrosity becomes the herald of embryonic social forms and marginalized populations in portrayals of cities across media from video games film and avant garde sonic experiments to written tales of urban fantasy and gothic ruin This volume suggests that poetic and municipal structures evolve in tandem Within its chapters unearthly buildings and beings signal a host of new urban dispensations

For the Longest Time Kendra Leigh Castle, 2014-07-01 For Samantha Henry it took a ten year absence to appreciate the close knit New England town with an appeal all its own After a perfect storm of events leaves Sam high dry and jobless she has to head home to Harvest Cove to regroup Growing up she was the town misfit and a brief high school romance that resulted in heartbreak made her realize she was never going to fit in But now with the support of her mother and an unexpected circle of

allies Sam starts to wonder if she's misjudged the town all these years. Life's been good to Jake Smith. He transitioned from popular jock to town veterinarian without any trouble. But Sam's homecoming makes him question his choices. The sharp-tongued beauty was never a good fit for the small community, but he's never forgotten her or how good they were together. While she makes it clear she's not about to repeat the past, Jake's determined to convince her to give him and Harvest Cove a second chance.

Freak Camp Laura Rye, Bailey R. Hansen, 2022-03-01 Monsters are evil, so why does Jake want to rescue one? Tobias can't remember why he was locked inside Freak Camp when he was five. All he knows are the camp rules: Other monsters are not your friends. Never disobey the guards. Don't expect anything to get better. The world is safer with him behind these iron-reinforced walls. But then he meets a hunter's son who defies all the rules. Jake is not just the only bright spot in his world, but proof that goodness exists. The heir to a long line of monster hunters, Jake's only purpose is to stamp out evil. He carries his faith that all monsters are evil to the government-run Freak Camp, where shy, sweet-natured Tobias shakes up all he's ever known and shifts his purpose from hunting monsters to protecting one. Two lonely boys, damaged in different ways, find themselves drawn together despite the odds. Freeing Tobias into a world where he can define his own rules could cost Jake his family and the only life he's ever known. But failure carries an even higher price for Tobias's life, hangs in the balance. *FREAK CAMP* is the first book in *A Monster By Any Other Name*, a slow burn M/M paranormal romance series for adult readers. Book One is the hurt that leads to the comfort, and each book has a happy-for-now happily-ever-after. Content notes: scenes include abuse and neglect of children, sexual and physical assault, institutional dehumanization, and reference to domestic violence causing a miscarriage. Please see the full content notes inside the book or on the *Freak Camp* website before reading.

The Worsley Plague Lizzy Lloyd, 2017-07-28 The inhabitants of a small rural town were oblivious to an imminent horror that was thrust upon them when a local man was struck with bubonic plague. In a race to discover the source of the outbreak, police and forensic scientists attempt to piece together fragments of crucial information teased out of a reluctant population of errant teenagers, struggling single parents, and drug dealers. Meanwhile, far back in the seventeenth century, the fate of a young girl is corrupted by a single man who is degrading and oppressive to his family and servants alike, and her strength and determination culminate in his demise and her redemption. The two tales are linked by one fatal artifact that resists the passing years and traverses time and corruption to bring terror to the community. How long will it take to identify the link, and how many will die before it is revealed?
