The Fountain of Life Opened Up John Flavel,2018-03-12 This work is a collection of 42 of Flavel s sermons on the person and work of Christ Being a puritan the work Flavel displays here is well thought out but presented in a way that will require some reflection from the reader In a time when Christian values especially those of the Catholic church were being called into question it is important to take a historical look at what the puritan preachers were teaching in their day in order for us to get a sense of what Christ in this circumstance requires from us and Flavel gives a good picture of who Christ was and his requirements of us **Abundant Life, and Other Sermons** Michael Ferrebee Sadler,1871
