Multifamily Therapy Group for Young Adults with Anorexia Nervosa Mary Tantillo, Jennifer L. Sanftner McGraw, Daniel Le Grange, 2020-11-23 Multifamily Therapy Group for Young Adults with Anorexia Nervosa describes a new and innovative family-centered outpatient Multifamily Therapy Group (MFTG) approach called Reconnecting for Recovery (R4R) for young adults with anorexia nervosa that is based on a relational reframing of eating disorders. Developed in concert with young adults and their families and informed by clinical observations, theory, and research, R4R is designed to help young adults and family members learn the emotional and relational skills required to avoid or repair relationship ruptures for continued collaboration in recovery. The book begins with an overview of anorexia nervosa MFTG treatment approaches and the development of R4R and moves into a session-by-session review of R4R, including session goals, exercises, and handouts. Protocols, case vignettes, and other materials help translate the theory and research underlying this multifamily therapy group model into practice. This treatment manual provides readers with explicit guidance in how to develop and conduct an outpatient R4R MFTG and a deeper understanding of the nature, purposes, and processes that characterize one.

Transformational Architecture Ron Martoia, 2008-12-30 How Can I More Effectively Reach People of My Generation with the Message of the Gospel? Start the story where God starts the story. In other words, it's not about lifestyle evangelism. Or being cleverer than the person with whom you're talking. Or knowing everything there is to know about the Bible. It's about knowing what's most important to your friends, family, coworkers, and others you meet along life's journey. It's about to use author Ron Martoia's words: discovering the story each of us lives every waking day of our lives. Once you know that you'll

know how God's story fits into our human stories Jesus spread the Good News this way He talked to people asked them questions about who they were what they were doing in short he found out what made each person get out of bed every morning And then he shared with them a bigger story and how they fit into it Jesus knew that when people grasped God's big picture they felt compelled even overjoyed to be a part of it In today's increasingly individualistic disenfranchised world it's never been more important to know God's story and how one fits into it Let Transformational Architecture be your guide to reaching those around you with God's life changing message of hope Congressional Record United States.
