Moments of Insight ,1989 **Moments of Insight** Jeffrey M. Cohen,1989 **Jesus and His Death** Scot

McKnight,2005 Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus own mission to protect his own followers from the judgment of God Whitaker's Books in Print ,1998

The American Jewish Year Book 1992 The American Jewish Committee,1992-09 The Library owns the volumes of the American Jewish Yearbook from 1899 current *Index to Jewish Periodicals* ,2003 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *The New Comparative Theology* Francis X. Clooney,2010-06-03 This book is an extended critical reflection on the state of interreligious dialogue in its modern version While there has been some important writing in the field of comparative theology there has been no extended critical reflection on the state of the discipline in its modern version its strengths and problematic areas as it grows as a serious theological and scholarly discipline This work of young scholars in conversation with one another remedies this lack by as it were taking the discipline apart and putting it back together again The volume seeks to understand how to learn from multiple religions in a way that is truly open to those religions on their own terms while yet being rooted in the tradition s that we bring to our interreligious study Le-ela ,1997 **Literary Structure and Rhetorical Strategies in The Hebrew Bible** L.J. de Regt,J. de Waard,J.P. Fokkelman,2023-08-14 Analysis of text structures has been a dominant feature in Biblical studies for quite some time More recently scholars have focused on rhetorical strategies that have been employed in Biblical texts In this volume rhetorical as well as structural approaches to the Hebrew Bible have been brought together It contains studies on a range of topics and on a good many texts and textual corpuses Interpretation culminates in translation The contributors to this volume have discussed the implications of their findings for Bible translators Many of these translational implications have been put together in an epilogue The volume thus not only intends to show the present state of our knowledge of literary and rhetorical techniques employed in the Bible on these points it aims to be a selective guide to translators as well The volume has been edited by Lenart de Regt Jan de Waard both of the Free University of Amsterdam and Jan Fokkelman Leiden University **A Jubilee for All Time** Gilbert S. Rosenthal,2014-11-18 In 1965 the Second Vatican Council formally issued a historic document titled *Nostra Aetate In Our Time* It was an attempt to frame the relationship between the Roman Catholic Church and the Jewish people Never before had an ecumenical council attempted such a task The landmark document issued by the Council and proclaimed by Pope Paul VI precipitated a Copernican revolution in Catholic Jewish relations and started a process that has spread to the Protestant and Orthodox worlds as well

This volume consisting of essays and reflections by Catholic Protestant Orthodox and Jewish scholars and theologians by pastors and professors from the United States Canada Ireland Great Britain and Israel is an evaluation of what Nostra Aetate has accomplished thus far and how Christian Jewish relations must proceed in building bridges of respect understanding and trust between the faith groups A Jubilee for All Times serves as a source of discussion learning and dialogue for scholars students and intelligent laypersons who believe that we must create a positive relationship between Judaism and Christianity

The Hebrew Bible Frederick E. Greenspahn, 2008 In April of 2001 the headline in the Los Angeles Times read Doubting the Story of the Exodus It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover In it he said The truth is that virtually every modern archeologist who has investigated the story of the exodus with very few exceptions agrees that the way the Bible describes the exodus is not the way it happened if it happened at all This seeming challenge to the biblical story captivated the local public Yet as the rabbi himself acknowledged his sermon contained nothing new The theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance New understandings concerning the Bible have not filtered down beyond specialists in university settings There is a need to communicate this research to a wider public of students and educated readers outside of the academy This volume seeks to meet this need with accessible and engaging chapters describing how archeology theology ancient studies literary studies feminist studies and other disciplines now understand the Bible

Trauma Talks in the Hebrew Bible Alexiana Fry, 2023-10-02 If one of the many ways out of trauma's impact is through words then why not use a theory closely attached to words and their impact alongside current trauma theories in understanding historical narratives In Trauma Talks in the Hebrew Bible Speech Act Theory and Trauma Hermeneutics Alexiana Fry utilizes a diverse methodology of speech act theory and trauma hermeneutics to argue for a more fluid and holistic approach in re interpreting narratives in the Hebrew Bible

Examining a more dissociative objective manner in reading each chapter asks the question of what about our own bodies
Purposely provoking attunement with oneself to embrace empathic unsettlement the book refuses to give any semblance of
finality Through the many types of performative utterances and traumas both individual and collective Joshua Judges Samuel
Ecclesiastes and Hosea Fry investigates the varied layers that constitute their many meanings The reader is invited into an
awareness and openness that is the human experience in biblical studies
