Public Violence In Canada 1867 1982:

Public Violence in Canada, 1867-1982 Judy Torrance, 1988-05-01 Judy Torrance introduces the concept of public violence to denote acts widely considered to be violent and of importance to society Public violence differs from related concepts like political violence in explicitly recognizing that the subject matter is socially constructed *Violence in Canada* Jeffrey Ian Ross, Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of *Violence in America* is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication *Violence in Canada* will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are *Why Men Rebel* and *Violence in America* **Violence in Canada** Jeffrey Ross, 2017-09-29 Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of *Violence in America* is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the

elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America *Violence and the Female Imagination* Paula Ruth Gilbert,2006-03-31 In the past twenty years Quebec women writers including Aline Chamberland Claire D Suzanne Jacob and H l ne Rioux have created female characters who are fascinated with bold sexual actions and language cruelty and violence at times culminating in infanticide and serial killing Paula Ruth Gilbert argues that these Quebec feminist writers are re framing gender Violence and the Female Imagination explores whether these imagined women are striking out at an external other or harming themselves through acts of self destruction and depression Gilbert examines the degree to which women are imitating men in the outward direction of their anger and hostility and suggests that such tough women may be mocking men in their macho exploits of sexuality and violence She illustrates the ways in which Quebec female authors are feminizing violence or re envisioning gender in North American culture Gilbert bridges methodological gaps and integrates history sociology literary theory feminist theory and other disciplinary approaches to provide a framework for the discussion of important ethical and aesthetic questions Gun Violence in America Alexander DeConde,2003 An in depth analysis of the folklore surrounding gun use and the state of the debate in today s political climate

The Vigilant Eye Greg Marquis,2017-01-19T00:00:00Z In The Vigilant Eye Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has

monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada's simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities

The Mounted Police and Prairie Society, 1873-1919 University of Regina. Canadian Plains Research Center, 1998 This collection of essays presents a variety of scholarly explorations of the nature and role of the Mounties in the Prairie Provinces from the formation of the North West Mounted Police in 1873-74 to its transformation into the Royal Canadian Mounted Police in 1919-20 The essays are grouped into five broad themes relations with First Nations law enforcement social issues including relations with minority groups and labour movements characteristics of the police force and crisis and change police immigrant relations response to labour unrest and the origins of domestic intelligence and counter subversion An epilogue presents the case for the dramatic change of the force after 1919-20 and the new force's use of the positive image created by the old force

The Policing of Transnational Protest Abby Peterson, 2016-02-24 Having long been a neglected issue the policing of protest began to attract considerable attention in the 1990s climaxing in the events in Seattle of 1999 These protests and the changing political climate since September 11 2001 mean that a new cycle of protest is challenging the concept of law and order and civil liberties This book examines how new policing styles are developing using case studies from North America and Europe The volume brings together researchers from a number of disciplines sociology criminology political science and mass communication who focus on new forms of political protest policing and public order

Canadian Books in Print. Author and Title Index, 1975

Canada Through American Eyes Jennifer Andrews, 2023-06-22 This book explores how Canada is imagined primarily by US writers and what readers and scholars on both sides of the Canada US border can learn from these recent depictions by examining a selection of US authored fiction from 9/11 to the present The novels and occasionally paintings films and musicals that are the subject of the book provide a deliberately varied set of case studies to probe how US texts along with works of art produced on both sides of the Canada US border uncover moments in Canadian historical and literary studies that have been buried or occluded to protect Canada's self representation as an exceptional nation
