Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year **Purgatory, illustrated by the lives and legends of the saints, tr. [by J.J.S.].** François Xavier Schouppe, 1893 Revelation, Mystical Phenomena and Divine Promises Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in

God The End of Strife Leland Johnson,2014-11-10 The purpose of this book is to explain both the causes for the social and cultural breakdown s in today s world as well as the solutions to our societal regression The causes come from multiple fronts and did not develop in a matter of days weeks months years decades or even generations The degenerative process that has led humanity to the suicidal path it is currently embarked upon has taken several centuries of progressive corruption to reach this point However there is a way to reverse course and heal our society again returning it to its former strength and health The way in which a true peace can be realized in this world will be explained It must be admitted that what it takes to achieve a more universal peace is difficult and burdensome on people for many and various reasons However when the reader looks at the state of the world today it is hopeful that they will choose the difficult and burdensome road required in order to maintain a peaceful civilization rather than the bloody chaos and anarchy transpiring in today s world
