Lauren,2022-02-22 Reveal Release Renew was written in my wholeness and my truth centered around my personal experience growing up in what society acknowledges as a broken home I speak on my life s experience which is very personal to me I choose to give blow for blow details regarding these situations in hopes it helps rescue or bring awareness and acknowledgment to what is not considered in most families as toxic and or destructive things happening to young people I focused on my experience in each situation and I m giving my audience some foundation as to why I am who I am I speak about my viewpoint on where I lived as a child and how often being unstable affected me mentally emotionally and spiritually

I expose how I fell into certain pits as a youth due to my toxic way of thinking which was caused by major traumas I experience as a child traumas such as different forms of child abuse and sexual abuse I share in detail my experience with sexual predators and how the Lord helped me to escape that situation I give some spiritual insight on issues that I was faced to overcome I give the full back story of where my trust issues began and I also go into me experiencing a few of my spiritual gifts in early childhood As I grew spiritually I noticed these same issues often tend to show up in many young girls who grow up in broken homes So I go into explaining the revelations I received regarding these traumas Again this book was written in hopes that other women can read it and gain understanding and insight into her own traumatic experiences in life Possibly she can understand where she may need the Lord to help her overcome as well
