Deboos, 2023-07-10 Who are you? Where do you come from? These two simple questions have so many answers and are sometimes even difficult to answer. This book tells the story of a Buddhist Muslim community from Padum in the Zangskar Valley, Indian Greater Himalayas. The author has gained a unique insight into this community during twenty years of research while the people shared doubts and joys with her. These experiences showed her that the meaning of belonging to a homeland or a confessional group and therefore the transformation of the process of identity building in our modern world is bridging the gap between tradition and modernity.
