Religion On Trial Mircea Eliade And His Critics

Tim Murphy

Religion On Trial Mircea Eliade And His Critics:

Religion on Trial Guilford Dudley, 1977 *Myth and Religion in Mircea Eliade* Douglas Allen, 2002 This is an interesting study with a great deal of information on Eliade's main themes and a detailed account of his understanding of myth

Women Who Fly Serinity Young, 2018-01-02 From the beautiful apsaras of Hindu myth to the swan maidens of European fairy tales stories of flying women some carried by wings others by clouds rainbows floating scarves and flying horses reveal the perennial fascination with and ambivalence about female power and sexuality In *Women Who Fly* Serinity Young examines the motif of the flying woman as it appears in a wide variety of cultures and historical periods in legends myths rituals sacred narratives and artistic productions She considers supernatural women like the Valkyries of Norse legend who transport men to immortality winged deities like the Greek goddesses Iris and Nike figures of terror like the Furies witches and succubi airborne Christian mystics and wayward dangerous women like Lilith and Morgan le Fay Looking beyond the supernatural Young examines the modern mythology surrounding twentieth century female aviators like Amelia Earhart and Hanna Reitsch Throughout Young demonstrates that female power has always been inextricably linked with female sexuality and that the desire to control it is a pervasive theme in these stories This is vividly depicted for example in the twelfth century *Nibelungenlied* in which the proud warrior queen Brunnhilde loses her great physical strength when she is tricked into surrendering her virginity Even in the twentieth century the same idea is reflected in the exploits of the comic book and film character Wonder Woman who Young suggests retains her physical strength only because her love for fellow aviator Steve Trevor goes unrequited The first book to systematically chronicle the figure of the flying woman in myth literature art and pop culture *Women Who Fly* offers a fresh look at the ways in which women have both influenced and been understood by society and religious traditions throughout the ages and around the world

New Testament Theology and its Quest for Relevance Thomas R. Hatina, 2013-03-14 New Testament theology raises many questions not only within its own boundaries but also in relation to other fields such as history literary criticism sociology psychology history politics philosophy and religious studies But the overarching question concerns the relevance of two thousand year old writings in today's world How does one establish what is and is not relevant in the New Testament How does one communicate the ancient ideas presented in an alien language alien time and alien culture to a contemporary audience This book is intended to serve as a methodological introduction to the field of New Testament theology aimed at a range of readers undergraduate and Seminary students clergy and laypersons interested in the relevance of scripture It is a guide which aims to help readers understand how practitioners of New Testament theology have wrestled with the relationship between historical reconstruction of the New Testament and its interpretation in the modern world

Religious Experience in Earliest Christianity Luke Timothy Johnson, In three fascinating probes of early Christianity examining baptism speaking in tongues and meals in common Johnson illustrates how a more wholistic approach opens up the world of healings and religious power of ecstasy

and spire in short the religious experience of real persons Early Christian texts he finds reflect lives caught up in and defined by a power not in their control but engendered instead by the crucified and raised Messiah Jesus

The Politics of Spirit Tim Murphy, 2010-12-28 A penetrating critique of the dominant approach to the study of religion The Politics of Spirit explores the historical and philosophical scaffolding of the phenomenology of religion Although this approach purports to give a value free neutral description of religious data it actually imposes a set of metaphysical and evaluative concepts on that data A very harmful ethnocentrism has resulted which plagues the academic study of religion to this day Analysis of the history core texts and discursive structure of phenomenology of religion reveals how this ethnocentrism is embedded within its assumptions Of particular interest is the revelation of the extent to which Hegel's ideas over those of Husserl contributed to the tenets that became standard in the study of religion Tim Murphy argues that the poststructuralist concept of genealogy as derived from Nietzsche can both describe religion better than the phenomenological approach and avoid the political pitfalls of ethnocentrism by replacing its core categories with the categories of difference contingency and otherness Ultimately Murphy argues that postmodern genealogy should replace phenomenology as the paradigm for understanding both religion and the study of religion

Mircea Eliade's Vision for a New Humanism David Cave, 1993 Mircea Eliade influential writer and scholar of religion envisioned a spiritually destitute modern culture coming into renewed meaning through the recovery of archetypal myths and symbols Eliade foresaw this restoration of meaning bringing about a new humanism of existential meaning and cultural religious unity but left it ambiguously defined Cave sets forward a structural description of what this new humanism might have meant for Eliade and what it signifies for modern culture through a biographical exegesis of Eliade's life and writings from his early years in Romania to his last years as professor of the history of religions at the University of Chicago Addressing Eliade's political associations and espousals on Romanian politics and culture theories on myth and symbols existential and comparative hermeneutics literature of the fantastic interpretation of homo religiosus views on the loss of meaning in modern consciousness and on the cosmic spirituality of archaic humans as well as other subjects Cave sets these topics within the totality of Eliade's oeuvre and evaluates them through the lens of the new humanism Cave's book is the first to organize and evaluate the whole of Eliade's work around a guiding principle and on Eliade's own terms To augment the new humanism Cave uses data and themes from the history of religions and draws on philosophy anthropology psychology modern science and literary studies The result is a broad and probing overview of this most influential enigmatic and frequently controversial man Cave concludes by endorsing Eliade's radically pluralistic vision which he argues offers a key to the revitalization of our demythologized and material culture Cave also repositions previous Eliadean studies and places the new humanism as the paradigm in relation to which future readings of Eliade should be evaluated

Musical Meaning and Interpretation Michael J. Puri, Jason Geary, Seth Monahan, 2025 Revived with new intensity at the end of the twentieth century questions of meaning and interpretation in music continue to generate

widespread interest and give rise to new research directions and methods This collection of essays brings together leading musicologists and music theorists working across a range of genres classical jazz and popular to offer fresh perspectives on a concern that bestrides every area of musical scholarship While many accounts of musical meaning tend to limit and constrain Musical Meaning and Interpretation contends that music s capacity to mean is virtually limitless and therefore resists clean and orderly taxonomies Taken together the essays attest to this nearly infinite variety of ways in which music may mean Individually they explore the intellectual underpinnings of rotational form the mysterious agencies that populate our hermeneutic discourse and the significance of pleasure in the interpretive act among other topics along with extended discussions of music by Beethoven Chabrier Unsuk Chin Coltrane Stephen Foster Mahler and Chou Wen chung Rooted in humanistic values the essays combine rich analytical insights with critical perspectives on meaning and hermeneutics arguing collectively for the strength necessity and urgency of interpretive work in music **Pipe, Bible, and Peyote**

among the Oglala Lakota Paul B. Steinmetz, S.J.,1998-12-01 When Paul B Steinmetz worked among the Oglala Lakota in South Dakota he prayed with the Sacred Pipe conversed with medicine men and participated in their religious ceremonies Steinmetz describes the history belief systems and contemporary ceremonies of three religious groups among the Oglala Lakota traditional Lakota religion the Native American Church and the Body of Christ Independent Church a small Pentecostal group On the basis of these descriptions Steinmetz discusses the interdynamics of Pipe Bible and Peyote and offers a model for understanding Oglala religious identity Steinmetz maintains that a sense of sacramentalism is essential in understanding Native American religions and that the mutual influence between Lakota religion and Christianity has been far more extensive than most scholars have suggested *The Humanities* Frank Whaling,2019-10-08 No detailed description available for The Humanities

Wandering God Morris Berman,2012-02-01 The third book in Morris Berman s much acclaimed trilogy on the evolution of human consciousness Wandering God continues his earlier work which garnered such praise as solid lessons in the history of ideas KIRKUS Reviews filled with piquant details Common Boundary and an informative synthesis and a remarkably friendly good natured jeremiad The Village Voice Here in a remarkable discussion of our hunter gatherer ancestry and the paradoxical mode of perception that it involved Berman shows how a sense of alertness or secular sacred immediacy subsequently got buried by the rise of sedentary civilization religion and vertical power relationships In an integrated tour de force Wandering God explores the meaning of Paleolithic art the origins of social inequality the nature of cross cultural child rearing the relationship between women and agriculture and the world view of present day nomadic peoples as well as the emergence of paradoxical consciousness in the philosophical writings of the twentieth century **Perspectives on Method and Theory in the Study of Religion** International Association for the History of Religions. Congress,2000 This volume is the adjunct proceedings on methodology from the XVIIth Congress of the International Association for the History of Religions held in Mexico City in 1995 Taken together the essays present a

thorough and coherent perspective on studying religion as an item of human culture *The Insider/Outsider Problem in the Study of Religion* Russell T. McCutcheon, 1999-01-07 Thirty classic and contemporary readings from such writers as Kant Hume Schleiermacher and Otto to Ninian Smart Mircea Eliade Karen McCarthy Brown and Wendy Doniger The Bible among the Myths John N. Oswalt, 2009-08-30 Sixty years ago most biblical scholars maintained that Israel's religion was unique that it stood in marked contrast to the faiths of its ancient Near Eastern neighbors Nowadays it is widely argued that Israel's religion mirrors that of other West Semitic societies What accounts for this radical change and what are its implications for our understanding of the Old Testament Dr John N Oswalt says the root of this new attitude lies in Western society's hostility to the idea of revelation which presupposes a reality that transcends the world of the senses asserting the existence of a realm humans cannot control While not advocating a the Bible says it and I believe it and that settles it point of view Oswalt asserts convincingly that while other ancient literatures all see reality in essentially the same terms the Bible differs radically on all the main points The Bible Among the Myths supplies a necessary corrective to those who reject the Old Testament's testimony about a transcendent God who breaks into time and space and reveals himself in and through human activity *Reconstructing Eliade* Bryan S. Rennie, 1996-01-01 Provides a coherent and defensible interpretation of Eliade's thought which allows less familiar readers to approach Eliade with a greater clarity and precision Foreword by Mac Linscott Ricketts a leading translator of Eliade's writings *Theory and Method in Religious Studies* Frank Whaling, 2012-10-25 This paperback edition contains selected articles from the original clothbound editions of Contemporary Approaches to The Study of Religion Vol I The Humanities Vol II The Social Sciences Religion and Reason 27 28 The Allure of Decadent Thinking Carl Olson, 2013-01-22 Carl Olson offers a compelling and provocative argument against the application of postmodern thought to Religious Studies showing how such radically skeptical thinking undermines subverts and distorts the study of religion *Zoroastrian Rituals in Context* Michael Stausberg, 2018-08-14 Rituals it is agreed play a prominent role in Zoroastrianism one of the oldest continuous traditions of mankind In this book scholars from a broad range of disciplines make the first ever collective effort to address this issue From a historical and geographical perspective texts and contexts studied in these pages range from antiquity to modernity all the way from Japan China India Iran Europe to California The essays touch on questions of theory ritual texts change and performances gender and professional religion priesthood lay people The rituals studied are placed in a broad scope of social and local settings ranging from the royal court to the needy from the rural village to the urban metropolis from the domestic to the public *Theology as Hermeneutics* John Painter, 2015-01-29 Rudolf Bultmann was the most significant New Testament scholar we have known in the twentieth century This study approaches his work arguing that his theology can only be understood correctly as an interpretation of the New Testament Naturally it is a twentieth century interpretation involving complex hermeneutical questions But it is the New Testament which provides the subject matter to be interpreted Bultmann's theology stemming from the conviction that

the New Testament addresses the present age offers important solutions to many problems for Christian theology in our materialistic relativist pluralistic age The book introduces the reader to Bultmann's theology the problem of contemporary New Testament hermeneutics the problems of New Testament theology the question of the relation of New Testament theology to theology as such It makes a necessary critique of simplistic modes of interpreting Bultmann and shows a masterly hand in assessing his continuing significance *The Only Tradition* William W. Quinn Jr., 1997-02-06 *The Only Tradition* examines the first principles of the perennial philosophy or ancient wisdom tradition as expressed in the writings of Ren Gu non and Ananda K Coomaraswamy and the current breakdown of value meaning and culture in the West due to the decline of these principles since the thirteenth century The book further focuses on the relationship or reciprocity between the first principles and Western and Eastern culture and discusses the future development of a homogenous worldwide system of belief that would restore value and meaning to people's lives Quinn argues for a return to the first principles inherent in the perennial philosophy which constitute the sacred primordial Tradition and which inform all the world's great religious traditions His book makes an excellent introduction to this powerful current of European esoteric thought primordial tradition

The Enigmatic Realm of **Religion On Trial Mircea Eliade And His Critics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Religion On Trial Mircea Eliade And His Critics** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.

Religion On Trial Mircea Eliade And His Critics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion On Trial Mircea Eliade And His Critics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion On Trial Mircea Eliade And His Critics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Religion On Trial Mircea Eliade And His Critics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion On Trial Mircea Eliade And His Critics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion On Trial Mircea Eliade And His Critics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion On Trial Mircea Eliade And His Critics Books

1. Where can I buy Religion On Trial Mircea Eliade And His Critics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
