Religion And The Culture Wars Dispatches From The Front:

Religion and the Culture Wars John Clifford Green, 1996-09-05 As the 20th Century draws to a close cultural conflict plays an increasingly dominant role in American politics with religion acting as a catalyst in the often bitter confrontations ranging from abortion to public education These insightful essays by leading scholars in the field examine the role of religion in these culture wars and present a mixed assessment of the scope and divisiveness of such conflicts *Culture Wars and Local Politics* Elaine B. Sharp, 1999 This collection offers alternative explanations of local actions with a focus on conflict It features examples of experiences selected from various cities It examines how the responses of local governments to specific issues are influenced by such factors as political culture and institutions *Cultural Wars in American Politics* Rhys H. Williams, That contemporary American politics is divided into two differing ideological moral and lifestyle groups a divide so severe as to constitute a cultural war is a widely held popular belief The most systematic academic version of the culture wars claim has appeared in two influential books by sociologist James Davison Hunter the earlier dating from 1991 Hunter's formulation of the myth serves the contributors to this volume as a point of departure They add more measured analyses to the rhetorical overstatement in Hunter's claim assessing its accuracy with a broad range of evidence based on individual attitudes subcultural values political party dynamics and culture wide ideological currents On every level of analysis the contributors find that Hunter's bipolar axis obscures the variety of ways in which culture actually functions in current politics That variety receives the nuanced treatment it deserves in this collection Examining the full range of sources of cultural politics and offering competing models for understanding the current ideological landscape this volume will be useful in a variety of classroom and seminar settings from political sociology and social movements to contemporary American culture and the sociology of religion Religion, Politics, and American Identity David S. Gutterman, Andrew R. Murphy, 2008-03-01 Scholarship on the role of religion in American public life has taken on a new urgency in the increasingly contentious wake of the attacks of September 11 2001 This volume brings together an impressive group of scholars to build on past work and broaden the scope of this crucial inquiry in two respects by exploring aspects of the religion politics nexus in the United States that have been neglected in the past and by examining traditional questions concerning the religious tincture of American political discourse in provocative new ways Essays include examinations of religious rhetoric in American political and cultural discourse after September 11th the impact of religious ideas on environmental ethics religion and American law beyond the First Amendment religious responses to questions of gay and lesbian rights the Church of Jesus Christ of Latter Day Saints and issues of free speech and public space in Utah and the role of religious institutions and ideas on the political priorities of African American and Latino communities In addition Religion Politics and American Identity includes introductory and concluding essays by leading scholars in the field of religion and politics that assess present and future directions for study Evangelicals and the Continental Divide Samuel Harold Reimer, 2003 In Evangelicals and the

Continental Divide Sam Reimer finds surprising levels of uniformity among evangelicals on both sides of the border He shows that both American and Canadian evangelicals share highly similar religious identities central beliefs moral and subcultural boundaries and social attitudes Reimer found that American evangelicals did not distinguish themselves through greater conservatism or greater commitment but did connect politics and faith to a much greater extent than their Canadian counterparts while evangelicals in Canada evinced greater tolerance He argues that these differences point to an enduring importance of national historical and cultural differences whereas regional differences are not as significant Using data obtained from 118 in depth interviews with evangelicals in both countries as well as a representative poll of 3 000 Canadians and 3 000 Americans Reimer details the inner workings of the evangelical subculture and gives us an understanding of evangelical similarities and differences across the two nations

Developing Cultures Lawrence E. Harrison, Jerome Kagan, 2013-05-13 *Developing Cultures* Essays on Cultural Change is a collection of 21 expert essays on the institutions that transmit cultural values from generation to generation The essays are an outgrowth of a research project begun by Samuel Huntington and Larry Harrison in their widely discussed book *Culture Matters* the goal of which is guidelines for cultural change that can accelerate development in the Third World The essays in this volume cover child rearing several aspects of education the world's major religions the media political leadership and development projects The book is companion volume to *Developing Cultures Case Studies* 0415952808

The Oxford Handbook of American Public Opinion and the Media Robert Y. Shapiro, Lawrence R. Jacobs, 2013-05-23 With engaging new contributions from the major figures in the fields of the media and public opinion *The Oxford Handbook of American Public Opinion and the Media* is a key point of reference for anyone working in American politics today

Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable *Politics and Religion in the White South* skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham's influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a

new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident *Politics and Religion in the White South* offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism *Exploring the Public Effects of Religious Communication on Politics* Brian Calfano,2021-08-03 Though not all people are religious believers religion has played important historic roles in developing political systems parties and policies affecting believers and nonbelievers alike This is particularly true in the United States where scholars have devoted considerable attention to a variety of political phenomena at the intersection of religious belief and identity including social movements voting behavior public opinion and public policy These outcomes are motivated by identity boundary making among the religiously affiliated The contributors to this volume examine two main factors that influence religious identity the communication of religious ideas and the perceptions of people including elites in communicating said ideas *Exploring the Public Effects of Religious Communication on Politics* examines an array of religious communication phenomena These include the media s role in furthering religious narratives about minority groups religious strategies that interest groups use to advance their appeal the variable strength of Islamophobia in cross national contexts what qualifies as an evangelical identity and clergy representation of religious and institutional teachings The volume also provides ways for readers to think about developing new insights into the influence religious communication has on political outcomes *How the Tea Party Captured the GOP* Rachel M. Blum,2020-09-30 This incisive and timely study of American party politics reveals how a fringe group within the Republican party came to wield outsized power The rise of the Tea Party redefined both the Republican Party and how we think about intraparty conflict What initially appeared to be an anti Obama protest movement of fiscal conservatives matured into a faction that sought to increase its influence in the Republican Party by any means necessary Tea Partiers captured the party s organizational machinery and used it to replace established politicians with Tea Party style Republicans eventually laying the groundwork for the nomination and election of a candidate like Donald Trump In *How the Tea Party Captured the GOP* Rachel Marie Blum offers a novel theory of political party factions framing them as miniature parties within parties Using this framework she demonstrates how fringe groups can leverage factions to increase their political influence in the American two party system In this richly researched book Blum uncovers how the electoral losses of 2008 sparked disgruntled Republicans to form the Tea Party faction and the strategies the Tea Party used to wage a systematic takeover of the Republican Party This book not only illuminates how the Tea Party achieved its influence but also provides a blueprint for identifying other factional insurgencies

Seeking the Promised Land David E. Campbell,John C. Green,J. Quin Monson,2014-07-31 Mormons have long had an outsized presence in American culture and politics but they remain largely unknown to most Americans Recent years have seen the political prominence of Mormons taken to a new level including the presidential candidacy of Republican Mitt

Romney the prominent involvement of Mormons in the campaign for California's Proposition 8 anti gay marriage and the ascendancy of Democrat Harry Reid to the position of Senate Majority Leader This book provides the most thorough examination ever written of Mormons place in the American political landscape what Mormons are like politically and how non Mormons respond to Mormon candidates However this is a book about more than Mormons As a religious subculture in a pluralistic society Mormons are a case study of how a religious group balances distinctiveness and assimilation a question faced by all faiths

The Evangelicals Frances FitzGerald, 2017-04-04 Initially a populist rebellion against the established Protestant churches evangelicalism became the dominant religious force in the country before the Civil War but the northerners and southerners split over the issue of slavery After the Civil War the northern evangelicals split eventually causing a conflict between fundamentalists and modernists Only after the Second World War would conservative evangelicalism gain momentum thanks in large part to Billy Graham's countrywide revivals FitzGerald shows how the conflict between religious conservatives and others led to national culture wars and a Southern Republican stronghold and how a new generation of evangelicals is challenging the Christian right by preaching social justice and the common good FitzGerald suggests that because evangelicals are splintering America the most religious of developed nations will eventually look more like secular Europe

Evangelicals and Immigration Ruth M. Melkonian-Hoover, Lyman A. Kellstedt, 2018-10-31 The topic of immigration is at the center of contemporary politics and from a scholarly perspective existing studies have documented that attitudes towards immigration have brought about changes in both partisanship and voting behavior However many scholars have missed or misconstrued the role of religion in this transformation particularly evangelical Protestant Christianity This book examines the historical and contemporary relationships between religion and immigration politics with a particularly in depth analysis of the fault lines within evangelicalism divisions not only between whites and non whites but also the increasingly consequential disconnect between elites and laity within white evangelicalism The book's empirical analysis relies on original interviews with Christian leaders data from original church surveys conducted by the authors and secondary analysis of several national public opinion surveys It concludes with suggestions for bridging the elite laity and racial divides Ruth M Melkonian Hoover Ph D Emory University is Chair and Professor of Political Science at Gordon College Massachusetts She has contributed chapters to *Faith in a Pluralist Age* 2018 and *Is the Good Book Good Enough* 2011 She has published in a wide range of journals including *Social Science Quarterly* *The Review of Faith International Affairs* *Latin American Perspectives* *Political Research Quarterly* *Comment* and *Capital Commentary* Lyman A Kellstedt Ph D University of Illinois is Professor of Political Science emeritus at Wheaton College Illinois He has authored or coauthored numerous articles book chapters and books in religion and politics including *Religion and the Culture Wars* 1996 *The Bully Pulpit* 1997 and *The Oxford Handbook of Religion and American Politics* 2009

Politics and Religion in the United States Michael Corbett, Julia Corbett-Hemeyer, J. Matthew Wilson, 2014-04-11 There is a complex relationship between religiosity and

secularism in the American experience America is notable both for its strict institutional separation of church and state and for the strong role that religion has played in its major social movements and ongoing political life This book seeks to illuminate for readers the dynamics underlying this seeming paradox and to examine how the various religious groups in America have approached and continue to approach the tensions between sacred and secular This much anticipated revision brings Corbett and Corbett's classic text fully up to date The second edition continues with a thorough discussion of historical origins of religion in political life constitutional matters public opinion and the most relevant groups all while taking theology seriously Revisions include fully updating all the public opinion data fuller incorporation of voting behavior among different religious and demographic groups enhanced discussion of minority religions such as Mormonism and Islam and new examples throughout

Trump, White Evangelical Christians, and American Politics Anand Edward Sokhey, Paul A. Djupe, 2024-03-05 In *Trump White Evangelical Christians and American Politics* political scientists Anand Edward Sokhey and Paul A Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians They argue that while this relationship which saw evangelicals supporting a famously unfaithful materialistic and irreligious candidate despite self defining in opposition to these characteristics prompted many to wonder if Trump himself transformed American evangelical religion in politics this alliance reflected both change and the outcome of dynamics that were in place or building for decades Contributors contextualize the Trump presidency within the story of religious demographic change the growth of politicized religion nationalistic religious expression and the ways religion and politics in the United States are enmeshed in the politics of race These investigations find that the idea of religious transformation is not accurate Instead the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life but these changes ultimately complemented and advanced an existing white evangelical strategy to increase political and social power as they became a demographic minority in the United States Taken together this collection reveals new insights for readers seeking to understand the religious dimensions of Trump's rise the reasons evangelicals become political activists and the multifaceted alliances between secular politicians and conservative religious subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis

[The Politics of Cultural Differences](#) David C. Leege, Kenneth D. Wald, Brian S. Krueger, Paul D. Mueller, 2009-01-10 How did Republicans manage to hold the White House through much of the past half century even as the Democratic Party held the hearts of most American voters The authors of this groundbreaking study argue that they did so by doing what Democrats have also excelled at triggering psychological mechanisms that deepen cultural divisions in the other party's coalition thereby leading many of its voters either to choose the opposing ticket or to stay home The Politics of

Cultural Differences is the first book to develop and carefully test a general theory of cultural politics in the United States one that offers a compelling new perspective on America's changing political order and political conflict in the post New Deal period 1960-1996 David Leege Kenneth Wald Brian Krueger and Paul Mueller move beyond existing scholarship by formulating a theory of campaign strategies that emphasizes cultural conflict regarding patriotism race gender and religion Drawing on National Election Studies data they find that Republican politicians deployed powerful symbols e.g. tax and spend liberals to channel targeted voters toward the minority party And as partisanship approached parity in the 1990s Democratic leaders proved as adept at deploying their own symbols such as a woman's right to choose to disassemble the Republican coalition A blend of sophisticated theory and advanced empirical tools this book lays bare the cultural dimensions of American political life

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis it has not been adequately studied within a comparative context across time across different institutional systems or across different religious communities In *Sojourners in the Wilderness* a host of distinguished scholars examine these dimensions of the Christian Right The contributors analyze the Christian Right historically what is its relationship today with earlier manifestations How have its organizational structures and strategies changed over time Sociologically what are the current opportunities for Christian Right inroads within African American Catholic and Jewish communities and politically what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context while such an affinity appears to be lacking in other political contexts All of those interested in religion's role in politics and history will find this book valuable

Faith in the Halls of Power D. Michael Lindsay, 2008-10-29 Evangelicals once at the periphery of American life now wield power in the White House and on Wall Street at Harvard and in Hollywood How have they reached the pinnacles of power in such a short time And what does this mean for evangelicals and for America Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D. Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they're doing with their clout Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot and from those lofty perches they have used their influence money and ideas to build up the evangelical movement and introduce it to wider American society They are leaders of powerful institutions and their goals are ambitious to bring Christian principles to bear on virtually every aspect of American life Along the way the book is packed with fascinating stories and striking insights Lindsay shows how evangelicals became a force in American foreign policy how Fortune 500 companies are becoming faith friendly and how the new generation of the faithful is led by cosmopolitan evangelicals These are well educated men and women who read both *The New York Times* and

Christianity Today and who are wary of the evangelical masses penchant for polarizing rhetoric apocalyptic pot boilers and bad Christian rock Perhaps most startling is the importance of personal relationships between leaders a quiet conversation after Bible study can have more impact than thousands of people marching in the streets Faith in the Halls of Power takes us inside the rarified world of the evangelical elite beyond the hysterical panic and chest thumping pride to give us the real story behind the evangelical ascendancy in America This important work should be required reading for anyone who wants to opine publicly on what American evangelicals are really up to Publishers Weekly Starred Review For people wanting an understanding of how evangelicals have acquired so much power money and influence in the past 30 years this is the ultimate insider s book Sojourners Magazine Anybody who wants to understand the nexus between God and power in modern America should start here The Economist Fascinating John Schmalzbauer Wall Street Journal

Religious Interests in Community Conflict Paul A. Djupe, Laura R. Olson, 2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of organized religious interests as they confront public problems in their local communities

Not Here, Not Now, Not That! Steven J. Tepper, 2011-07-15 In the late 1990s Angels in America Tony Kushner s epic play about homosexuality and AIDS in the Reagan era toured the country inspiring protests in a handful of cities while others received it warmly Why do people fight over some works of art but not others Not Here Not Now Not That examines a wide range of controversies over films books paintings sculptures clothing music and television in dozens of cities across the country to find out what turns personal offense into public protest What Steven J Tepper discovers is that these protests are always deeply rooted in local concerns Furthermore they are essential to the process of working out our differences in a civil society To explore the local nature of public protests in detail Tepper analyzes cases in seventy one cities including an in depth look at Atlanta in the late 1990s finding that debates there over memorials public artworks books and parades served as a way for Atlantans to develop a vision of the future at a time of rapid growth and change Eschewing simplistic narratives that reduce public protests to political maneuvering Not Here Not Now Not That at last provides the social context necessary to fully understand this fascinating phenomenon

The Enigmatic Realm of **Religion And The Culture Wars Dispatches From The Front**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Religion And The Culture Wars Dispatches From The Front Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion And The Culture Wars Dispatches From The Front free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion And The Culture Wars Dispatches From The Front free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion And The Culture Wars Dispatches From The Front free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion And The Culture Wars Dispatches From The Front. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion And The Culture Wars Dispatches From The Front any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion And The Culture Wars Dispatches From The Front Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And The Culture Wars Dispatches From The Front is one of the best book in our library for free trial. We provide copy of Religion And The Culture Wars Dispatches From The Front in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And The Culture Wars Dispatches From The Front. Where to download Religion And The Culture Wars Dispatches From The Front online for free? Are you looking for Religion And The Culture Wars Dispatches From The Front PDF? This is definitely going to save you time and cash in something you should think about.
