Religious Human Rights In Global Perspective Legal Perspectives:

Religious Human Rights in Global Perspective : Legal Perspectives Johan David Van der Vyver, John Witte, 1996-02-09 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University Religious Human Rights in Global Perspective Johan David Van der Vyver, John Witte, 1996 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University *Religious Human Rights in Global Perspective: Legal Perspectives* John Witte, 1996-02-09 **Religious Human Rights in Global Perspective** John Witte, 1996-02-08 Religious Human Rights in Global Perspective John (jurista) Witte, Johan David Van der Vyver, Van der Vyver, J. D., 1996-02-09 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University Religious Human Rights in Global Perspective Witte, John R. Witte, Johan D. van der Vyver, 1996 *Research Handbook on Law and Religion* Rex Ahdar, 2018-09-28 Offering an interdisciplinary international and philosophical perspective this comprehensive Research Handbook explores both perennial and recent legal issues that concern the modern state and its interaction with religious communities and individuals *New Approaches to the Study of Religion* Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Current Issues in Law and Religion Silvio Ferrari, 2017-07-05 This volume focuses on issues that have only recently come to the forefront of the discipline such as freedom from religion ordination of homosexuals apostasy security and fundamentalism issues that are linked to the common themes of secularism and globalization Although these subjects are not new to the academic debate they have become prominent in law and religion circles as a result of recent and rapid changes in society The essays in this volume present multiple points of view facilitate scholars in understanding this evolving

discipline and act as a stimulus for further research This collection gives the reader a sense of the key topics and current debates in law and religion and is of interest to law politics human rights and religion scholars *Religion, Law, and Freedom* Yahya Kamalipour, Joel Thierstein, 2000-09-30 Religion Law and Freedom A Global Perspective introduces readers to diverse perspectives on the interplay of religion law and communications freedom in different cultures around the world Through discussion and analysis of the religious mores and cultural values that a nation adheres to a greater understanding of that nation its laws and its freedoms can be cultivated Rather than suggesting that harmony can be achieved without conflict the essays in this volume seek to present the reader with a variety of perspectives from which to view and understand the relationships among religion law and freedom in various cultures This multifaceted analysis therefore helps readers draw their own conclusions as to the best way to resolve cultural conflict brought about by the growing global community The book consists of fifteen chapters authored or coauthored by 17 international scholars representing China Germany Israel Iran Japan Latvia Nigeria Singapore the United Kingdom and the United States The chapters are organized into four parts Perspectives on Eastern and Western Religions Press Freedom in Religious and Secular Societies Journalism Advertising and Ethical Issues and Religion Politics Media and Human Rights This important contribution will especially appeal to researchers and students in such fields as mass communications legal studies cultural studies political science religion intercultural communications international communications and journalism Weapon of Peace Nilay Saiya, 2018-08-23 Religious terrorism poses a significant challenge for many countries around the world Extremists who justify violence in God s name can be found in every religious tradition and attacks perpetrated by faith based militants have increased dramatically over the past three decades Given the reality of religious terrorism today it would seem counterintuitive that the best weapon against violent religious extremism would be for countries and societies to allow for the free practice of religion yet this is precisely what this book argues Weapon of Peace investigates the link between terrorism and the repression of religion both from a historical perspective and against contemporary developments in the Middle East and elsewhere Drawing upon a range of different case studies and quantitative data Saiya makes the case that the suppression and not the expression of religion leads to violence and extremism and that safeguarding religious freedom is both a moral and strategic imperative **Constitutional Law, Religion and Equal Liberty** Azin Tadjini, 2019-09-19 During the 20th century many countries embarked on a process of constitutional secularization by which the role of religion gradually became limited Yet by the late 20th century and increasingly following the end of the Cold War this development began to be challenged This book examines the return of religion in constitutions through the concept of constitutional de secularization It places this phenomenon in the context of the constitutional memory of the countries in which it has taken place and critically examines it against the development and standards of constitutionalism as the prevailing constitutional legal and political theory Central to this analysis is the impact of constitutional de secularization on the regulation of equality

in liberty that is both the regulation of constitutional rights and the scope for equality of those who are granted such rights The book argues that equal liberty forms an essential part of constitutionalism as a theory and that constitutionalism therefore entails a continuous development towards expanding it The first and second part of the book presents a conceptual framework for the study of constitutional de secularization The third part presents and analyses three cases of constitutional de secularization in Afghanistan Iran and Iraq The book will be of interest to researchers and policy makers interested in constitutional history and theory and the role of religion in law and its compatibility with human rights *Textual, Comparative, Sociological, and Cognitive Approaches* Peter Antes, Armin W. Geertz, Randi R. Warne, 2008-12-19 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline The Wiley Blackwell Companion to World Christianity Lamin Sanneh, Michael McClymond, 2016-03-24 The Wiley Blackwell Companion to World Christianity presents a collection of essays that explore a range of topics relating to the rise spread and influence of Christianity throughout the world Features contributions from renowned scholars of history and religion from around the world Addresses the origins and global expansion of Christianity over the course of two millennia Covers a wide range of themes relating to Christianity including women worship sacraments music visual arts architecture and many more Explores the development of Christian traditions over the past two centuries across several continents and the rise in secularization Finnish Yearbook of International Law, Volume 21, 2010 Jan Klabbers, 2012-12-05 The Finnish Yearbook of International Law aspires to honour and strengthen the Finnish tradition in international legal scholarship Open to contributions from all over the world and from all persuasions the Finnish Yearbook stands out as a forum for theoretically informed high quality publications on all aspects of public international law including the international relations law of the European Union The Finnish Yearbook publishes in depth articles and shorter notes commentaries on current developments book reviews and relevant overviews of Finland's state practice While firmly grounded in traditional legal scholarship it is open for new approaches to international law and for work of an interdisciplinary nature The Finnish Yearbook is published for the Ius Gentium Association the Finnish Society of International Law by Hart Publishing Earlier volumes may be obtained from Martinus Nijhoff an imprint of Brill Publishers Further information may be found at www.fybil.org INDIVIDUAL CHAPTERS Please click on the link below to purchase individual chapters from Volume 21 through Ingenta Connect www.ingentaconnect.com SUBSCRIPTION TO SERIES To place an annual online subscription or a print standing order through Hart Publishing please click on the link below Please note that any customers who have a standing order for the printed volumes will now be entitled to free online access www.ingentaconnect.com

hartjournals co uk fyil subs Secularization and the World Religions Hans Joas, Klaus Wiegandt, 2022-04-01 The question of religion its contemporary and future significance and its role in society and state is currently perceived as an urgent one by many and is widely discussed within the public sphere But it has also long been one of the core topics of the historically oriented social sciences The immense stock of knowledge furnished by the history of religion and religious studies theology sociology and history has to be introduced into the public conscience today This can promote greater awareness of the contemporary global religious situation and its links with politics and economics and counter rash syntheses such as the clash of civilizations This volume is concerned with the connections between religions and the social world and with the extent limits and future of secularization The first part deals with major religious traditions and their explicit or implicit ideas about the individual social and political order The second part gives an overview of the religious situation in important geographical areas Additional contributions analyze the legal organization of the relationship between state and religion in a global perspective and the role of the natural sciences in the process of secularization The contributors are internationally renowned scholars like Winfried Brugger Jos Casanova Friedrich Wilhelm Graf Hans Joas Hans G Kippenberg Gudrun Kr mer David Martin Eckart Otto and Rudolf Wagner **When Law and Religion Meet** April L. Bogle, Ginger Pyron, 2007-10-25

Law Religion Do they have anything to say to each other If so what and toward what end And is the notion of productive dialogue between these two fields not surprising but essential Long considered unlikely bedfellows at best and at worst outright opponents law and religion have been meeting in significant ways thanks to the seminal and ongoing work of Emory University s Center for the Study of Law and Religion CSLR where scholars worldwide come together for this express purpose Neither belligerently butting heads nor cozying up for a t t e t e representatives of these two disciplines are daring to look at the big questions that bridge their domains and are daring to propose ways of working together These encounters go way beyond verbal sparring and schmoozing Joining the ranks of law and religion professors at CSLR conferences are the leaders of major religions in the U S Judaism Islam and multifaceted Christianity along with psychologists sociologists biologists and policy makers Commemorating CSLR s twenty fifth anniversary When Law and Religion Meet traces what motivated the Center s beginnings what has impelled its work over the last quarter century and what fuels the trajectory of law and religion both separately and together as they continue in productive dialogue This pithy illustrated volume is one that a wide range of readers will want to skim explore and return to **Islam, the West, and Tolerance A.**

Tyler, 2008-04-14 This book provides an honest assessment of the contemporary relationship between Western and Islamic cultures and puts forth the cross cultural idea of tolerance as one invaluable approach for affecting peaceful coexistence

Human Rights, the UN and the Bahá'ís in Iran Nazila Ghanea-Hercock, 2021-10-25 This book provides the first comprehensive assessment of the contribution of the United Nations to the human rights situation of the Bah s in Iran It does this by examining the theoretical legal institutional and political dimensions of this issue in detail The situation of the Bah

community in Iran between 1979 and 2002 provides a particularly good test case for the international community due to its clarity. By giving attention to a singular case within a discrete time frame, this book is able to effectively examine the impact of UN human rights protection. Attention is given in this study to the clash between religion and human rights, the protection of freedom of religion or belief in international law, the workings of UN human rights charter based and treaty bodies and their various mechanisms and recommendations for the resolution of the Baha'i human rights situation in Iran. Global Labor and Employment Law for the Practicing Lawyer Samuel Estreicher, Andrew P. Morris, 2010-09-28. In recognition of the growing importance of global labour and employment law, the Center for Labor and Employment Law at New York University School of Law dedicated its 61st Annual Conference on Labor to an in depth examination of issues arising in this area. This volume of the proceedings of the 2008 conference contains papers presented at that meeting, all here updated to reflect recent developments as well as additional contributions from other practitioners and academics with extensive knowledge and experience in the field. Experts from both the practicing bar and academia, twenty seven in all, use their unique strengths to address issues worthy of concern in each juridical realm. An unusual feature of this volume in the series is its in depth attention to comparative law in the field, with exploration of developments in China, France and New Zealand as well as in European Union law. As always, this annual conference captures valuable insights and syntheses of central labour and employment law issues and will be of great value to practitioners and academics in the field.
