The American Scene Robert D. Marcus, David Burner, 1971

The Reluctant Voyagers Stephen Crane, 2013-01-17 Two men sat by the sea waves Well I know I m not handsome said one gloomily He was poking holes in the sand with a discontented cane The companion was watching the waves play He seemed overcome with perspiring discomfort as a man who is resolved to set another man right Suddenly his mouth turned into a straight line To be sure you are not he cried vehemently You look like thunder I do not desire to be unpleasant but I must assure you that your freckled skin continually reminds spectators of white wall paper with gilt roses on it The top of your head looks like a little wooden plate And your figure heavens For a time they were silent They stared at the waves that purred near their feet like sleepy sea kittens

The Reluctant Voyagers Stephen Crane, 2015-01-19 As they neared the dock something seemed suddenly to occur to the freckled man Great heavens he murmured He stared at the approaching shore My what a plight Tommy he quavered Do you think so spoke up the tall man Why I really thought you liked it He laughed in a hard voice Lord what a figure you ll cut This laugh jarred the freckled man s soul He became mad Thunderation turn the boat around he roared Turn er round quick Man alive we can t turn er round d ye hear The tall man in the stern gazed at his companion with glowing eyes Certainly not he said We re going on You insisted Upon it He began to prod his companion with words The freckled man stood up and waved his arms Sit down said the tall man You ll tip the boat over The other man began to shout Sit down said the tall man again Words bubbled from the freckled man s mouth There was a little torrent of sentences that almost choked him And he protested passionately with his hands But the boat went on to the shadow of the docks The tall man was intent upon balancing it as it rocked dangerously during his comrade s oration Sit down he continually repeated I won t raged the freckled man I won t do anything The boat wobbled with these words

Cultural Orphans in America Diana Loercher Pazicky,2008-10-01 Images of orphanhood have pervaded American fiction since the colonial period Common in British literature the orphan figure in American texts serves a unique cultural purpose representing marginalized racial ethnic and religious groups that have been scapegoated by the dominant culture Among these groups are the Native Americans the African Americans immigrants and Catholics In keeping with their ideological function images of orphanhood occur within the context of family metaphors in which children represent those who belong to the family or the dominant culture and orphans represent those who are excluded from it In short the family as an institution provides the symbolic stage on which the drama of American identity formation is played out Applying aspects of psychoanalytic theory that pertain to identity formation specifically Ren Girard s theory of the scapegoat Cultural Orphans in America examines the orphan trope in early American texts and the antebellum nineteenth century American novel as a reaction to the social upheaval and internal tensions generated by three major episodes in American history the Great Migration the American Revolution and the rise of the republic In Puritan religious texts and Anne Bradstreet s poetry orphan imagery expresses the doubt and uncertainty that shrouded the mission to the New World During the Revolutionary and post Revolutionary periods the separation of the colony from England inspired an identification with orphanhood in Thomas Paine s writings and novels by Charles Brockden Brown and James Fenimore Cooper encode in orphan imagery the distinction between Native Americans

and the new Americans who have usurped their position as children of the land In women s sentimental fiction of the 1850s images of orphanhood mirror class and ethnic conflict and Uncle Tom s Cabin like Frederick Douglass s autobiographies employs orphan imagery to suggest the slave s orphanhood from the human as well as the national family **Delphi**
