Reluctant Wizard:

The Reluctant Wizard A. A. Warne, 2023-08-13 By day wizards rule the world At night warlocks seek to destroy it Now one boy will challenge them both Eli never wanted to be a rebel Stuck in a ongoing war between the wizards and the warlocks the community often went hungry homeless and helpless and Eli wants to put a stop to that Traveling to the wizardry academy Terra Magicae Eli finds himself in the mysterious land of the wizards Full of lush landscapes and magical marvels Terra Magicae is more wondrous than he could ever imagine and more dangerous At first his struggles to fit in seem ordinary But the more he questions the wizards the more he suspects a sinister purpose behind their bizarre rules and tests For a dark secret lies at the heart of this mystical land one so terrible it threatens not only the students at the Academy but the lives of everyone Eli loves To save them all Eli must step into the midst of the battle between the wizards and warlocks and defy both sides He must become the rebel he was always meant to be Reluctant Wizard James Eggebeen, 2015-08-06 Pugnalitharan is an old farmer who lives on the land where the magic citadel used to float He is a direct descendant of the line of wizard but is a non believer He tried to use magic to save his wife but it didn t work and he is angry about it He meets a young woman who asks for his help calling him a wizard He despises her but when the barbarians come to town she is his only hope He tends to be a bit grumpy and provincial but very family oriented Reluctant Wizard Jeffe Kennedy, 2024-08-27 Only in an insane world would a young wizard find herself battling monsters and automatons one day and returning to Convocation Academy to cram for finals the next But this is the world Alise Phel lives in Like it or not Alise must face the consequences of ditching out a second time and dealing with the crushing workload assigned to her as a punishment Worse yet succeeding at the Academy means Alise must learn to master her powerful and unusual magic the same magic that caused her to accidentally murder her own mother But graduating is her only way to protect the family she has left and perhaps save the Convocation itself Cillian Harahel is a wizard of the mind An archivist A disciplined thinker Thus he absolutely cannot be in love with Alise Phel Apart from the fact that he is faculty and she s a student one destined for far more greatness than a lowly librarian like him the provost has told him in no uncertain terms that Alise is off limits which would be much more of a problem if Alise actually remembered he was alive Cillian has resigned himself to being Alise s friend and mentor but when she cuts off even that much contact in the coldest way possible he suspects that darker forces than either of them imagined are haunting her Alise has made it clear she wants nothing to do with him but how can he abandon her to the demons clawing at her from her House's enemies to the doubts plaguing her own heart Reluctant Wizard Jeffe Kennedy, 2024-08-25 Only in an insane world would a young wizard find herself battling monsters and automatons one day and returning to Convocation Academy to cram for finals the next But this is the world Alise Phel lives in Like it or not Alise must face the consequences of ditching out a second time and dealing with the crushing workload assigned to her as a punishment Worse yet succeeding at the Academy means Alise must learn to master her powerful and
