Rembrandt the Rocker Sonny Brewer, 1994-08 Rembrandt is an old rocking chair that is retired but after lulling the new baby Elsie to sleep is brought out again to his spot by the fireplace

Communalism as a Democratic Repertoire Gaard Kets, Mathijs van de Sande, 2025-07-22 In the 72 days of its existence the Paris Commune of 1871 was a political and social laboratory where Parisians would experiment with radically democratic urban self government Various radical theorists and traditions have claimed the Commune as their own from the well known account of Karl Marx and Lenin's State and Revolution to the anarchists Mikhail Bakunin or Peter Kropotkin and from the council communists in Germany around the end of the Great War to the soixante huitards in France In Communalism as a Democratic Repertoire Gaard Kets and Mathijs van de Sande bring together historians sociologists political scientists theorists and philosophers to reconstruct how the Commune has continued to serve as a source of inspiration to different movements and tendencies throughout the past 150 years and how communalist thought and practices help us reimagine what radical democracy may look like today Divided into three parts contributors begin by exploring how the Paris Commune shaped political debates and influenced various theoretical oeuvres as well as political practices Part II develops communalist ideas or strategies in a contemporary context Part III sheds light on three different contemporary communalist practices in the Middle East Europe North America and Latin America Bridging the gap between historical and theoretical accounts of the Commune this book will be enlightening for students of democracy and a valuable resource to scholars and activists interested in the problems and possibilities facing democracy today

The Poet of Tolstoy Park Sonny Brewer, 2006-03-28 The more you transform your life from the material to the spiritual domain the less you become afraid of death Leo Tolstoy spoke these words and they became Henry Stuart's raison d'être *The Poet of Tolstoy Park* is the unforgettable novel based on the true story of Henry Stuart's life which was reclaimed from his doctor's belief that he would not live another year Henry responds to the news by slogging home barefoot in the rain It's 1925 The place Canyon County Idaho Henry is sixty seven a retired professor and a widower who has been told a warmer climate would make the end more tolerable San Diego would be a good choice Instead Henry chose Fairhope Alabama a town with utopian ideals and a haven for strong minded individualists Upton Sinclair Sherwood Anderson and Clarence Darrow were among its inhabitants Henry bought his own ten acres of piney woods outside Fairhope Before dying underscored by the writings of his beloved Tolstoy Henry could begin to perfect the soul awarded him and rest in the faith that he and all people would succeed even if it took eons Human existence Henry believed continues in a perfect circle unmarred by flaws of personality irrespective of blood and possessions and rank and separate from organized religion In Alabama until his final breath he would chase these high ideas But first Henry had to answer up for leaving Idaho Henry's dearest friend and intellectual sparring partner Pastor Will Webb and Henry's two adult sons Thomas and Harvey were baffled and angry that he would abandon them and move to the Deep South living in a barn there while he built a round

house of handmade concrete blocks His new neighbors were perplexed by his eccentric behavior as well On the coldest day of winter he was barefoot a philosopher and poet with ideas and words to share with anyone who would listen And mysteriously his last few months became years He had gone looking for a place to learn lessons in dying and studiously advanced to claim a vigorous new life The Poet of Tolstoy Park is a moving and irresistible story a guidebook of the mind and spirit that lays hold of the heart Henry Stuart points the way through life s puzzles for all of us becoming in this timeless tale a character of such dimension that he seems more alive now than ever Rembrandt's Reading Amy Golahny,2003 Though Rembrandt s study of the Bible has long been recognized his interest in secular literature has been relatively neglected In this volume Amy Golahny uses a 1656 inventory to reconstruct Rembrandt s library discovering anew how his reading of history contributed to his creative process In the end Golahny places Rembrandt in the learned vernacular culture of seventeenth century Holland painting a picture of a pragmatic reader whose attention to historical texts strengthened his rivalry with Rubens for visual drama and narrative erudition *The Television Treasury* Vincent Terrace,2020-06-12 The first and only of its kind this book is a straightforward listing of more than 25 000 trivia facts from 2 498 TV series aired between 1947 and 2019 Organized by topic trivia facts include everything from home addresses of characters to names of pets and jobs that characters worked Featured programs include popular shows like The Big Bang Theory and Friends and more obscure programs like A Date with Judy or My Friend Irma Included is an alphabetical program index that lists trivia facts grouped by series **The Bookman's Journal with which is Incorporated The Print Collector** ,1924 **The Bookman's Journal and Print Collector** Wilfred Partington,1924 The Triumph of Vulgarity Robert Pattison,1987 In this thinker s guide to rock and roll Robert Pattison contends that rock music mirrors the tradition of 19th century Romanticism The music is vulgar he notes and vulgarity is something that high culture has long despised but rarely bothered to define This book is the first effort since John Ruskin and Aldous Huxley to describe in depth what vulgarity is and how with the help of ideas inherent in Romanticism it has slipped the constraints imposed on it by refined culture and established its own loud arts Practical Guide to Print Collecting Ann Buchsbaum,1975 Bookman's Journal with which is Incorporated the Print Collector ,1924 V 1 3 include Bibliographies of modern authors by Henry Danielson *Practical Guide to Etching and Other Intaglio Printmaking Techniques* Manly Banister,1986-01-01 Detailed illustrated instruction in etching engraving aquatint drypoint mezzotint from preparing plate to mounting print No better guide for beginners **Learning from Henri Nouwen and Vincent van Gogh** Carol A.
