Birkner,2001-02-28 Richard P McCormick made his mark as an innovative student of American party politics as well as the most influential interpreter of New Jersey history A distinguished teacher scholar and public historian McCormick revitalized a venerable but dormant state historical society Later he used notable anniversaries such as the Bicentennial of the American Revolution and the Tercentenary of New Jersey s founding as vehicles to bring history to schools and the general public He

also helped create a state historical agency the New Jersey Historical Commission to promote New Jersey's past and preserve its historic treasures Birkner describes McCormick's life and times He looks at McCormick's scholarly apprenticeship the origins of his interest in a new political history and his contributions to the study of American politics before the Civil War McCormick's concern for elucidating political machinery was fused with a fundamental skepticism about American democracy as run by and for the people Through use of oral history McCormick tells his own story Then through their exchanges Birkner challenges some of McCormick's scholarly arguments and elicits responses that help to shed light on his subject's theory of politics

A Pastor's Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley, 2021-10-29

David Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands
