Flowers From The Withering Garden Trent Chess,2011-02-04 This book of poetry is from the view of the world through my eyes and no other I have always looked to the darker nature of life and the souls of men I have always written on the

thoughts of life and death as these things are the constant in the lives of men I began writing poetry shortly after the death of my mother in 1987 but it was not until recent years that I cultivated my work into what it has become today If I can compel one person to think about what was read then I have achieved something Most of my poems are ambiguous and will leave their meanings to the mind of the reader **Our Paper** ,1912 **The Art of Devotion** Samantha

Bruce-Benjamin,2010-06-08 In the tradition of bestselling authors Ian McEwan and Anne Enright Samantha Bruce Benjamin's brilliant and timeless debut unveils the dark side of human nature as four women share the poignant tale of love obsession and ultimate betrayal that binds them forever Have we all not wished to keep forever the one person we love the most The secluded beaches of a sun drenched Mediterranean island are the perfect playground for young Sebastian and Adora Emotionally adrift from their mother Adora shelters her sensitive older brother from the cruelties of the world Sophie does not question her children's intense need for one another until it's too late Her beloved son's affections belong to Adora and when he drowns in the sea she has no one else to blame Still heartbroken years later Adora fills her emptiness with Genevieve the precocious young daughter of her husband's business associate and his jealous wife Miranda Thrilled to be invited into the beautiful and enigmatic Adora's world the child idolizes her during their summers together Yet as the years progress Genevieve begins to suspect their charmed existence is nothing more than a carefully crafted illusion Soon she too is ensnared in a web of lies Stunningly told in the tragic voices of four women whose lives are fatefully entangled The Art of Devotion is evocative and haunting a story of deceit jealousy and the heartbreaking reality of love's true power **The Comma Sutra** Kanaan,2003-11 An autobiographical story that picks up where Literati ends The Comma Sutra is about the art of saying goodbye to things that no longer serve us giving ourselves permission to become our highest dreams and letting true love make us whole again Dreaming Bear believes our souls originate from the silent nothingness of experiences that leave us with an utter sense of wordlessness a moment symbolized by the comma These are the moments that make us drop our jaws in awe at the sheer enormity of what is happening moments of brilliance mistakes tragedy beauty rage and tranquility Regardless of how many words we speak to one another they all somehow eventually become lost in the silence The Comma Sutra explores those wordless moments in which true enlightenment is born **Choices** Stephanie
