Missing in Toscana Alice Heard Williams, 2008-04-29 Emma felt herself perspiring dizzy her heart pounding as she was dragged along She stumbled blind with the covering over her head not sure what her footing was nor where she was being taken Desperately trying to take note of her surroundings she counted twenty footsteps then felt something hard underfoot as the hands grasping her arms shoved her in an abrupt turn to the left That meant they had left the gallery where the Piero della Francescas were displayed for the corridor Her entire body trembled with fright Alice Heard Williams has done it again The heroine of *Pensione Anastasia* American Emma Darling now an art history teacher at a girls school in London leads her students to Tuscany to follow the Piero Trail looking at paintings by Piero della Francesca They quickly become witnesses to an art heist kidnapping and threats of bodily harm Emma almost loses her heart to the charming brown eyed Italian Inspector Luigi Rovere but her friend Dr Sam MacGregor arrives from Scotland to restore calm and balance along with help in recovery of the missing masterpiece A must read for those who love mystery and art and have been captured by the response to great paintings in Alice Heard Williams previous works [Doctors and Medicine in Early Renaissance Florence](#) Katharine Park, 2014-07-14 Katharine Park has written a social intellectual and institutional history of medicine in Florence during the century after the Black Death of 1348 Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
