Remembering the Christian Past Robert Louis Wilken, 1995 Prompting readers to reacquaint themselves with forgotten aspects of Christian tradition this collection of essays points out the importance of remembering the enduring truths of the faith

Christians Remember Your Past Lives Learn How Douglas Casimiri, 2013-07-23 This book teaches you how to become a Certified Past life Regression Facilitator Where your interest is for fun self improvement a new career or practice you will find the information contained in this book fascinating and life changing Who were you in your past life What personality traits did you bring forward into this lifetime Christians will especially find this book fascinating as it allows them to follow Jesus and his belief in reincarnation Did you know Reincarnation was part of the early Christian belief system for almost 300 years until the Church removed reincarnation from the Bible then eliminated anyone who didnt follow this strict revised doctrine as set forth by the Church Interesting note some Biblical scholars believe that Jesus is the reincarnate of Buddha who was the reincarnate of Kristina Backed up with indisputable historical assumptions A must read for anyone who strives for the truth about Christianitys original teachings

Recycling the Past or Researching History? Philip E. Thompson, Anthony R. Cross, 2007-10-01 Recycling the Past or Researching History brings together an international group of Baptist scholars who explore various issues in Baptist historiography and myths Contributors examine and re examine areas of Baptist life and thought about which either little is known or the received wisdom is in need of revision Historiographical studies include the date Oxford Baptists joined the Abingdon Association the death of the Fifth Monarchist John Pendarves eighteenth century Calvinistic Baptists and the political realm confessional identity and denominational institutions Baptist community ecclesiology the priesthood of all believers soteriology Baptist spirituality Strict and Reformed Baptists the role of women among British Baptists while various myths challenged include the nature of high Calvinism in eighteenth century England baptismal anti sacramentalism episcopacy and Baptists and change The common theme tying these studies together is that research into Baptist history should deal with the primary sources and not as has too often been the case rely uncritically on the scholarship of previous generations

Memory and Remembering in Early Irish Literature Sarah Künzler, 2023-12-04 Ireland possesses an early and exceptionally rich medieval vernacular tradition in which memory plays a key role What attitudes to remembering and forgetting are expressed in secular early Irish texts How do the texts conceptualise the past and what does this conceptualisation tell us about the present and future Who mediates and validates different versions of the past and how is future remembrance guaranteed This study approaches such questions through close readings of individual texts It centres on three major aspects of medieval Irish memory culture places and landscapes the provision of information about the past by miraculously old eye witnesses and the personal social and cultural impact of forgetting The discussions shed light on the relationship between memory and forgetting and explore the connections between the past present and future This shows the fascinating spatio temporal identity constructions in medieval Ireland

and links the Irish texts to the broader European world The monograph makes this rich literary sources available to an interdisciplinary audience and is of interest to both a general medievalist audience and those working in Cultural Memory Studies

Keller, Andrew Shutes-David, 2009-01-01 Remembering the Future is a collection of poems essays and interviews that ask readers to see their world with double vision to imagine the redemptive consequences of engaging the world with a fastidious awareness of both the biblical tradition and the cultural moment Remembering the Future is gathered from the first years of The Other Journal an online quarterly positioned at the intersection of theology and culture The Other Journal examines theology with fresh eyes probing faith with passion authenticity and creativity and this anthology represents the highlights of that endeavor including content from some of the most important voices in the field of theology today Remembering the Future offers readers an engaging thought provoking picture of what sound theological thinking can and must offer today s Christians giving witness to Christ in our contemporary cultural landscape

The Lutheran Confessions Charles P. Arand, James Arne Nestingen, 2012-04 In this important new volume Arand Kolb and Nestingen bring the fruit of an entire generation of scholarship to bear on these documents making it an essential and up to date class text The Lutheran Confessions places the documents solidly within their political social ecclesiastical and theological contexts relating them to the world in which they took place Though the book is not a theology of the Confessions readers will clearly understand the issues at stake in the narratives both in their own time and in ours

Reading Scripture with the Church Fathers Christopher A. Hall, 2009-08-20 Christopher Hall shows that studying the writings of the leaders of the early church reveals how the Bible was understood in the centuries closest to its writing He also lays out how modern Christians can benefit from patristic interpretation of Scripture

Theories of Social Remembering Barbara Misztal, 2003-07-16 brilliant an impressive tour de force Network Why does collective memory matter How is social memory generated maintained and reproduced How do we explain changes in the content and role of collective memory Through a synthesis of old and new theories of social remembering this book provides the first comprehensive overview of the sociology of memory This rapidly expanding field explores how representations of the past are generated maintained and reproduced through texts images sites rituals and experiences The main aim of the book is to show to what extent the

investigation of memory challenges sociological understandings of the formation of social identities and conflicts. It illustrates the new status of memory in contemporary societies by examining the complex relationships between memory and commemoration, memory and identity, memory and trauma, and memory and justice. The book consists of six chapters with the first three devoted to conceptualising the process of remembering by analyzing memory's function, status, and history, as well as by locating the study of memory in a broader field of social science. The second part of the book directly explores and discusses theories and studies of social remembering. After a short conclusion which argues that study of collective memory is an important part of any examination of contemporary society, the glossary offers a concise and up-to-date overview of the development of relevant theoretical concepts. The result is an essential text for undergraduate courses in social theory, the sociology of memory, and a wider audience in cultural studies, history, and politics.

Reading the Gospels as Christian Scripture (Reading Christian Scripture) Joshua W. Jipp, 2024-03-19. This survey textbook offers an accessible introduction to the four Gospels in their literary, canonical, and theological contexts. In part 1, respected New Testament scholar Joshua Jipp focuses on these two questions: What are the Gospels? How did we get four canonical Gospels? In part 2, Jipp explores the role that history, narrative, and theology play in our reading of the Gospels. Part 3 examines each of the four canonical Gospels from the perspectives of history, narrative, and theology, particularly emphasizing the role the Gospels play in discipleship. This is the third volume in a series of survey textbooks that will cover the Old and New Testaments. Beautifully designed in full color with maps, sidebars, images, and illustrations to hold interest and aid learning, *Reading the Gospels as Christian Scripture* offers a faith-friendly introduction to students of the Gospels. Additional resources for instructors are available through Textbook eSources.

Resurrection Remembered David Graeg, 2024-03-26. This book is the first major study to investigate Jesus' resurrection using a memory approach. It develops the logic for and the methodology of a memory approach, including that there were about two decades between the events surrounding Jesus' resurrection and the recording of those events in *First Corinthians*. The memory of those events was frequently rehearsed, perhaps weekly. The transmission of the oral tradition occurred in various ways, including the overlooked fourth model: formal, uncontrolled. Consideration is given to an examination of the philosophy and psychology of memory, including past and new research on: 1) the constructive nature of memory, 2) social memory, 3) transience, 4) memory distortion, 5) false memories, 6) the social contagion of memory, and 7) flashbulb memory. In addition, this is the first New Testament study to consider the insights for a memory approach from the philosophical considerations of 1) forgetting and 2) the theories of remembering, and from the psychological studies on 1) memory conformity, 2) memory and age, and 3) the effects of health on memory. It is argued that Paul remembers Jesus as having been resurrected with a transformed physical body. Furthermore, the centrality of Jesus' resurrection in Paul's theology suggests it was a deeply embedded memory of primary importance to the social identity of the early Christian communities. New Testament scholars and students will want to take note of how this work advances the discussion in historical Jesus

studies The broader Christian audience will also find the apologetic implications of interest **Irenaeus of Sirmium and His Story in the Medieval East and West** Marijana Vuković,2023-12-01 The study of hagiographies has generally been focused on the more prominent saints of late antiquity and the Middle Ages who inspired significant and long lasting veneration However this has caused many less well known saints to be pushed aside and forgotten This book is a study into one such saint Irenaeus a martyr who was killed in 304 CE in Sirmium Pannonia His short lived cult his feast day and the account of his martyrdom which had been translated into Latin Greek Old Slavonic Georgian and Armenian had all been forgotten during the Middle Ages This book examines Irenaeus of Sirmium s life cult sainthood and eventual disappearance from the memory of medieval Christendom in the context of a wider study on the memory of those less well known saints who like Irenaeus became neglected and eventually forgotten Irenaeus of Sirmium and His Story in the Medieval East and West will be of interest to scholars and students alike interested in hagiography medieval literature and history as well as all those interested in the religious history of Byzantium medieval Europe and the Slavic world **The Myth of Christian**

Beginnings Robert L. Wilken,2009-05-04 In this challenging and vividly written book Dr Wilken shows that there never was a golden age in the Christian past Christian hope did not come to fulfillment in the age of apostles nor in the time of Constantine nor in the Middle Ages nor during the Reformation nor in the revivals of the 19th century nor in the movements of renewal in our own time The history of Christianity is a story of imperfection and fragmentation but also a history of hoping and striving for an end that cannot be seen yet bears on the present With lively examples from the Christian past Wilken shows that change has been an abiding feature of Christian tradition Often those who proposed new ways of thinking and acted in unexpected ways turned out to be more faithful than those who repeated the old formulas As much as the past may give specificity and concreteness to renewal in the present Christian hope is set on things that are yet to be

Remembering the Past, Educating for the Present and the Future Samuel Totten,2002-10-30 This collection is comprised of essays about Holocaust education by a diverse group of educators involved primarily at the secondary level of schooling grades 7-12 In their essays the contributors relate the genesis of their interest in the Holocaust and the evolution of their educative efforts There is a critical need to teach about the Holocaust in a pedagogically sound and historically accurate manner This group of essays recounts the motivation of educators teaching primarily at the secondary level grades 7 to 12 recounting their efforts to gain an ever deepening knowledge about the Holocaust their initial efforts to teach about it their on going teaching efforts and the changes they have made along the way and their involvement in curriculum development staff development and other outreach projects Various authors also include the insights and reactions of their students to the material *Remembering Jesus* Allen Verhey,2005-06-14 In the past decade many Christians have embraced the What Would Jesus Do campaign which encourages them to base their decisions and actions on this question In *Remembering Jesus* the book that promises to be his magnum opus Allen Verhey takes a serious look at what Jesus really said and did and applies

it to contemporary Christian ethics Verhey asserts that following Jesus requires remembering him and in order to do this Christians must read and understand Scripture where the memory of Jesus is found By remembering Jesus this book contributes to the effort of Christians to discern the shape and style of life worthy of the gospel More specifically this book displays the implications of Christian integrity for sexual medical economic and political ethics seeking to understand what Jesus would really have to say about these issues today While suitable for pastors and general readers looking for biblically based instruction on practical living this superb work also makes an ideal text for courses on Christian ethics

Seasons of Worship Steven D. Brooks, 2024-01-11 *Seasons of Worship A Spiritual Calendar for the Church Today* emphasizes the transformative power of observing the Christian year It provides an overview of the key components of the Christian year along with their biblical historical and theological foundations The book offers practical resources to aid in planning programming and implementing worship opportunities based on the Christian year enriching the corporate worship experiences of congregations and fostering spiritual growth among worshipers

Postmodern, Marxist, and Christian Historical Novels Lynne W. Hinojosa, 2022-06-15 *Postmodern Marxist and Christian Historical Novels Hope and the Burdens of History* argues historical novels can help readers receive the burdens of history meaning both the burdens of the past present and future and the burden of living in time and develop a more robust conception of and concrete practice of hope Since the 1960s historical novels have been a dominant literary genre but they have been influenced primarily not by Christian but by postmodern and marxist thinkers and writers This book provides a theological and literary analysis of all three types of historical novels postmodern marxist and Christian and outlines what each school of thought can learn from each other regarding historical understanding and hope Using J rgen Moltmann s theology of hope and Frank Kermode s literary criticism as a theoretical basis the book offers readings of novels by Julian Barnes A S Byatt Kazuo Ishiguro Margaret Atwood Michael Ondaatje Ian McEwan and Ursula LeGuin among others and ends with an extended analysis of Marilynne Robinson s Gilead series

Christian Identity Borght, 2008-07-31 In this age of globalization a need for a communicative explanation of personal and group positions also motivates Christians to describe more precisely their identity in relation to other actors in society What makes a Christian a Christian What is specifically Christian in social actions or political calling Is there a difference between Christian justice and justice in general and the way Christians deal with justice What is our calling as Christians The contributions in this volume are the result of the 6th biannual IRTI conference in Seoul 2005 on this theme

Christian Identity International Reformed Theological Institute. International Conference, 2008 The volume offers contributions reflecting the understanding of Christian identity in the midst of changing cultural socio economic political and religious context in a globalized world
