Remembering The Farm Memories Of Farming Ranching And Rural Life In Canada:

Remembering the Farm Allan Anderson, 1979 *Remembering the Farm* Allan Anderson, 1979-01-01 **Homesteading and Stump Farming on the West Coast 1880-1930** Barbara Ann Lambert, 2015-12-02 Imagine obtaining one hundred and sixty acres of land for FREE Then comes the real payment the sweat and toil of living in a remote wilderness and clearing a landscape where the stumps left behind are so large and so numerous the best bet is to use dynamite to remove them Beginning in 1859 such homesteading typified the arrival of white settlers in British Columbia The Land Act set out rules by which British subjects could for agricultural purposes only pre-empt land Along the Upper Sunshine Coast of those who took up the challenge only some succeeded in carving a life out of this wild land while many failed Through prodigious research and the careful cultivation of interviews Barbara Ann Lambert tells the stories of those resourceful arrivals Employing the day journals of homesteaders and interviews with their descendants Lambert conveys the rich history of the Sunshine Coast From Saltery Bay to Lund she evokes the struggles and triumphs of those who once lived in this place Lambert calls paradise

Remembering the Farm Allan Anderson, 1977 *And on that Farm He Had a Wife* Monda M. Halpern, 2001 Focusing on white Anglo Protestant farm women in southern and southwestern Ontario Monda Halpern argues that many Ontario farm women were indeed feminist and that this feminism was more progressive than their conservative image has suggested In *And On That Farm He Had a Wife* Halpern demonstrates that Ontario farm women adhered to social feminism a feminism that focused on values and experiences associated with women and that emphasized the differences between women and men promoting female specificity solidarity and separatism These principles were informed by farm women's overlapping roles as wives and unpaid farm labourers **Changing Women, Changing History** Diana Lynn Pedersen, 1996 *Changing Women Changing History* is a bibliographic guide to the scholarship both English and French on Canadian women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive

Growing Up Neil Sutherland, 1997-01-01 By laying out the structure of children's lives and their childhood experiences in such settings as the home the classroom the church and on streets and in the playground the author describes how English Canadian children grew up in modern Canada *The Agrarian History of Sweden* Janken Myrdal, Mats Morell, 2011-01-07 Comprehensive and concise this account details the agrarian history of Sweden as it is defined by its present national borders from the Neolithic times to present day Key historical concepts and events are discussed including the introduction of planned agriculture alongside the domestication of animals the feudal relationships and interactions between men and women various age groups and different social classes during the Middle Ages the changes brought about by industrialism and the development of political democracy the effects of World Wars I and II and Sweden's inclusion in the European Union in 1995 This study also examines the interdependence between agriculture and other industries as well as the relationship between agriculture and politics on a local regional national and international level *The Dominion of Youth* Cynthia

Comacchio,2008-10-08 Adolescence like childhood is more than a biologically defined life stage it is also a sociohistorical construction The meaning and experience of adolescence are reformulated according to societal needs evolving scientific precepts and national aspirations relative to historic conditions Although adolescence was by no means a discovery of the early twentieth century it did assume an identifiably modern form during the years between the Great War and 1950 The Dominion of Youth Adolescence and the Making of Modern Canada 1920 to 1950 captures what it meant for young Canadians to inhabit this liminal stage of life within the context of a young nation caught up in the self formation and historic transformation that would make modern Canada Because the young at this time were seen paradoxically as both the hope of the nation and the source of its possible degeneration new policies and institutions were developed to deal with the problem of youth This history considers how young Canadians made the transition to adulthood during a period that was developmental both for youth and for a nation also working toward individuation During the years considered here those who occupied this dominion of youth would see their experiences more clearly demarcated by generation and culture than ever before With this book Cynthia Comacchio offers the first detailed study of adolescence in early twentieth century Canada and demonstrates how young Canadians of the period became the nation s first modern teenagers **Strangers in the House**

Candace Savage,2019-09-24 A renowned author investigates the dark and shocking history of her prairie house When researching the first occupant of her Saskatoon home Candace Savage discovers a family more fascinating and heartbreaking than she expected Napol on Sureau dit Blondin built the house in the 1920s an era when French speakers like him were deemed undesirable by the political and social elite who sought to populate the Canadian prairies with WASPs only In an atmosphere poisoned first by the Orange Order and then by the Ku Klux Klan Napol on and his young family adopted anglicized names and did their best to disguise their foreignness In Strangers in the House Savage scours public records and historical accounts and interviews several of Napol on s descendants including his youngest son to reveal a family story marked by challenge and resilience In the process she examines a troubling episode in Canadian history one with surprising relevance today Published in Partnership with the David Suzuki Institute **Canadian Book Review Annual** ,1977
