D.*, Thomas Guthrie, David Kelley Guthrie, 1875      The Liberal Mind 1914-29 Michael Bentley, 2007-07-12 This study is an exercise in the history of political perception and opinion It broke new ground in considering the decline of Liberalism through the eyes of Liberals themselves By concentrating on what Liberal politicians said to one another and to their audience public and private a picture is built up of the frame of mind in which those responsible for guiding Liberalism faced a worsening world after 1914 The coming of the First World War was a

critical element in forming that frame of mind and the frame of mind was itself critical in deciding the fate of Liberalism in the post war years What emerges from this study is the paradox that the Liberal mind was the greatest single obstacle in the way of a Liberal revival     *The Walls Have Ears* Helen Fry,2019-09-10 A history of the elaborate and brilliantly sustained World War II intelligence operation by which Hitler s generals were tricked into giving away vital Nazi secretsAt the outbreak of World War II MI6 spymaster Thomas Kendrick arrived at the Tower of London to set up a top secret operation German prisoners cells were to be bugged and listeners installed behind the walls to record and transcribe their private conversations This mission proved so effective that it would go on to be set up at three further sites and provide the Allies with crucial insight into new technology being developed by the Nazis In this astonishing history Helen Fry uncovers the inner workings of the bugging operation On arrival at stately homes turned prisons like Trent Park high ranking German generals and commanders were given a phony interrogation then treated as guests wined and dined at exclusive clubs and encouraged to talk And so it was that the Allies got access to some of Hitler s most closely guarded secrets and from those most entrusted to protect them     Memoir and Letters of Jenny C.
