Copestake, 2010 The poet as an inheritor of an Emersonian tradition and *Paterson* as an ethical autobiography in progress      *The Autobiography of William Carlos Williams* William Carlos Williams, 2017-04-28 The Autobiography is an unpretentious book it reads much as Williams talked spontaneously and often with a special kind of salty humor But it is a very human story glowing with warmth and sensitivity It brings us close to a rare man and lets us share his affectionate concern for the people to whom he ministered body and soul through a long rich life as physician and writer William Carlos Williams's medical practice and his literary career formed an undivided life For forty years he was a busy doctor in the town of Rutherford New Jersey and yet he was able to write more than thirty books One of the finest chapters in the Autobiography tells how each of his two roles stimulated and supported the other      *William Carlos Williams* Paul Mariani, 2016-03-07 William Carlos Williams 1883-1963 emerged alongside Pound Eliot Stevens Frost and Yeats as one of the foremost poets of the 20th century *Paterson* Williams's

Daniel, Margaret Konkol, 2020-04-15 Modernism in the Green traces a trans Atlantic modernist fascination with the creation use and representation of the modern green From the verdant public commons in the heart of cities to the lookout points on mountains in national parks planned green spaces serve as felicitous stages for the performance of modernism In its focus on designed and public green zones Modernism in the Green offers a new perspective on modernism s overlapping investments in the arts politics urbanism race class gender and the nature culture divide This collection of essays is the first to explore the prominent and diverse ways greens materialize in modern literature and culture along with the manner in which modernists represented them This volume presents the idea of the green as a point of exploration as our contributors analyze social organic spaces ranging from public parks to roadways and refuse piles Like the term green one that evokes both more than human natural zones and crafted public meeting places these chapters uncover the social and spatial intersection of nature and culture in the very architecture of parks gardens buildings highways and dumps This book argues that such greens facilitate modernists exploration of how nature can manifest in an era of increasing urbanization and mechanization and what identities and communities the green now enables or prevents William Carlos Williams Review , 2006

War as well as the role played by US philanthropic organizations and their relationship to overt and covert CIA operations in India

*The Collected Poems of William Carlos Williams* William Carlos Williams, Christopher MacGowan, 2014-10-29

Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first

**"Literchoor Is My Beat"** Ian S. MacNiven, 2014-11-18 A biography thoughtful and playful of the man who founded New Directions and transformed American publishing James Laughlin poet publisher world class skier was the man behind some of the most daring revolutionary works in verse and prose of the twentieth century As the founder of New Directions he published Ezra Pound's *The Cantos* and William Carlos Williams's *Paterson* he brought Hermann Hesse and Jorge Luis Borges to an American audience Throughout his life this tall charismatic intellectual athlete and entrepreneur preferred to stay hidden But no longer in *Literchoor Is My Beat: A Life of James Laughlin, Publisher of New Directions* Ian S. MacNiven has given us a sensitive and revealing portrait of this visionary and the understory of the last century of American letters Laughlin or J as MacNiven calls him emerges as an impressive and complex figure energetic idealistic and hardworking but also plagued by doubts not about his ability to identify and nurture talent but about his own worth as a writer Haunted by his father's struggles with bipolar disorder J threw himself into a flurry of activity pulling together the first New Directions anthology before he'd graduated from Harvard and purchasing and managing a ski resort in Utah MacNiven's portrait is comprehensive and vital spiced with Ezra Pound's eccentric letters J's romantic foibles and anecdotes from a seat of your pants era of publishing now gone by A story about the struggle to publish only the best it is itself an example of literary biography at its finest

*The Selected Letters of William Carlos Williams* William Carlos Williams, 1984 Long unavailable *The Selected Letters of William Carlos Williams* is now reissued as a New Directions Paperbook Spanning fifty four years this collection records the creative growth of one of the twentieth century's most influential and versatile writers

*Form Miming Meaning* Max Nänny, Olga Fischer, 1999-03-15 The recent past has seen an increasing interest in iconicity especially among linguists This collection puts the interdisciplinary study of iconic dimensions comprising what has been termed *imagic iconicity* as well as *diagrammatic iconicity* i.e. iconicity of a more abstract and less semiotic type on the map paying special attention to the use of iconicity in literary texts The studies presented here explore iconicity from two different angles A first group of authors brings into focus how far the primary code the code of grammar is influenced by iconic motivation with contributions on rules involved in discourse rules in word formation and phonological rules and how originally iconic models have become conventionalized Others go one step further in exploring how for instance the presence of iconicity can tell us more about the structure of human cognition or how the iconicist desire for symmetry can be related to the symmetry of the human body A second group of contributors is more interested in the presence of iconicity as part of

the secondary code i.e. in how speakers and writers re-motivate or play with the primary code how they concretise what has become conventional or how they use form to add to meaning in literary texts commercial language and in the new electronic use of texts

Guy Davenport and James Laughlin Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author-publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature Jacket
