Remembrance Of Crimes Past:

Remembrance of Crimes Past Dannie ABSE,1990 *Remembering the Past and Preventing Crimes Against Humanity* Mihai Manea,2003-01-01 This publication reports on the discussions of an international seminar held in Romania in May 2003 to discuss educational approaches designed to promote awareness of crimes against humanity tolerance for diversity and respect for human rights based upon an examination of teaching approaches and materials about the Holocaust Issues considered include pedagogical guidelines on teaching about the Holocaust its treatment in history curricula and textbooks in Europe the role of museums cinema and literature in teaching approaches and Recommendation Rec 2001 15 of the Committee of Ministers of the Council of Europe on history teaching The Crime of Destruction and the Law of Genocide Caroline Fournet,2016-03-16 This highly original work provides a thought provoking and valuable resource for researchers and academics with an interest in genocide criminology international organizations and law and society In her book Caroline Fournet examines the law relating to genocide and explores the apparent failure of society to provide an adequate response to incidences of mass atrocity The work casts a legal perspective on this social phenomenon to show that genocide fails to be appropriately remembered due to inherent defects in the law of genocide itself The book thus connects the social response to the legal theory and practice and trials in particular Fournet s study illustrates the shortcomings of the Genocide Convention as a means of preventing and punishing genocide as well as its consequent failure to ensure the memory of this heinous crime

Offenders' Memories of Violent Crimes Sven A. Christianson,2007-04-17 Violent offenders often claim amnesia in order to avoid punishment It is important for investigators and juries to ascertain whether such amnesia is genuine or feigned an offender with amnesia is not able to enter a plea and issues of automatism are raised

Criminal Visions Paul Mason,2012-12-06 Despite being an increasingly high profile subject few publications address media representations of law and order head on This book aims to meet this need by bringing together an important range of papers from leading researchers in the field addressing issues of fictional factual and hybrid representations of crime in the media *Law and Memory* Uladzislau Belavusau,Aleksandra Gliszczyńska-Grabias,2017-10-19 The volume revisits memory laws as a phenomenon of global law transitional justice historical narratives and claims for historical truth It will appeal to those interested in the conflict between legal governance of memory with values of democratic citizenship political pluralism and fundamental rights

Politics, Violence, Memory Jeffrey S. Kopstein,Jelena Subotić,Susan Welch,2023-01-15 *Politics Violence Memory* highlights important new social scientific research on the Holocaust and initiates the integration of the Holocaust into mainstream social scientific research in a way that will be useful both for social scientists and historians Until recently social scientists largely ignored the Holocaust despite the centrality of these tragic events to many of their own concepts and theories In *Politics Violence Memory* the editors bring together contributions to understanding the Holocaust from a variety of disciplines including political science sociology demography and public health The chapters examine the

sources and measurement of antisemitism explanations for collaboration rescue and survival competing accounts of neighbor on neighbor violence and the legacies of the Holocaust in contemporary Europe Politics Violence Memory brings new data to bear on these important concerns and shows how older data can be deployed in new ways to understand the index case of violence in the modern world Law and the Politics of Memory Stiina Loytomaki, 2014-06-05 Law and the Politics of Memory Confronting the Past examines law's role as a tool of memory politics in the efforts of contemporary societies to work through the traumas of their past Using the examples of French colonialism and Vichy as well as addressing the politics of memory surrounding the Holocaust communism and colonialism this book provides a critical exploration of law's role in belated transitional justice contexts The book examines how and why law has become so central in processes in which the past is constituted as a series of injustices that need to be rectified and can allegedly be repaired As such it explores different legal modalities in processes of working through the past addressing the implications of regulating history and memory through legal categories and legislative acts whilst exploring how trials restitution cases and memory laws manage to fulfil such varied expectations as clarifying truth rendering homage to memory and reconciling societies Legal scholars historians and political scientists especially those working with transitional justice history and memory politics in particular will find this book a stimulating exploration of the specificity of law as an instrument and forum of the politics of memory

Germany as a Culture of Remembrance Alon Confino, 2017-03-01 An acknowledged authority on German history and memory Alon Confino presents in this volume an original critique of the relations between nationhood memory and history applied to the specific case of Germany In ten essays three never before published and one published only in German Confino offers a distinct view of German nationhood in particular and of nationhood in general as a product of collective negotiation and exchange between the many memories that exist in the nation The first group of essays centers on the period from 1871 to 1990 and explores how Germans used conceptions of the local or Heimat to identify what it meant to be German in a century of ideological upheavals The second group of essays comprehensively critiques and analyzes the ways laypersons and scholars use the notion of memory as a tool to understand the past Arguing that the case of Germany contains particular characteristics with broader implications for the way historians practice their trade Germany as a Culture of Remembrance examines the limits and possibilities of writing history *Memory Battles of the Spanish Civil War* Sebastiaan Faber, 2018-01-31 The ability to forget the violent twentieth century past was long seen as a virtue in Spain even a duty But the common wisdom has shifted as increasing numbers of Spaniards want to know what happened who suffered and who is to blame Memory Battles of the Spanish Civil War shows how historiography fiction and photography have shaped our views of the 1936-39 war and its long painful aftermath Faber traces the curious trajectories of iconic Spanish Civil War photographs by Robert Capa Gerda Taro and David Seymour critically reads a dozen recent Spanish novels and essays interrogates basic scholarly assumptions about history memory and literature and interviews nine scholars activists and

documentarians who in the past decade and a half have helped redefine Spain's relationship to its past In this book Faber argues that recent political developments in Spain from the grassroots call for the recovery of historical memory to the indignados movement and the foundation of Podemos provide an opportunity for scholars in the humanities to engage in a more activist public and democratic practice

Memory Laws, Memory Wars Nikolay Koposov, 2018 A major contribution to our understanding of present day historical consciousness through a study of memory laws across Europe

Prosecuting War Crimes James Gow, Rachel Kerr, Zoran Pajic, 2013-09-23 This volume examines the legacy of the International Criminal Tribunal for the former Yugoslavia ICTY which was created under Chapter VII of the UN Charter as a mechanism explicitly aimed at the restoration and maintenance of international peace and security As the ICTY has now entered its twentieth year this volume reflects on the record and practices of the Tribunal Since it was established it has had enormous impact on the procedural jurisprudential and institutional development of international criminal law as well as the international criminal justice project This will be its international legacy but its legacy in the region where the crimes under its jurisdiction took place is less clear research has shown that reactions to the ICTY have been mixed among the communities most affected by its work Bringing together a range of key thinkers in the field Prosecuting War Crimes explores these findings and discusses why many feel that the ICTY has failed to fully engage with people's experiences and meet their expectations This book will be of much interest to students of war crimes international criminal law Central and East European politics human rights and peace and conflict studies

Disputed Memory Tea Sindbæk Andersen, Barbara Törnquist-Plewa, 2016-06-20 The world wars genocides and extremist ideologies of the 20th century are remembered very differently across Central Eastern and Southeastern Europe resulting sometimes in fierce memory disputes This book investigates the complexity and contention of the layers of memory of the troubled 20th century in the region Written by an international group of scholars from a diversity of disciplines the chapters approach memory disputes in methodologically innovative ways studying representations and negotiations of disputed pasts in different media including monuments museum exhibitions individual and political discourse and electronic social media Analyzing memory disputes in various local national and transnational contexts the chapters demonstrate the political power and social impact of painful and disputed memories The book brings new insights into current memory disputes in Central Eastern and Southeastern Europe It contributes to the understanding of processes of memory transmission and negotiation across borders and cultures in Europe emphasizing the interconnectedness of memory with emotions mediation and politics

Handbook on the Politics of Memory Maria Mälksoo, 2023-01-20 Providing a novel multi disciplinary theorization of memory politics this insightful Handbook brings varied literatures into a focused dialogue on the ways in which the past is remembered and how these influence transnational interstate and global politics in the present

Memory and Punishment Emanuela Fronza, 2018-02-27 This book examines the criminalisation of denials of genocide and of other mass atrocities in Europe and discusses the implications of protecting institutional historical memory

through criminal law The analysis highlights the tensions with free speech investigating the relationship between criminal law and historical memory The book paves the way for a broader discussion about fake news post truth scenarios and free expression in a digital world The author underscores the need to protect well founded factual records from the dangers of misinformation Historical denialism and the related jurisprudence represent a key step in exploring this complex field The book combines an interdisciplinary approach with criminal law methodology It is primarily aimed at academics practitioners and others who wish to deepen their understanding of historical denialism remembrance laws speech crimes and freedom of expression Emanuela Fronza is Senior Research Fellow in Criminal Law and Lecturer in International and European Criminal Law at the School of Law University of Bologna She is a Principal Investigator within the EU research consortium Memory Laws in European and Comparative Perspectives funded by HERA Humanities in the European Research Area

Cultural Memory Studies Astrid Erll,Ansgar Nünning,2008-08-27 This handbook represents the interdisciplinary and international field of cultural memory studies for the first time in one volume Articles by renowned international scholars offer readers a unique overview of the key concepts of cultural memory studies The handbook not only documents current research in an unprecedented way it also serves as a forum for bringing together approaches from areas as varied as sociology political sciences history theology literary studies media studies philosophy psychology and neurosciences Cultural memory studies as defined in this handbook came into being at the beginning of the 20th century with the works of Maurice Halbwachs on m moire collective In the course of the last two decades this area of research has witnessed a veritable boom in various countries and disciplines As a consequence the study of the relation of culture and memory has diversified into a wide range of approaches This handbook is based on a broad understanding of cultural memory as the interplay of present and past in sociocultural contexts It presents concepts for the study of individual remembering in a social context group and family memory national memory the various media of memory and finally the host of emerging transnational lieux de m moire such as 9 11

Ontological Insecurity in the European Union Catarina Kinnvall,Ian Manners,Jennifer Mitzen,2020-05-21 The European Union EU faces many crises and risks to its security and existence While few of them threaten the lives of EU citizens they all create a sense of anxiety and insecurity about the future for many ordinary Europeans This comprehensive volume explores the concept of ontological security which was introduced into international relations over a decade ago to better understand the security of being found in feelings of fear anxiety crisis and threat to wellbeing The authors make use of this concept to explore how narratives of European integration have been part of public discourses in the post war period and how reconciliation dynamics national biographical narratives and memory politics have been enacted to create ontological security Within this context they also discuss the anxiety of the remainers in the Brexit referendum and the consequences of its failure to address the ontological anxieties and insecurities of remain voters The book also explores how European security firms market ontological security and provide an ontological security inspired reading of the EU s

relations with post communist states the EU and NATO's engagement with hybrid threats and the EU as an anxious community This book was originally published as a special issue of the journal *European Security* ***The Politics of Memory in Poland and Ukraine*** Tomasz Stryjek, Joanna Konieczna-Salamatin, 2021-09-30 Bringing together the work of sociologists historians and political scientists this book explores the increasing importance of the politics of memory in central and eastern European states since the end of communism with a particular focus on relations between Ukraine and Poland Through studies of the representation of the past and the creation of memory in education mass media and on a local level it examines the responses of Polish and Ukrainian authorities and public institutions to questions surrounding historical issues between the two nations At a time of growing renationalization in domestic politics in the region brought about by challenges connected with migration and fear of Russian military activity this volume asks whether international cooperation and the stability of democracy are under threat An exploration of the changes in national historical culture *The Politics of Memory in Poland and Ukraine* will appeal to scholars with interests in memory studies national identity and the implications of memory making for contemporary relations between states ***Cultural Memories*** Peter Meusbürger, Michael Heffernan, Edgar Wunder, 2011-05-11 The revival of interest in collective cultural memories since the 1980s has been a genuinely global phenomenon Cultural memories can be defined as the social constructions of the past that allow individuals and groups to orient themselves in time and space The investigation of cultural memories has necessitated an interdisciplinary perspective though geographical questions about the spaces places and landscapes of memory have acquired a special significance The essays in this volume written by leading anthropologists geographers historians and psychologists open a range of new interpretations of the formation and development of cultural memories from ancient times to the present day The volume is divided into five interconnected sections The first section outlines the theoretical considerations that have shaped recent debates about cultural memory The second section provides detailed case studies of three key themes the founding myths of the nation state the contestation of national collective memories during periods of civil war and the oral traditions that move beyond national narrative The third section examines the role of World War II as a pivotal episode in an emerging European cultural memory The fourth section focuses on cultural memories in postcolonial contexts beyond Europe The fifth and final section extends the study of cultural memory back into premodern tribal and nomadic societies ***Places of Traumatic Memory*** Amy L. Hubbell, Natsuko Akagawa, Sol Rojas-Lizana, Annie Pohlman, 2020-10-31 This volume explores the relationship between place traumatic memory and narrative Drawing on cases from Africa Asia Europe Oceania and North and South America the book provides a uniquely cross cultural and global approach Covering a wide range of cultural and linguistic contexts the volume is divided into three parts memorial spaces sites of trauma and traumatic representations The contributions explore how acknowledgement of past suffering is key to the complex inter relationship between the politics of memory expressions of victimhood and collective memory Contributors take note of differing aspects of memorial culture

such as those embedded in war memorials mass grave sites and exhibitions as well as journalistic literary and visual forms of commemorations to investigate how narratives of memory can give meaning and form to places of trauma
