Parish, the Thought David B. Bowman, 2018-01-24 The calling to parish ministry involves a journey leading through lowland thickets and high plateau vistas It s a vocation not for weak spirits The parish presents general challenges rather than specialist endeavors So wearing one hat after another the pastor may speak from the pulpit join a team processing a current social concern visit the intensive care hospital unit and offer counsel at birth marriage or death maybe all in one day Clergy and non ordained alike will find that Parish the Thought provides a closeup insight into this ministry telling the truth about the defeats and victories experienced over the course of forty years in the parish This memoir spends little time in navel gazing Rather the author explores the humor conflicts ventures and achievements that rise in his memory The reader will detect a commitment to priestly and prophetic ministry one that seeks to comfort the distressed and to nudge the comfortable out of apathy encompassing the personal and public dimensions of the faith All this as an adventure following the Pioneer Jesus the Christ The selections from this forthcoming book are elegantly written and spiritually profound in a way that effectively synthesizes a convincing true to life immediate concreteness of real persons in real situations of spiritual significance on the one hand with the essential Christian realities of guilt confession forgiveness redemption humility humor joy hope and a continuous sense of God s living presence in the heart on the other Russell Pannier Professor William Mitchell College of Law St Paul Minnesota David Bowman s pastoral recollections in Parish the Thought is a Socratic exercise in an examined life It is a collection of stories that stand on their own but within which lie deeper truths that David has had both the wit and wisdom to mine Insightful sensitive but most of all searching an excellent example of a well lived life I recommend it highly Thomas E Smith Pastor Presbyterian Chapel of the Lakes Adjunct Instructor Trine University Bowman s approach to ministry was to look directly at current moral and ethical issues and using scripture and his own wisdom to deal publicly and personally with the issues encouraging community of dialogue Dave s voice then showed wisdom insight and

patience and those qualities persist in this engaging new book I commend it to thoughtful readers W James Halfaker Former Conference Minister for the United Church of Christ in Washington and North Idaho David Bowman s sketches and recollections each summon up a unique moment and place with crystal clarity yet the characters moods and feelings are universal His life in active ministry glosses on social protest race ecumenicism and Alexander Calder s sculpture and at the same time the delicateness of person to person pastoral relationships shine through with the same humanity and emotion as the largest historical trends This memoir is a joy to read and an inspiration of lived faith Joe Kanofsky Rabbi Toronto Canada The Rev David B Bowman PhD lives in semi retirement in Saratoga California He is the author of a previous book Saints Along the Way Women and Men Who Have Influenced My Life His parish ministry following doctoral studies at Glasgow University Scotland has spanned the continent from New York to California including Michigan Washington State Iowa Indiana and Ohio Such a journey led a friend to call him a wanderer in the earth
