Renaissance Perspectives In Literature And The Visual Arts 1650 1820:

Changing Perspectives in Literature and the Visual Arts, 1650-1820 Murray Roston, 2014-07-14 Continuing with the theme of his work *Renaissance Perspectives in Literature and the Visual Arts* Murray Roston applies to a later period the same critical principle that for each generation there exists a central complex of inherited ideas and urgent contemporary concerns to which each creative artist and writer responds in his or her own way Roston demonstrates that what emerges is not a fixed or monolithic pattern for each generation but a dynamic series of responses to shared challenges The book relates leading English writers and literary modes to contemporary developments in architecture painting and sculpture A sumptuous book Clearly and gracefully written and cogently argued Roston's admirable achievement is of paramount significance to literary studies to cultural and art history and to aesthetics Outstanding Choice Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Heaven and the Flesh Clive Hart, Kay Gilliland Stevenson, 1995-12-07 Do angels make love Will the souls of ordinary people feel sexual pleasure in the next world Is the aspiration to spiritual salvation helped or hindered by sexual experience In *Heaven and the Flesh* Clive Hart and Kay Stevenson explore the opinions of poets and painters on such questions from the high Renaissance to the birth of romanticism Hart and Stevenson analyse the work not only of canonical writers and artists such as Milton and Michelangelo but also of lesser known figures such as John Gore and Richard Tompson and the sometimes anguished speculations of philosophers and theologians As the evidence of witty pornographic poems and drawings demonstrates the relationship between sexual desire and spiritual ascension was not always treated with full seriousness This wide ranging survey offers sometimes surprising insights into material both familiar and unfamiliar

Renaissance Perspectives in Literature and the Visual Arts Murray Roston, 2014-07-14 Roston demonstrates that what emerges is not a fixed or monolithic pattern for each generation but a dynamic series of responses to shared challenges The book relates leading English writers and literary modes to contemporary developments in architecture painting and sculpture exploring by a close reading of the texts and the artistic works the insights such comparison offers Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books

published by Princeton University Press since its founding in 1905 **Graham Greene's Narrative Strategies** M. Roston,2006-07-31 In *Narrative Strategies* Roston focuses upon the Greene s texts themselves and their manipulation of reader response highlighting the innovative strategies that Greene developed to cope with the mid century invalidation of the traditional hero The result is a stimulating new reading of the major novels **Academic Research** Universitat Bar-Ilan,1991 *Shakespeare's Visual Theatre* Frederick Kiefer,2003-09-25 In this study of Shakespeare s visual culture Frederick Kiefer looks at the personified characters created by Shakespeare in his plays his walking talking abstractions These include Rumour in 2 Henry IV Time in The Winter s Tale Spring and Winter in Love s Labour s Lost Revenge in Titus Andronicus and the deities in the late plays All these personae take physical form on the stage the actors performing the roles wear distinctive attire and carry appropriate props The book seeks to reconstruct the appearance of Shakespeare s personified characters to explain the symbolism of their costumes and props and to assess the significance of these symbolic characters for the plays in which they appear To accomplish this reconstruction Kiefer brings together a wealth of visual and literary evidence including engravings woodcuts paintings drawings tapestries emblems civic pageants masques poetry and plays The book contains over forty illustrations of personified characters in Shakespeare s time Modernist Patterns M. Roston,1999-12-07 In this stimulating study the author explores how Conrad T S Eliot Woolf Joyce Faulkner Hemingway Huxley and others responded to the immediate challenges of their time to the implications of Freudian psychology molecular theory relativist theory and the general weakening of religious faith Assuming that artists and writers in coping with those problems would develop techniques in many ways comparable even where there was no direct contact he positions Modernist literature within the context of contemporary painting architecture and sculpture thereby providing some fascinating insights into the nature of the literary works themselves *Victorian Contexts* Murray Roston,1996-09-30 Examines how both artist and writer in the Victorian era responded to the shared challenges assumptions and dilemmas of their time often unaware that the same problems were being confronted in the kindred media The placing of such writers as Dickens G Eliot Hopkins and Henry James within the context of Victorian painting architecture and interior design offers fresh insights into their works as well as reassessments of such themes as the mid century representation of the Fallen Woman or the impact of commodity culture upon contemporary aesthetic standards **Encyclopedia of Romanticism (Routledge Revivals)** Laura Dabundo,2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The books considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching

faculty and scholars The Search for Selfhood in Modern Literature M. Roston,2001-09-05 The scientific achievements of the modern world failed to impress the leading writers of this century leaving them instead profoundly disturbed by a sense of lost values and of the insignificance of the individual in a universe seemingly indifferent to human concerns In The Search for Selfhood in Modern Literature Roston explores the strategies adopted by such mid century authors as Greene Salinger Osborne Baldwin and others in their attempt to cope with the spiritual vacuity strategies including the emergence of the anti hero and of literary existentialism and offer in the course of the investigation fascinatingly new insights into their work
