childhood and adolescence in an Italian village where she lived under the tension of her parents separation During the war while she grieved over the devastation of her beloved Italy she had to cope with the difficult circumstances of her first love She became engaged to a partisan whom she could see only at rare intervals Eventually she was forced to make the agonizing choice between marriage and her career But this is also the story of her triumphs beginnings with her memorable audition with Toscanini Her first appearance at La Scala so great a strain so important to her career was an enormous success Then came a South American tour with another soprano called Maria Callas in the company The ensuing rivalry between the two singers so often misrepresented is described here in detail This book could have been written only by someone who has known Renata Tebaldi personally At first hand Victor Seroff has witnessed many moments of despair and exultation of tragedy and triumph undergone by the singer during her career The result is the compassionate and moving story of a woman who once said When I cannot sing I just don t feel I am alive The book contains 30 illustrations of Renata Tebaldi a discography and an index Dust jacket *Annotated Bibliography of New Publications in the Performing Arts*, 1974
