Franklin Roosevelt Frank Freidel, 2005 Biography of Franklin D Roosevelt **Franklin D. Roosevelt** Frank Burt Freidel, 1990-01-01 A biography of Franklin Roosevelt examines the paradox between the charming public figure and the complex inner man while focusing on FDR's often controversial ideas and actions Rendezvous with Destiny Leonard Rapport, Arthur Northwood, 2000 Hollywood Melodrama and the New Deal Anna Siomopoulos, 2012 While many critics have analyzed the influence of the FDR administration on Hollywood films of the era most of these studies have focused either on New Deal imagery or on studio interactions with the federal government Neither type of study explores the relationship between film and the ideological principles underlying the New Deal This book argues that the most important connections between the New Deal and Hollywood melodrama lie neither in the New Deal iconography of these films nor in the politics of any one studio executive Rather the New Deal figures prominently in Hollywood melodramas of the Depression era because these films engage the political ideas underlying welfare state policies ideas that extended the reach of government into the private realm As the author shows Hollywood melodramas interrogated New Deal principles of liberal empathy consumer citizenship the refeudalization of the state and minimal economic redistribution only to support welfare state ideology in the end **Glider Infantryman** Donald J. Rich, Kevin William Brooks, 2013-01-18 A member of the famed Screaming Eagles of the 101st Airborne Division Donald J Rich went ashore on D Day at Utah Beach was wounded in the bloody conflict at Carentan landed in a flimsy plywood and canvas glider on the battlefields of Holland and survived the grim siege with the Battling Bastards of Bastogne during the Battle of the Bulge Glider Infantryman is his eyewitness account of how he along with thousands of other young men from farms small towns and cities across the United States came together to answer the call of their nation It is also a heartfelt tribute to the many thousands who gave their lives in this struggle Coauthored by Kevin Brooks the son of Rich's best friend and World War II comrade Glider Infantryman covers a span of nearly three years his return home five months after the war's end as a toughened bazooka gunner and veteran of five campaigns Rich's first person narrative includes vivid coverage of the action featuring an especially rare account of arriving on a combat landing zone by glider Detailed day to day depiction of some of the heaviest fighting in Holland follows including the action at Opheusden the center of the infamous Island Later highlights include the Battle of the Bulge where Rich recounts his experiences in some of the hottest defensive fighting of the European Theater including the epic tank battles at Marvie Champs and Foy The Americans at Normandy John C. McManus, 2013-05-28 In *The Americans at D Day* the first volume of this series John C McManus showed us the American experience in Operation Overlord Now in this succeeding volume he does the same for the Battle of Normandy as a whole Never before has the American involvement in Normandy been examined so thoroughly or exclusively as in *The Americans at Normandy* For D Day was only one part of the battle and victory came from weeks of sustained effort and sacrifices made by Allied soldiers Presented here is the American experience

during that summer of 1944 from the aftermath of D Day to the slaughter of the Falaise Gap from the courageous famed figures of Bradley Patton and Lightning Joe Collins to the lesser known privates who toiled in torturous conditions for their country What was this battle really like for these men What drove them to fight against all sense and despite all obstacles How and why did they triumph Reminiscent of Cornelius Ryan's *The Longest Day* *The Americans at Normandy* takes readers into the minds of the best American strategists into the hearts of the infantry into hell on earth Engrossing lightning quick and filled with real human sorrow and elation *The Americans at Normandy* honors those Americans who lost their lives in foreign fields and those who survived Here is their story finally told with the depth pathos and historical perspective it deserves At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Rendezvous with Destiny Craig Shirley, 2014-04-08 A first rate work of insider history A monumental accomplishment National Review The election that changed everything Craig Shirley's masterful account of the 1980 presidential campaign reveals how a race judged too close to call as late as Election Day became a Reagan landslide and altered the course of history To write *Rendezvous with Destiny* Shirley gained unprecedented access to 1980 campaign files and interviewed more than 150 insiders from Reagan's closest advisers and family members to Jimmy Carter himself His gripping account follows Reagan's unlikely path from his bitter defeat on the floor of the 1976 Republican convention through his underreported wilderness years through grueling primary fights in which he knocked out several Republican heavyweights through an often nasty general election campaign complicated by the presence of a third party candidate not to mention the looming shadow of Ted Kennedy to Reagan's astounding victory on Election Night in 1980 Shirley's years of intensive research have enabled him to relate countless untold stories including at long last the solution to one of the most enduring mysteries in politics just how Reagan's campaign got hold of Carter's debate briefing books
