

The background of the entire cover is a photograph of a forest. The trees are tall and slender, with their trunks appearing as vertical lines against a hazy, golden-brown background. The ground is covered in fallen leaves and low-lying vegetation, with a path or clearing visible in the foreground. The overall atmosphere is quiet and contemplative.

Long Wandering Prayer An Invitation To Walk With God:

Long Wandering Prayer David Hansen, 2001 Uses the fact that our minds wander as an advantage to prayer rather than an disadvantage Cover *Holy Walks* Stephen C. Simon, 2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer **Construing the Cross** Frances M. Young, 2015-10-20 This book reconsiders ways in which the cross of Christ was construed before atonement theories narrowed the categories The typology of Passover is explored as probably the very first way in which Christians came to understand the passion The use of sacrificial imagery is re examined The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times along with other surprising links with the Eden narrative The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems The overall outcome is a quite paradoxical focus not on death but on life Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God **The Sense of the Call** Marva J. Dawn, 2006-02-21 In Keeping the Sabbath Wholly Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life **Sacred Companions** David G. Benner, 2009-08-20 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to

the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God s activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God **American Book Publishing Record** ,2001 Quaker Life ,2002

Subject Guide to Books in Print ,2001 **Walking with God through Deep Valleys** Dr. Stephen A.

Gammon,2020-09-01 All of life is not lived on mountaintops We will experience some deep valleys of pain disappointment uncertainty sickness grief and even the valley of the shadow of death Sometimes multitudes enter long and deep valleys together as in prolonged seasons of war or the COVID 19 pandemic that brought many to hardship uncertainty and fear Yet it often feels like we are walking through a deep valley alone It doesn t have to be that way Scripture makes it clear that if we have even a little faith the Lord walks with us and guides us If we keep our eyes on Him our deepest valleys will strengthen and enrich our walk with God Stephen Gammon faithfully served God for 40 years as a pastor and military chaplain Then in October 2018 he was diagnosed with cancer Multiple Myeloma he and his wife Helen entered this deep valley walking with God by faith With personal vulnerability and spiritual insight he posted regular medical updates on the CaringBridge website sharing many priceless lessons learned while walking with God through their valley Tens of thousands of online visits and innumerable personal responses and reflections from readers attest to the power of these truths Now edited and published in this book these lessons will point you towards genuine contentment and peace as you walk through your own deep valleys
