Look At The:

The Gravy Train - An Inside Look at the Long Island Rail Road Dan Ruppert, 2003-01-19 Growing up in the suburbs of New York City on Long Island I took a keen interest in all forms of transportation especially trains After graduating college I worked as an industrial engineer for private sector corporations progressing to a middle management position within a Fortune 25 Company In 1983 I accepted a job opportunity with the Long Island Rail Road as an industrial engineer The LIRR is a government subsidized agency that is part of a larger regional organization called the Metropolitan Transportation Authority The LIRR had embarked on a very ambitious improvement program to upgrade their physical plants This plan included the construction of a new railcar maintenance facility The new facility was to replace their one hundred year old maintenance shops I was hired to develop facility layouts for the most advanced rail car maintenance facility in the country Friends and professional colleagues advised me to decline the job offer However I was a railroad buff and the opportunity to work for a railroad overshadowed any trepidations For decades the LIRR had bore the brunt of adverse publicity I would often consider much of the criticism as being too harsh and misguided Not long after commencing employment my perspective of the LIRR would be completely transformed The inefficient and workplace abuses I witnessed first hand could only flourish in publicly subsidized environment My job required me to observe and analyze the maintenance and repair operations performed on commuter railcars My next step was identifying more efficient methods I would then implement these improvements into the design of the new railcar maintenance facilities I was met with a wall of resistance and non cooperation from the unionized workforce The LIRR had languished in decades of inefficient work habits supplemented with managerial complacency and rampant nepotism I would operate in a very hostile environment that had no incentive to embrace improvements It would be in the better interests of the unions to maintain low productivity and therefore justify the gross overstaffing that existed for decades Upon completion of developing the facility layouts the next phase of my responsibilities involved coordination with design consultants hired by the LIRR The consultants were responsible for the architectural and structural designs of the new maintenance facility The consultants typically were selected based on political connections and not their level of expertise The design phase was muddled with incompetence and waste Inept project management would add tens of millions of dollars and lengthy delays to the construction phase of the project Upon completion of construction a new regime intent on maintaining the status quo within the LIRR assumes control of the new maintenance facility The new regime is not committed to capitalizing on the labor efficiencies offered by the new facility Key positions are then filled with managers intent in preserving the traditional inefficient ways of the LIRR My story concludes with the agendas of the new regime and conflicts with those who were trying to transform the LIRR into a socially responsible institution My trials and tribulations along with personal victories and setbacks are all the basis of my book **A Look at the Fiscal Year 2010 Consolidated Financial Report of the U.S. Government** United States. Congress. House. Committee on Oversight and

Government Reform. Subcommittee on Government Organization, Efficiency, and Financial Management, 2011 [Moving the CDBG program forward : a look at the administration's reform proposal, where do we go from here? : hearing](#), *Look at the Bunny* Dominic Pettman, 2013-03-29 Are totems merely a thing of the distant past Or might it be that our sleek new machines are producing totemic forces which we are only beginning to recognize This book asks to what degree today's media technologies are haunted by a Freudian ghost functioning as totems or taboos or both By isolating five case studies rabbits in popular culture animated creatures that go off program virtual lovers jealous animal spirit guides and electronic paradises *Look at the Bunny* highlights and explores today's techno totemic environment In doing so it explores how nonhuman avatars are increasingly expected to shepherd us beyond our land locked identities into a risky sometimes ecstatic relationship with the Other [What a Custodial Supervisor Should Look at When Inspecting a Building](#) Keith Clussman, 2018-06-30 Most custodians aren't taught the proper way of cleaning This book will teach how to do the job properly so advancement is possible It's a great tool for supervisors and managers in the custodial business [Look at More](#) Andy Stefanovich, 2011-04-19 Why does real innovation elude so many companies including those with the best technology the cheapest resources and even chief innovation officers The problem is that they lack inspiration Inspiration as defined and outlined in this book is a discipline not to be confused with the real but short lived burst of energy that sometimes occurs after quarterly earnings reports or the arrival of a charismatic new leader It is a systematic approach that when applied consistently brings long term sustainable results *Look At More* teaches you how to harness inspiration by thinking differently and to encourage others to do the same Designed to be an individual and organizational hands on guide *Look At More* focuses on the front end of the Inspiration Creativity Innovation continuum Using Stefanovich's proven LAMSTAIH approach *Look At More Stuff Think About It Harder* leaders and employees can develop the practical skills leadership behavior and cultural mindset to consistently create ideas and drive innovation Built on the principles of the five M's for unleashing creativity within an organization *Look At More* explores MOOD The attitudes feelings and emotions that create the context for inspiration and creativity MINDSET The intellectual foundation and baseline capacity each of us has for getting inspired and thinking differently MECHANISMS The tools and processes of creativity at work MEASUREMENT The qualitative and quantitative performance and the guidance for giving critical feedback MOMENTUM The active championing of celebrating inspiration and creativity to create a self reinforcing cycle for growing innovation Together the five M's can act as a diagnostic tool and a guide for inspiring individuals empowering teams and transforming organizations to become true models of innovation For more information please visit www.prophet.com/lookatmore **Look at It This Way** Jan Silvius, 2010-05-12 Each person has his or her own particular way of looking at life a kind of grid that helps readers process whatever comes their way Though this grid can be a helpful tool far too often it is a weight around the neck So what can be done about it How can readers change their perspectives replacing the grid that drags them down with one that equips them

to face life's challenges and live victoriously In Look at It This Way author and speaker Jan Silvius explores in depth vital truths that can help Christians reframe the way they think breaking them out of their self pity anger depression anxiety and hopelessness and equipping them to deal with the events circumstances and people in their lives in a healthy and positive way Jan highlights such key truths as Whatever happens it's one event in a lifetime of events For every choice there is a consequence God isn't angry with you The last chapter has not been written and eight others Deeply rooted in Scripture these valuable insights will give readers hope and real help for managing their thinking showing how they can at last move forward with the courageous and grace filled life God intended them to live

Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma,2023-12-21 Analyze the controversial side of Indira Gandhi's political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India's strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today's scenario there are numerous political parties that operate under a single family's control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

A New Look at Lean Robert Freck,2020-10-13 Progress and evolution are most often made in times of crisis and desperation but not before Or to paraphrase a popular adage Better the devil you know than the angel you don't Make the changes ahead of the curve Robert Freck has attempted to convince people companies and cultures to change for more than thirty years and in this memoir he looks back on his career in Lean and continuous improvement implementation In addition to looking at his career he provides an instruction manual for leaders and organizations to enjoy a better Lean experience Learn how to avoid common missteps in lean implementation identify and solve problems leverage appropriate tools understanding cultural change and how to drive it help leaders enable rather than support Lean via behaviors and actions The author's career has been filled with beautiful successes abject failures and several places in between but there have always been lessons He shares the wisdom he's gained working in a variety of settings with A New Look at Lean

The Mechanism of Evolution: A New Look at Old Ideas M. de Issekutz Wolsky,A. Wolsky,1976-10-11 Beyond the Talking Points: Taking a Deeper Look At America's

Issues Mark Goshdigian,2014-06-20 Even before the election of Barack Obama Americans were beginning to notice that the country had changed direction Five years into his presidency neither he nor the legislators in Congress are willing to do the work necessary to solve our problems Critical thinking may not be sexy but it s what will enable us to overcome our most formidable challenges Author Mark Goshdigian an everyday American concerned about the nation s future bucks the trend in a series of essays that pose tough questions Can the federal government and Federal Reserve continue to turbo charge the economy by spending so much money How has globalization affected the United States What can we do to fight an entitlement culture Can we still learn from our failures and dare to be great Whether you re a government worker politician voter or student you owe it to yourself to examine the economy the nation s social issues and the political process so we can move beyond the talking points *Learning to Look at Modern Art* Mary Acton,2004 This companion text to the author s *Learning to Look at Paintings* addresses some of the questions most commonly asked about modern art covering key movements of the modern and postmodern periods in a richly illustrated and engaging volume A New Look at Kuwait Zahra Freeth,2017-08-17 This book first published in 1972 describes a Kuwait normally hidden to the eyes of visitors The author draws upon a vast experience of the country from both before and after the discovery of oil and analyses the changes to the physical appearance of the city as well as the changes to the customs and outlook of its people *Look at Me* Mareike Krügel,2018-02-26 Katharina s husband isn t coming home for the weekend again so she s on her own When their chaotic daughter Helli has a nosebleed Kat has to dash off to school to pick her up Then their son Alex announces he s bringing his new girlfriend home for the first time Kat s best friend from college is coming around tonight too and she s wondering if she should try to seduce him but first she needs to do the shopping the vacuuming and the laundry deal with an exploding clothes dryer find their neighbour s severed thumb in the front yard and catch a couple of escaped rodents When she s got all that sorted perhaps she ll have time to think about the thing she s been trying not to think about the lump she s just found in her breast Because you can t just die and leave a huge mess for someone else to clean up can you And wasn t there supposed to be more to life than this Mareike Krügel lives in Schleswig Holstein with her husband and their two children She has received numerous literary awards including the Friedrich Hebbel Prize *Look at Me* is her fourth novel and the first to be translated into English Funny moving and thought provoking BookMooch Kat and her family are deeply flawed but likeable characters you want to cheer them on A good read suitable for long dark evenings Otago Daily Times A quirky ride that masterfully blends a sardonic sense of humour with a deeply embedded fear of mortality Readings For all the chaos of Katharina s life and for all the humour of her narrative voice this well written and surprisingly complex novel has an unexpected gravitas Age Definitely one of those read in one sitting hard to put down books Nudge Books An enjoyable and thought provoking read MindFood With a heroine so well realised she feels like a friend and piercingly true ruminations on the strange courses that life can take *Look At Me* is a wildly impressive English language debut Culturefly Full of whimsical inner monologues and

snappy one liners Booklist Kr gel knows her way around both the salty and sweet of marriage and motherhood Kirkus Reviews

A Long Hard Look at 'Psycho' Raymond Durgnat, 2017-10-24 Upon its release in 1960 Alfred Hitchcock's Psycho divided critical opinion with several leading film critics condemning Hitchcock's apparent encouragement of the audience's identification with the gruesome murder that lies at the heart of the film Such antipathy did little to harm Psycho's box office returns and it would go on to be acknowledged as one of the greatest film thrillers with scenes and characters that are among the most iconic in all cinema In his illuminating study of Psycho Raymond Durgnat provides a minute analysis of its unfolding narrative enabling us to consider what happens to the viewer as he or she watches the film and to think afresh about questions of spectatorship Hollywood narrative codes psycho analysis editing and shot composition In his introduction to the new edition Henry K Miller presents A Long Hard Look at Psycho as the culmination of Durgnat's decades long campaign to correct what he called film studies Grand Error In the course of expounding Durgnat's root and branch challenge to our inherited shibboleths about Hollywood cinema in general and Hitchcock in particular Miller also describes the eclectic intellectual tradition to which Durgnat claimed allegiance This band of amis inconnus among them William Empson Edgar Morin and Manny Farber had at its head Durgnat's mentor Thorold Dickinson The book's story begins in the early 1960s when Dickinson made the long hard look the basis of his pioneering film course at the Slade School of Fine Art and Psycho became one of its first objects

A Different Look at the Business World Dennis Machala, 2020-05-15 Book Delisted
