Ancient Iran and Its Neighbours Cameron A. Petrie, 2013-12-31 The fourth millennium BC was a critical period of socio economic and political transformation in the Iranian Plateau and its surrounding zones This period witnessed the appearance of the world's earliest urban centres hierarchical administrative structures and writing systems These developments are indicative of significant changes in socio political structures that have been interpreted as evidence for the rise of early states and the development of inter regional trade embedded in longer term processes that began in the later fifth millennium BC Iran was an important player in western Asia especially in the medium to long range trade in raw materials and finished items throughout this period The 20 papers presented here illustrate forcefully how the re evaluation of old excavation results combined with much new research has dramatically expanded our knowledge and understanding of local developments on the Iranian Plateau and of long range interactions during the critical period of the fourth millennium BC

Connecting With Our Children Roberta M. Gilbert, 2008-04-21 Parents want a special relationship with their children

Parents care They want to guide their children through the rough spots in life and help them make the right decisions Research shows that a special parental connection is extremely important in safeguarding children against dangers such as substance abuse sexual promiscuity criminal activity and suicide This is more important than ever before in today s troubled world But what does making this connection mean Based on Bowen family systems theory Connecting with Our Children shows parents how to build the connection found in better relationships Now parents have a new way to think about and respond to family problems The author examines common concerns such as How substance abuse can repeat through generations Why fusions between family members drive conflict How family anxiety can erupt into violence Whether stepfamilies can create a new family unit What roles faith and humor play in a family How effective are special contributions made by connections with grandparents Numerous practical examples and stories illustrate familiar situations and concerns so that parents can learn how to deal with the often confusing situations surrounding their children as well as those within their own lives With a different perspective parents can learn to overcome these difficulties creating a stronger family and a happier more open relationship between parent and child

Infancy Lisa M. Oakes, Vanessa Lobue, Marianella Casasola, 2023-09-08 Lisa M Oakes Vanessa Lobue and Marianella Casasola s *Infancy The Development of the Whole Child* unites historically important and cutting edge theories and research to illustrate the development of the whole child from birth to age three Topically organized and written in a conversational tone the text illustrates the interconnected nature of development through links within its bio psycho social coverage Through its inclusive approach students see individual similarities and differences in development as a function of factors such as culture language experience parenting style and socioeconomic status Stories from the authors own experiences with infants highlight connections between research and parenting social policy and everyday contexts effectively bringing the topics to life for students Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site
