Look Whos A Mother:

Look Who's Morphing Tom Cho, 2009-03-01 Tom Cho's collection of fictions and fantasies is all about morphing and transformation. Through the shape shifting we follow the narrator on his surreal adventures which include dirty dancing with Johnny Castle, a rambunctious encounter with TV's Dr Phil, a job as Whitney Houston's bodyguard and another as a Muppet, a period in service with the von Trapp family in *The Sound of Music*, a totally destructive outing as Godzilla and that high octane performance as a Gulliver sized cock rock singer complete with cohort of tiny adoring girls. As these fantasies of identity, sexuality and power.

Look Who's Cooking Jennifer Rachel Dutch, 2018-08-03 Home cooking is a multibillion dollar industry that includes cookbooks, kitchen gadgets, high end appliances, specialty ingredients and more. Cooking-themed programming flourishes on television, inspiring a wide array of celebrity chef-branded goods, even as self-described foodies seek authenticity by pickling, preserving and canning foods in their own home kitchens. Despite this, claims that no one has time to cook anymore are common, lamenting the slow extinction of traditional American home cooking in the twenty-first century. In *Look Who's Cooking: The Rhetoric of American Home Cooking Traditions in the Twenty-First Century*, author Jennifer Rachel Dutch explores the death of home cooking narrative, revealing how modern changes transformed cooking at home from an odious chore into a concept imbued with deep meanings associated with home, family and community. Drawing on a wide array of texts, cookbooks, advertising, YouTube videos and more, Dutch analyzes the many manifestations of traditional cooking in America today. She argues that what is missing from the discourse around home cooking is an understanding of skills and recipes as a form of folklore. Dutch's research reveals that home cooking is a powerful vessel that Americans fill with meaning because it represents both the continuity of the past and adaptability to the present. Home cooking is about much more than what is for dinner; it's about forging a connection to the past, displaying the self in the present and leaving a lasting legacy for the future.
