Tammy Lind, 2025-04-21 First book in a new series. After a bitter divorce 5 years ago, after moving from California to a small rural town in Montana, Paige Bishop could actually say she was happy with her life. Her son Marc was thriving in this paranormal community. She had a job she loved. She had a man she loved. What more could a witch ask for? Yep, everything was great. Until it wasn't. Until a body was found by the back door of her aunt's occult store. Worse, the body was her aunt's longtime boyfriend. Worse yet, her Aunt Jody is the prime suspect. Bob was gruff, he enjoyed rubbing people the wrong way. There were plenty of people that despised the man. Surely they can't seriously believe her aunt killed him. Can Paige find the real killer before there are more deaths in this little town? **The Cook's**

Wedding and Other Stories Anton Chekhov, 2018-09-20 Reproduction of the original *The Cook's Wedding and Other Stories* by Anton Chekhov. **Rhythms of Writing** Helena Wulff, 2020-05-15 This is the first anthropological study of writers writing and contemporary literary culture. Drawing on the flourishing literary scene in Ireland as the basis for her research, Helena Wulff explores the social world of contemporary Irish writers, examining fiction, novels, short stories, as well as journalism. Discussing writers such as John Banville, Roddy Doyle, Colm Tóibín, Frank McCourt, Anne Enright, Deirdre Madden, and Nuala O'Donoghue, Colum McCann, David Parkes, and Joseph O'Connor, Wulff reveals how the making of a writer's career is built on the rhythms of writing: long hours of writing in solitude alternate with public events such as book readings and media appearances. Destined to launch a new field of enquiry, *Rhythms of Writing* is essential reading for students and scholars in anthropology, literary studies, creative writing, cultural studies, and Irish studies. *Unity*, 1902 *The Cook's*

Wedding and Other Stories Anton Pavlovich Chekhov, 2022-09-15 Anton Pavlovich Chekhov's *The Cook's Wedding and Other Stories* is a collection of short stories that showcases his mastery of the genre. Known for his concise yet profound writing style, Chekhov's stories delve into the complexities of human nature and relationships. Set in late 19th century Russia, the stories capture the social dynamics and moral dilemmas of the time, reflecting Chekhov's keen observation of society. With subtle irony and keen insight, Chekhov weaves tales that are both entertaining and thought-provoking, leaving readers contemplating the intricacies of human behavior. The collection is a testament to Chekhov's ability to capture the essence of the human experience in a few concise pages. Anton Pavlovich Chekhov, a renowned Russian playwright and short story writer, drew inspiration from his background as a physician to infuse his works with a deep understanding of human psychology. His experiences treating patients in rural Russia provided Chekhov with a wealth of material for his stories, allowing him to create compelling characters with nuanced motivations. I highly recommend *The Cook's Wedding and Other Stories* to readers who appreciate finely crafted literature that offers profound insights into the human condition. Chekhov's work continues to resonate with audiences worldwide, making this collection a must-read for those interested in classic Russian literature.

A Village by the Jordan: The Story of Degania Joseph Baratz, 2024-05-19 In this highly readable first person account, we learn the history of Kibbutz Degania from one of its first members, beginning in 1911 when there were only 12 and through its growth as a community and center of agriculture, its joys and its difficulties. It's an attractive, interesting read featuring such major figures as Trumpeldor, Arthur Ruppin, and A.D. Gordon through the years of the British Mandate, the Second World War, the Jewish Brigade, the War of Independence, and after. The author is nostalgic for the past, with its ideals, its extraordinary atmosphere, austere customs, poverty, and warm collegiality. This is a book that deserves to be read and pondered. Dante Lattes, *La Rassegna Mensile di Israel*. *A Village by the Jordan: The Story of Degania* tells the story of the first collective village founded at the beginning of the present century. The authenticity of this account is enhanced by the fact that its author, Joseph Baratz, was one of the founders of the village and has continued to play a major part in its development from a precarious border settlement of twelve young men and women into a prosperous community of over a thousand souls. The story is one of human endurance, hope and despair, toil and struggle, failure and final success. Its pages testify to the determined dedication of its members to create a just and meaningful life for themselves and others. The author tells his story

with a spontaneity and simplicity that mark any truly creative experience Baratz refrains from idealizing and embellishing he shows throughout a sense of historical perspective and presents events and personalities in their proper light He never resorts to wishful interpretation the significance of what he relates becomes evident by dint of the momentum inherent in the story which thus assumes the additional importance of an authentic historical document A Village by the Jordan is indeed both enlightening and inspiring Shaoul Hareli Studies in Bibliography and Booklore *The Mistletoe Bough and Other Stories* Anthony Trollope, 1883 1883 A collection of stories from the prolific English writer of novels dealing with Victorian life Contents The Mistletoe Bough A Ride Across Palestine The Courtship of Susan Bell The Parson s Daughter of Oxney Colne Returning Home and The House of Heine Brothers in Munich See other titles by this author available from Kessinger Publishing Ready for Life David R.
