Looking For Samson:

Metagalaxy Russell Scott, 2012-01-23 METAGALAXY Conclusions Metagalaxy Conclusions is a continuation of the Metagalaxy where SamSon is forced to face his life and the choices he has made as he takes it upon himself to help all SamSon finds out that everything and anything is still possible in this Metagalaxy even becoming conventional SamSon inspires others to step up and become moral as they seek out the greatest sources of evil to confront it and destroy it They know that evil in the Metagalaxy is still indeed strong smart and attempting to take over Love honor and loyalty are the keys to help this Metagalaxy survive And if SamSon can convince others and himself that he is still their defender and needed he will make sure it does But his own power might lead to the Metagalaxy s destruction Samson's Diary Bob Arnone, 2014-08-19 In an effort to protect her child from the harsh realities of her impending death Mary pours her heart into a diary her legacy to her challenged ten year old son Samson After her passing the grief stricken child writes longingly to his lost momma in the hopes that his fervent words might reach her in the great beyond Born with extraordinary powers found only in the primate world he is a mystery to the medical world His doctors know of a progressive tumor on his thyroid but even that can t explain his gigantism At ten he is 6 9 and weighs 175 pounds Nora his devoted nanny loves him as if he was her own flesh and blood and she does her best to encourage the boy When his mental abilities also begin to grow beyond expectations only his father believes that it is the work of Mary his dead wife At sixteen 7 6 and 275 pounds he s on the verge of harnessing his true potential Soon he s on his way to glory in professional sports and folk hero status but there s a powerful emptiness to his life Tragedy follows him everywhere He continues to write to his momma desperate to know why he keeps losing the ones he loves At nineteen undaunted by his doctor s fears that physical exertion will kill him he experiences a mystical transformation with his momma and a phalanx of angels to guide him When his body betrays him can they or should they save him **AL- ISLAAM: âTHE SEVENTH ANGEL AND THE SEVENTH SEALâ** Hassan Shabazz, 2020-03-22 This pamphlet or booklet is a humble attempt by the author to shine the light of Al Islaam the Holy Qur an and the language of Imaam W Deen Mohammed on the Book of Revelations It is my sincere belief that the Holy Scriptures are interconnected and that the Holy Qur an is the last chapter and the key to understanding all scriptures I believe the vision seen by Dr King in his I have a Dream speech will only be fulfilled in the religion of Al Islaam Islam The Islamic faith in my opinion is the New Zion In this book I use the spelling Imaam for Imam Islaam for Islam because I believe it gives the novice a better sense of how the words should be pronounced *Take a Look Within* Dane T. Samson's Shadow Ernest W. Cockrell,2024-01-19 The primary characters of this novel the vicar churchwarden and Thomson took life within my wonderings on the death of my bishop and do not represent any persons living or dead that I have known in my life Some of the other characters in the novel do reflect specific people though never from confession of course and I offer their words experiences and wisdom as a tribute to them and to the integrity and struggles of their own journey This novel makes use of fiction to investigate questions raised by males young middle aged and older as they undergo the difficult lifelong metamorphosis into manhood engaging one primary issue as a paradigm for the many unique and deeply personal issues which confront each man along his journey

Reading Rembrandt Mieke Bal,2025-10-01 Reading Rembrandt Beyond the Word Image Opposition explores the potential for an interdisciplinary methodology between visual art and literature In a series of close analyses of works by Rembrandt works as we see them today through all the ways of seeing and commenting that precede and texts related to those works Mieke Bal questions the traditional boundaries between literary and visual analysis Bal also studies Rembrandt s complex handling of gender and the representation of women in Rembrandt s painting The methods used in this study come from both in and outside the history

of art. They demonstrate the author's sensitivity to the visual aspects of Rembrandt's work as meaningful. The works by Rembrandt gain in depth and interest but an original perspective of the role of visuality in our culture also emerges which ultimately has consequences for our views of gender, the artists and the act of reading.
