A Game with the Mind John A. Fosse, 2022-08-01 *A Game with the Mind* to See What You Can Find reveals what is truly in the mind and heart of the reader Through the exercises and examples carefully sequenced for progressive learning one will experience both the why and how of the personal poetic experience The instructive flow of *A Game with the Mind* leads the reader through the process of learning about one's innermost self One will find the advantage of dealing with one's own adversities emotions or even successes in a way that will lead to solutions understandings and even revelations about oneself The greatest difficulty about understanding the value of poetry lies in its most valued use It is not to beautify speech as much as it is to learn of one's innermost thoughts pertaining to any situation that is emotionally spiritually or physically felt The beauty of poetry comes through the illuminating voice of the inner self This book leads one to this objective The how of poetry seems to be the most elusive for the beginner How or where does one begin and how does one continue This book teaches a simple methodology for the beginner It points the way to extract feelings from your mind and heart that you are unaware of It creates an aha for the soul in seeing solutions to problems or finding peace through new understanding In essence this book is either a self help book or an English teacher's textbook for poetry The book progressively works through assignments from the simple basic poetry on toward most styles of poetry of the last two to three hundred years It shows how these can be used today to express our varied feelings and emotions

Vamped David Sosnowski, 2004-08-04 Martin Kowalski is an eighty year old man stuck in a twenty year old body He works the graveyard shift He has a poster of Bela Lugosi on his wall and a box of uneaten Count Chocula in his pantry He drinks stem cell derived blood from cleverly packaged and marketed juice boxes He is in short a vampire But since his wildly successful scheme to turn as many mortals as possible into vampires vamp them rather than kill them resulted in a new

immortal majority Marty finds little of interest to fill his countless days From the deeply imaginative mind of David Sosnowski who gave us the critically acclaimed junkie angel classic Rapture bursts this neo vampire novel studded with pint size vampires known as screamers children who were vamped and are none too happy about it priest vampires who helped convert their flock into lifetime members of the Church stripper vampires who lap danced their way into customers veins and one very small very outspoken human girl When Marty decides to end his endless life of soul crushing ennui call it vampire affluenza a three foot blond obstacle is thrown in his path Isuzu Trooper Cassidy a refugee from a human hunting preserve At first he thinks midnight snack but before the sun comes up Isuzu is the one snacking on his prized cereal collection as she charms him into staying undead long enough to raise her in a world rife with danger and almost entirely populated by vampires yearning for the taste of real human blood The critics applauded David Sosnowski when Rapture was published saying he staked out a patch of turf somewhere between Franz Kafka and Douglas Adams Now with Vamped Sosnowski takes on a time honored genre and breathes new life into it by turning Martin Kowalski s vampire world upside down and telling his story with rich masterful and frequently hilarious prose

Loose Lips Jordan Cooke,2008-04-17 Modernism and Eugenics Donald J. Childs,2001-09-06 In Modernism and Eugenics first published in 2001 Donald Childs shows how Virginia Woolf T S Eliot and W B Yeats believed in eugenics the science of race improvement and adapted this scientific discourse to the language and purposes of the modern imagination Childs traces the impact of the eugenics movement on such modernist works as Mrs Dalloway A Room of One s Own The Waste Land and Yeats s late poetry and early plays The language of eugenics moves he claims between public discourse and personal perspectives It informs Woolf s theorization of woman s imagination in Eliot s poetry it pictures as a nightmare the myriad contemporary eugenical threats to humankind s biological and cultural future And for Yeats it becomes integral to his engagement with the occult and his commitment to Irish Nationalism This is an interesting study of a controversial theme which reveals the centrality of eugenics in the life and work of several major modernist writers
