 Thomas, 2019-04-16 This accessible overview shows how the Bible with its 66 books dozens of authors and multiple genres
 comes together to provide an overarching story about God the King and explains how the Christian gospel and mission
 address the totality of human life Written by a biblical scholar and a theologian The Gospel of Our King shows how any
 account of gospel and mission can only be understood in light of the whole biblical testimony The authors help us understand
 the Bible s overarching narrative as the story that encompasses everything This story revealed by God and centered on Jesus
 the King enables us to know and love God and to fulfill his purpose for our lives It is the framework within which we come to
 understand the Christian worldview the Christian gospel and the Christian mission When we understand how the whole Bible
