The Law Library ,1835 **A Practical Treatise of Assets, Debts and Incumbrances** James Ram,1835 *The*

Survival of Dulles Michael M. Canaris, 2021-08-17 This collection marking the centenary of Avery Dulles's birth makes an entirely distinctive contribution to contemporary theological discourse as we approach the second century of the cardinal's influence and the twenty-first of Christian witness in the world. Moving beyond a festschrift, the volume offers both historical analyses of Dulles's contributions and applications of his insights and methodologies to current issues like immigration, exclusion, and digital culture. It includes essays by Dulles's students, colleagues, and peers as well as by emerging scholars who have been and continue to be indebted to his theological vision and encyclopedic fluency in the ecclesiological developments of the post-conciliar Church. Though focused more on Catholic and ecumenical affairs than interreligious ones, the volume is intentionally outward-facing and strives to make clear the diverse and pluralistic contours of the cardinal's nearly unrivaled impact on the North American Church, which truly crossed ideological, denominational, and generational boundaries. While critically recognizing the limits and lacunae of his historical moment, it serves as one among a multitude of testaments to the notion that the ripples of Avery Dulles's influence continue to widen toward intellectually distant shores.

The Law Journal Reports Henry D. Barton, 1837 **The Law Journal Reports**, 1837 **Kincraft** Todne Thomas, 2021-02-22 In *Kincraft* Todne Thomas explores the internal dynamics of community life among black evangelicals who are often overshadowed by white evangelicals and the common equation of the Black Church with an Afro-Protestant mainline. Drawing on fieldwork in an Afro-Caribbean and African American church association in Atlanta, Thomas locates black evangelicals at the center of their own religious story, presenting their determined spiritual relatedness as a form of insurgency. She outlines how church members cocreate themselves as spiritual kin through what she calls *kincraft*, the construction of one another as brothers and sisters in Christ. *Kincraft*, which Thomas traces back to the diasporic histories and migration experiences of church members, reflects black evangelicals' understanding of Christian familial connection as transcending racial, ethnic, and denominational boundaries in ways that go beyond the patriarchal nuclear family. Church members also use their spiritual relationships to navigate racial and ethnic discrimination within the majority white evangelical movement. By charting *kincraft*'s functions and significance, Thomas demonstrates the ways in which black evangelical social life is more varied and multidimensional than standard narratives of evangelicalism would otherwise suggest.
