Peter Matthiessen

Lost And Certain Of It:

In Some Lost Place Sandy Allan, 2015-07-08 In the summer of 2012 a team of six climbers set out to attempt the first ascent of one of the great unclimbed lines of the Himalaya the giant Mazeno Ridge on Nanga Parbat the world's ninth highest mountain At ten kilometres in length the Mazeno is the longest route to the summit of an 8 000 metre peak Ten expeditions had tried and failed to climb this enormous ridge Eleven days later two of the team Sandy Allan and Rick Allen both in their late fifties reached the summit They had run out of food and water and began hallucinating wildly from the effects of altitude and exhaustion Heavy snow conditions meant they would need another three days to descend the far side of the killer mountain I began to wonder whether what we were doing was humanly possible We had climbed the Mazeno and reached the summit but we both knew we had wasted too much energy In among the conflicting emotions the exhaustion and the elation we knew our bodies could not sustain this amount of time at altitude indefinitely especially now we had no water The slow trickle of attrition had turned into a flood it was simply a matter of time before our bodies stopped functioning Which one of us would succumb first In *Some Lost Place* is Sandy Allan's epic account of an incredible feat of endurance and commitment at the very limits of survival and the first ascent of one of the last challenges in the Himalaya *Aristotle: New Light on His Life and On Some of His Lost Works, Volume 1* Anton-Hermann Chroust, 2015-08-14 Originally published in 1973 The predominantly historical approach in this book heralds a belief that a better understanding of Aristotle the man and the salient events of his life leads to a greater insight into his work as a philosopher This the first of two volumes presents interpretations of Aristotle's life widely interesting to any Aristotle scholars **Lost Man's River** Peter Matthiessen, 1998-09-29 One of the few American writers ever nominated for the National Book Award for both fiction and nonfiction presents the second novel in his Watson trilogy Lucius Watson is obsessed with learning the truth about his father Who was E J Watson Was he a devoted family man an inspired farmer a man of progress and vision Or was he a cold blooded murderer and amoral opportunist Were his neighbors driven to kill him out of fear Or was it envy And if Watson was a killer should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions The characters in this tale are men and women molded by the harsh elements of the Florida Everglades an isolated breed descendants of renegades and pioneers who have only their grit instinct and tradition to wield against the obliterating forces of twentieth century progress Speck Daniels moonshiner and alligator poacher turned gunrunner Sally Brown who struggles to escape the racism and shame of her local family R B Collins known as Chicken crippled by drink and rage who is the custodian of Watson secrets Watson Dyer the unacknowledged namesake with designs on the remote Watson homestead hidden in the wild rivers and Henry Short a black man and unwilling member of the group of armed island men who awaited E J Watson in the silent twilight Only a storyteller of Peter Matthiessen's dazzling artistry could capture the beauty and strangeness of life on this lawless frontier while probing deeply into its underlying tragedy the brutal destruction of the land in the name of progress

and the racism that infects the heart of New World history A story of epic scope and ambition *Lost Man's River* confronts the primal relationship between a dangerous father and his desperate sons and the ways in which his death has shaped their lives

The Case of the Lost Mermaid Rhiannon D. Elton, 2021-04-05 *The Case of the Lost Mermaid* is the sixth book in the Wolflock Cases teen fantasy mystery series Wolflock owes his life to a mermaid he may have accidentally doomed The only way to save her is to find the mythical mermaid city of Sinalta without delaying the ship But the cards of Faleen and Bleen have foretold disaster in his fate Is their interference to save his life or do they have sinister intentions To make matters worse he has to make a choice repay his debt by delaying the ship or leave the mermaid to perish in the icy sea Unfortunately if he can't solve the case in two days he may no longer be able to choose
