

"Absolutely stupendous . . .

This is history as it
should be. I can't praise
it highly enough. It is
stunningly written,
I could not put it down."

Alison Weir, author of
Henry VIII: King and Court

REVOLUTION, REVENGE AND THE
SEARCH FOR LOUIS XVII

The Last King of France

DEBORAH CADBURY

Lost King France

Rocky M. Mirza, PhD

Lost King France:

The Lost King of France Deborah Cadbury, 2002-10-18 Traces the story of the missing dauphin and heir of the executed Louis XVI and Marie Antoinette examining historic events from multiple angles and presenting DNA evidence to reveal new conclusions

The Lost King of France Deborah Cadbury, 2009-08 This is history as it should be It is stunningly written I could not put it down This is the best account of the French Revolution I have ever read Alison Weir author of Henry VIII King and Court The fascinating moving story of the brief life and many possible deaths of Louis XVII son of Marie Antoinette Louis Charles Bourbon enjoyed a charmed early childhood in the gilded palace of Versailles At the age of four he became the Dauphin heir to the most powerful throne in Europe Yet within five years he was to lose everything Drawn into the horror of the French Revolution his family was incarcerated Two years later following the brutal execution of both his parents the Revolutionary leaders declared Louis XVII was dead No grave was dug no monument built to mark his passing Immediately rumours spread that the Prince had in fact escaped from prison and was still alive Others believed that he had been murdered his heart cut out and preserved as a relic In time his older sister Marie Therese who survived the Revolution was approached by countless brothers who claimed not only his name but also his inheritance Several Princes were plausible but which if any was the real Louis Charles Deborah Cadbury's *The Lost King of France* is a moving and dramatic story which conclusively reveals the identity of the young prince who was lost in the tower This book is available as a print on demand product only

The Lost King of France Deborah Cadbury, 2003-04-01 Cadbury lays out in fascinating detail the historical mystery of the royal heir and uses modern science to try to solve it The Wall Street Journal In 1793 when Marie Antoinette was beheaded at the guillotine during the French Revolution she left her adored eight year old son Louis Charles imprisoned in the Temple Tower Far from inheriting a throne the orphaned boy king had to endure the hostility and abuse of a nation Two years later the revolutionary leaders declared Louis XVII dead No grave was dug no monument built to mark his passing Immediately rumors spread that the prince had in fact escaped from prison and was still alive Others believed that he had been murdered his heart cut out and preserved as a relic As with the tragedies of England's princes in the Tower and the Romanov archduchess Anastasia countless brothers soon approached Louis Charles's older sister Marie Therese who survived the revolution They claimed not only the dauphin's name but also his inheritance Several princes were plausible but which if any was the real heir to the French throne *The Lost King of France* is a moving and dramatic tale that interweaves a pivotal moment in France's history with a compelling detective story that involves pretenders to the crown royalist plots and palace intrigue bizarre legal battles and modern science The quest for the truth continued into the twenty first century when thanks to DNA testing the strange odyssey of a stolen heart found within the royal tombs brought an exciting conclusion to the two hundred year old mystery of the lost king of France A winning and highly readable account of the French Revolution Publishers Weekly

The Lost King of France Deborah Cadbury, 2002 A true story of royalty revolution and mystery the

detective story of the brief life and many possible deaths of Louis XVII the son of Marie Antoinette Louis Charles Bourbon enjoyed a charmed early childhood in the gilded palace of Versailles At the age of four he became the Dauphin heir to the most powerful throne in Europe Yet within five years he was to lose everything Drawn into the horror of the French Revolution his family was incarcerated and their fate thrust into the hands of the revolutionaries who wished to destroy the monarchy

The Lost King of France: The Tragic Story of Marie-Antoinette's Favourite Son (Text Only Edition)

Deborah Cadbury,2012-05-03 This is history as it should be It is stunningly written I could not put it down This is the best account of the French Revolution I have ever read Alison Weir author of Henry VIII King and Court

The Lost King

Rafael Sabatini,2022-07-21 In The Lost King Rafael Sabatini weaves a compelling tale of political intrigue adventure and the quest for identity set in a tumultuous European backdrop This historical novel centers on the usurped King of a fictional Mediterranean kingdom who embarks on a journey to reclaim his throne Sabatini s characteristic flair for dialogue and vivid characterizations is evident as he crafts a rich tapestry of historical detail reminiscent of the Renaissance era s tumultuous politics His prose moves fluidly between action and introspection embodying both the romanticism and realism prevalent in early 20th century literature Sabatini an Italian born British author renowned for his swashbuckling historical fiction often drew inspiration from his diverse cultural heritage and experiences His fascination with tales of lost heirs and royal ambitions likely stems from both his own family history and a broader understanding of European monarchies Sabatini s works frequently reflect his keen insight into the complexities of human nature and the moral ambiguities encountered in the pursuit of power The Lost King is highly recommended for readers who relish intricate plotlines and well drawn characters in a historical setting Sabatini s storytelling prowess will captivate both history enthusiasts and fans of adventure fiction alike making this novel an essential addition to any literary collection

The Lost Kings Amy Licence,2017-08-01

The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of battle and bloodshed execution and unexpected illness Life could be nasty brutish and short Some met their end in battle others were dragged to the block losing everything for daring to aspire to the throne Some were lost in mysterious circumstances like Edward V the elder of the Princes in the Tower But the majority of these young men died in their teens on the brink of manhood They represent the lost paths of history the fascinating what ifs of the houses of York and Tudor They also diverted the route of dynastic inheritance with all the complicated implications that could bring passing power into some unlikely hands This book examines ten such figures in detail using their lives to build a narrative of this savage century

The Lost King Raphael Sabatini,2014-11-30

The Lost King tells the story of Louis XVII the French royal who allegedly died at the age of ten but as legend has it escaped to foreign lands where he lived to an old age Sabatini breathes life into these age old myths creating a story of passion revenge and betrayal

The Lost Kings

Stephen Moser,2024-08-07 The Lost Kings covers the period 16th 24th April 2021 It is a work of fiction based on a re interpretation of historical facts relating to the Royal Blood of the descendants of Jesus

known over the centuries as the sang real Holy Grail So in a sense it is a work of current historical fiction non fiction spanning two millenia It opens with the immediate aftermath of the crucifixion of Jesus the direct descendant of King David and therefore the legitimate pretender to the throne of Israel as well as a Prophet of God The book finishes with the installation of his direct descendant as Pope Jesus II who after the passage of two millenia finally brings together the temporal and religious succession to both King David and Jesus Our hero is David Whitecastle He like Ian Fleming and his creation James Bond had a Scottish father and Swiss mother attended Fettes College in Edinburgh and was in a special unit of the armed forces David is an Oxbridge graduate who joined Jardine Matheson the Princely Hong immortalised both by its history as the most powerful foreign trading house in Asia and more recently through the novels of the late James Clavel whom I got to know and who initiated me into the dark art of story telling Through David the reader meets the larger than life but enigmatic Monseigneur Sobieski as well as the delightful Anna who turns out to be much more than just pleasing on the eye The cast includes the 82 year old Madame Fatin who longs to share a secret which has eluded even the most ardent seekers of the hidden truths of Rennes le Chateau Through her we meet the dyed in the wool but confused SS colonel whose uncle Adolf Hitler has entrusted him with a family lineage quest of his own She also reveals the secret identity and story of Marie who fathered twin sons whose offspring have the most legitimate claim to the throne of the Lost Kings Then our journey takes us to the corridors of power in Paris and Vienna which have consistently sought out adopted and used for their own ends the current representatives of the ancient bloodline of David The book begins with an apparently open and shut homicide in the Vatican But as the story unfolds it takes the reader on a truly secret and magical whirlwind tour of history the world and Mankind itself embracing the ancient Jewish Kingdom of Septimanie in southern France as well as the Visigoth Merovingian Carolingian and Habsburg dynasties It is also a truly inside look at the machinations from its inception of the Church of Rome and its rival factions through the eyes of some of the key people who have shaped European and world history politics and religion It transpires that there are two living descendants of the original undiluted bloodline whose existence has not been revealed even to those who considered themselves its custodians and protectors over the centuries The story culminates in a papal election where the two main contenders are unbeknownst to themselves the progeny of twin brothers and the current claimants to the most legitimate bloodline of the House of David The book finishes on an upbeat note It seems that the winds of change may finally be beginning to blow away the ancient cobwebs which over the centuries have blighted even the most high minded of religious leaders and organisations and so in turn failed to fulfil what the average person expects and needs from them The book is intended to give readers a new refreshing but provocative interpretation of the evolution of our culture and civilisation and in the process stimulate the little grey cells and encourage each one of us to critically and conscientiously re appraise some of the supposedly self evident truths which we have taken for granted It is my hope that this will lead to greater awareness and understanding of ourselves and our place in things I

also hope that this cocktail of light hearted banter unexpected love adventure mystery deceit and epicurean delights will also allow the reader to have fun in the process

Lost Kings and Kingdoms Robyn Hardyman,2016-12-15 Great kingdoms and rulers from the distant past can become lost over time For some no records survive to prove their existence For others the records are woven with so many fanciful details they seem like legends How do we distinguish what s true and what s false This inclusive volume offers the latest insights into familiar legends such as Arthur and his Camelot but also equally intriguing lore and history of lost kingdoms of Africa Asia and the early Americas Readers will discover that the endeavor to unearth these realms reveals much culture history and geography about different world regions

The Lost King Philippa Langley,Michael Jones,2013-10-22 The official inside story of the discovery of the bones of Richard III now a major motion picture starring Sally Hawkins and Steve Coogan The mystery of who Richard III really was has fascinated historians readers and audiences familiar with Shakespeare s dastardly portrait of a hunchbacked monster of royalty for centuries In 2012 the remains of a man with a curving spine who possibly was killed in battle were discovered underneath the paving of a parking lot in Leicester England Phillipa Langley head of The Richard III Society spurred on by the work of the historian Michael Jones led the team of who uncovered the remains certain that she had found the bones of the monarch When DNA verification later confirmed that the skeleton was indeed that of King Richard III the discovery ranks among the great stories of passionate intuition and perseverance against the odds The news of the discovery of Richard s remains has been widely reported by the British as well as worldwide and was front page news for both the New York Times and The Washington Post Many believe that now with King Richard III s skeleton in hand historians will finally begin to understand what happened to him following the Battle of Bosworth Field twenty miles or so from Leicester and ultimately to know whether he was the hateful unscrupulous monarch of Shakespeare s drama or a much more benevolent king interested in the common man Written in alternating chapters with Richard s 15th century life told by historian Michael Jones author of the critically acclaimed *Bosworth 1485* contrasting with the 21st century eyewitness account of the search and discovery of the body by Philippa Langley *The Lost King* will be both an extraordinary portrait of the last Plantagenet monarch and the inspiring story of the archaeological dig that finally brings the real King Richard III into the light of day

The Lost King. The Romance of Louis XVII of France ... Translated from the French Octave Aubry,1926 **The Lost King of England** Gabriel Ronay,1989-12-07 In 1016 two English princes rightful heirs to the throne were banished to the continent This book chronicles the lost years in eastern Europe of one of the princes Edward his eventual return to England and his death

How the West Was Won and Lost Rocky M. Mirza, PhD,2016-04-14 Western powers are addicted to stealing and warmongering and their days at the top of civilization are numbered To prove this point Rocky M Mirza Ph D traces the rise of the Western powers from the Greek and Roman empires through the Portuguese Spanish British French German Italian and American empires He argues that the West has promoted private property over communal property which has created huge

inequalities of wealth encouraged the production and consumption of goods instead of preserving our planet exploited Third World workers to satisfy obese citizens addicted to super size portions From the time Portugal found a sea route to India and Spain rediscovered the New World the West has sought to steal and kill At first Muslims in the Middle East and powerful countries in Asia thwarted Western ambitions but the Industrial Revolution of the eighteenth century changed the landscape Instead of building mutually beneficial relationships Western empires from the Portuguese to the American have sought to solely look out for their own interests Find out how the balance is shifting in [How the West was Won and Lost](#) [Read On...History](#) Tina Frolund, 2013-10-21 Make history come alive This book helps librarians and teachers as well as readers themselves find books they will enjoy titles that will animate and explain the past entertain and expand their minds This invaluable resource offers reading lists of contemporary and classic non fiction history books and historical fiction covering all time periods throughout the world and including practically all manner of human endeavors Every book included is hand selected as an entertaining and enlightening read Organized by appeal characteristics this book will help readers zero in on the history books they will like best for instance titles that emphasize character tell a specific type of historical story convey a mood or are presented in a particular setting Every book listed has been recommended based on the author's research and has proved to be a satisfying and worthwhile read [The Lost King](#) G. Aubry, 1926 [Catalogue of Books in the South End Branch Library of the Boston Public Library](#) Boston Public Library. South End Branch, 1883 **Lost Bodies** Jenni Davis, 2017-04-04 Fully illustrated and packed with information about the life demise disappearance and discovery sometimes of each famous and infamous figure *Lost Bodies* explores the controversies surrounding their deaths and the theories about what may have happened to them Step aboard the history mystery tour Back cover [Love's labour's lost. King John. King Lear. Troilus and Cressida. Titus Andronicus. Othello](#) William Shakespeare, 1807 [A Complete Concordance to Shakespeare](#) John Bartlett, 2016-02-17 A complete concordance or verbal index to words phrases and passages in the dramatic works of Shakespeare There is also a supplementary concordance to the poems This is an essential reference work for all students and readers of Shakespeare
